

STATE FARM INSURANCE IWU ACTION RESEARCH CENTER Community Partnership Program Internship Summer 2010

State Farm and the IWU Action Research Center have partnered to offer a unique Internship program. The Community Partnership (CP) internship affords students the opportunity to gain real world experience in a corporate environment and contribute to a local non-profit organization. In addition to challenging work assignments, CP interns participate in professional and personal development classes and interact with various levels of State Farm employees and community leaders. CP interns have the opportunity to learn more about other areas of State Farm and are invited to various intern social events. Following the internship, qualified individuals may be given consideration for future internships and/or full-time employment.

Eligibility: Applicants must be authorized to work in the United States at the time of hire. State Farm only provides sponsorship if there is a business need. All majors are welcome. Graduating seniors are not eligible.

Location: State Farm Insurance – Corporate Offices, Bloomington, Illinois and a not-for-profit organization in the Bloomington-Normal community.

Dates*: May 3 – August 6, 2010

*Students must be available to begin full-time (38 ¾ hours/week) on May 3, as the first two weeks will be dedicated to orientation and training at State Farm. Students who are not able to begin on May 3 are not eligible for this program. You may not take a May term course.

Compensation: \$15/hour

Work Schedule: 38:45 hours/week (Monday-Friday)

3 days/week allocated to a State Farm business area and 2 days/week allocated to a local Not-for-profit organization
