

PROVOST REPORT FOR JANUARY 9, 2012

GENERAL FACULTY MEETING

Dani Snyder has recently published two peer-reviewed journal articles, based on research she did on a 2009 ASD Grant:

Stop Staring, Start Seeing: Housed Spectatorship of Homeless Performers in *Theatre Research International*

<http://journals.cambridge.org/action/displayAbstract?fromPage=online&aid=8280704>

Here to Tell Her Story: Analyzing the Autoethnographic Performances of Others in *Qualitative Inquiry*

<http://qix.sagepub.com/content/17/10/943.short>

An exhibit of new paintings by **Miles Bair** was on display at the [William Havu Gallery](#) in Denver, Colo., through Dec. 31.

Assistant Professor of Biology **Edgar Lehr** published, with Sinsch, U., E. Greenbaum, and C. Kusamba (2011): Rapid assessment of montane anuran communities in the Albertine Rift: *Hyperolius castaneus* Ahl, 1931 as an umbrella

Assistant Professor of Biology **Edgar Lehr** is traveling to the protected forests of Peru to unlock the disappearance of frog species. He was featured in a [Pantagraph](#) report picked up by the Associated Press.
