

Illinois Wesleyan University
Craig C. Hart Career Center

Recommendation for Teaching

(This section should be completed by the student teacher.)

Student Teacher: _____ Cooperating Teacher: _____

School: _____ Location: _____

Grade Level: _____ Subject: _____

I am maintaining a placement file with the Career Center at Illinois Wesleyan University and would appreciate your submission of a new recommendation for me.

Date *Signature* *Year of Graduation*

(This section should be completed by the cooperating teacher.)

To the cooperating teacher: This form is designed for direct reproduction. It will be placed in the student's placement folder for future hiring officials to read. Since securing a position often depends upon a comprehensive evaluation from those who have observed an applicant's teaching, an accurate appraisal of the student teacher's **personal qualities, teaching competence, and professional attitudes** will be very helpful.

Date *Signature*
