Prof. J. W. Powell

Dear Sir

Your barometers? were sent on the 19th to J. A. Sewall with bill (\$194.50) by Adams Express - I received your telegram in good time but did not answer as I thought you must get immediately after the goods or first, perhaps, this my letter to Mr. Sewall, as I wrote to him about the shipment, and would learn about them - On posting this I shall telegraph to you (to prevent accident) both at Normal and Chicago - it may possibly save you time.

Yours Truly,
James Green
