Rationale for Proposed Program

Please attach additional pages explaining the rationale for the program. Students are expected to address each of the five areas as described below.

1. Briefly list the academic goals to be achieved by your proposed program of study. Describe how this program of study better serves your academic goals than any existing IWU major and/or minor program. If your proposed program already exists at another institution, please include a list of those goals and requirements.
2. Attach a list of courses in the Special Interdisciplinary Major or Minor sequence, indicating which courses have yet to be completed. Explain how this list of courses achieves the goals of your proposed program of study.
3. Your proposed program of study must meet the standards for a major/minor that are outlined in the University Catalog. Explain how your list of courses meets these requirements.
4. If there are any requirements or procedures for which an exemption is desired, state the reason for desiring the exemption and the means by which it is believed that the intent or spirit of the academic requirement has or will be fulfilled.
5. A letter of support from your faculty advisor for the special interdisciplinary major/minor addressing points 1—4 above is required.
