

Assignment Checklist

Directions: For each sentence below, X the responses that apply to you most of the time. If none apply, check the blank that reads "other" and explain.

1. When I read an assignment in class...

- I read it carefully and study it hard.
- I change the way I read (skim or read thoroughly), depending on what the teacher says is the purpose of reading.
- I read it as fast as I can just to get it over with.
- I read it slowly but don't learn much.
- I wait until a friend is finished and ask what it was about.
- I just read the first few paragraphs. I never finish on time.
- I always finish first.
- I never read, period, because I'm a poor reader.
- I read it, but don't remember it later. I take notes as I read to study later.
- Other (explain) _____

2. When I have homework assignments that are due in a few days...

- I usually forget to do them.
- I do them right away just to get them done.
- I put them off and then rush through them at the last minute.
- I put them off and really worry about them.
- I like them because I have plenty of time to do them at my own rate.
- I just copy them anyway, so it doesn't matter when they're done.
- I wish they were due sooner because I need pressure to make me work.
- Other (explain) _____

Finish this sentence:

If I could choose one or two behaviors to improve, I would:
