Illinois Wesleyan University

has received a contribution from

Jane Doe, '09

toward the

SENIOR

CLASS GIFT

in recognition of

Dr. Bob Smith

Bob, you have played an influential role in Jane's life during her time at Illinois Wesleyan University, and you have received this certificate as evidence of that fact.

The Class Gift is intended to pay forward the goodwill and generosity members of the graduating class experienced during their time on campus, and the Class of 2009 Gift will forever be a tribute to your part in that.
