

ILLINOIS WESLEYAN
UNIVERSITY

FISCAL YEAR 2023

ANNUAL REPORT
OF GIVING

AUGUST 1, 2022 - JULY 31, 2023

Thank You *from our* Board of Trustees Chair

Dear Loyal Donor,

We are pleased to present our Fiscal Year 2023 Annual Report of Giving that recognizes the extraordinary support that is so essential to the vitality of IWU. Whether you have directed your gift to scholarships, a specific academic pursuit, research, athletics, or an annual gift that ensures our students are on a path to success, you have made a real difference. On behalf of IWU's Board of Trustees we thank you for your generous support in our 2023 fiscal year.

Illinois Wesleyan is continuing to make exciting new investments in programs that will ensure a distinguished liberal arts experience, essential in attracting diverse, high performing students. At the same time, the financial pressure on every private university has never been greater. A highly competitive market is increasing the challenge in successfully attracting a shrinking pool of students, placing greater pressure on tuition. As a result, the need for financial support from alumni, family and friends is more important than ever.

As we look back on the year and reflect on the impact our donors have made there are many signs of our University's strength in higher education. U.S. News & World Report ranked IWU as the #1 college overall in the Midwest region. According to Niche's 2024 college rankings, the Princeton Review's 2024 college guide has named IWU one of the nation's best institutions for undergraduates. The Washington monthly ranked IWU as #5 among four-year institutions in the nation for contribution to public good through social mobility, research and promoting public service, and we continue to top all colleges and universities in Illinois in successful placement of our graduates.

I provide support to IWU each year as I am grateful for the education and college experience I enjoyed, and the career foundation it provided. I also recognize how important giving is in ensuring we can continue to provide that same life shaping experience to the students of today and tomorrow. There is no better evidence of the great return on this investment than my random conversations with students on my frequent campus visits. They consistently convey an enthusiasm for learning, pursuit of a wide array of course offerings available in the liberal arts, and the interest and enthusiastic support offered by our dedicated faculty.

I hope you find this Fiscal Year 2023 Annual Report of Giving informative. Once again, thank you for your generous support of Illinois Wesleyan University.

Mansi Shah '25

Neuroscience Major, Psychology Minor

Mansi is a first generation college student whose parents immigrated to the United States from India in search of the American Dream.

"My parents came to this country hoping to build a better life for my older brother and me. The hard work ethic they instilled in me, combined with your generous support, has allowed me to pursue a world class education here at Illinois Wesleyan."

Clay Anderson '23

"Your impact on our lives is undeniable. Because of your actions, students can compete at the highest level, have cutting-edge technology, and be able to enjoy this beautiful university."

The Honor Roll of Donors

Through the generosity of our donors, Illinois Wesleyan University is able to create a unique educational experience that builds real-world pragmatism on a bedrock of liberal arts education.

We've established nine gift club levels to recognize donors and express our gratitude for their commitment. Gift club levels are determined by the total dollars given to the University by an individual from August 1, 2022 through July 31, 2023.

Alumni donors are identified by their class year following their name.

Married alumni are listed under their married surnames.

An asterisk () indicates the donor is deceased.*

A "P" following a name indicates a parent.

An "R" following a name indicates a recurring donor.

Hearts Aflame Fellows \$50,000+

The opening line to our school song, Alma Wesleyana, proclaims "From hearts aflame our love we pledge to thee." English Professor, W.E. Schultz, wrote Alma Wesleyana in 1935, and it has been sung at IWU Commencement every year since. Like the song, members of the Hearts Aflame Fellows gift club pledge their love and generosity to Illinois Wesleyan through annual gifts of \$50,000 or more.

State Farm Hall

Aspiration Society \$500 - \$999

Formerly known as: University Fellows

Home to many fond IWU traditions, Aspiration Fountain is a landmark on the Egbers Quadrangle funded by the Egbers Family. Gary Egbers '72 served as an officer of the Board of Directors and president of the Wesleyan Associates. During Turning Titan, incoming students write their goals for their time at IWU in chalk around Aspiration Fountain. At commencement, faculty and staff write each graduate's name to symbolize their ambition and achievement. Aspiration Club gift club members help keep many traditions on campus alive with annual gifts of \$500 to \$999.

John Wesley Powell Club \$250 - \$499

John Wesley Powell was an American geologist, U.S. Army soldier, and a founder of the National Geographic Society. He joined Illinois Wesleyan's faculty in 1865. Two years later, he took IWU students to Colorado's mountains, one of the first expeditions of its kind in the history of American higher education. Members of the John Wesley Powell Club gift club are recognized for their annual gifts of \$250 to \$499.

Pineapple Club \$100 - \$249

The pineapple represents prosperity, hospitality, and friendship. All IWU graduates touch the ceremonial pineapple at the end of the commencement stage, acknowledging the friendships they formed on campus and the University's pledge they are always welcome back. Pineapple Club gift club members embody prosperity, hospitality, and friendship with their annual contributions of \$100 to \$249.

Invest *in the Future*

You have made a significant impact throughout the IWU campus, and we are eternally grateful for your support. IWU students had an elevated experience because of your investments in their futures. By renewing your support this fiscal year, you can create those same opportunities for the next generation of Titans.

Here are ways to continue your support:

Matching Gifts

Over 26 million individuals work for a matching gift company. Submit your IWU gift receipt to your employer for a match and double (or even triple) your impact!

Scheduled Recurring Gifts

Just like your streaming services subscriptions, you can also schedule a recurring monthly gift with IWU. Tell us the amount and day of the month to make your payment, and we'll handle the rest.

Named Scholarships

Annual named scholarships are established with a gift of \$2,500 or more. Endowed scholarships are established with a pledge commitment of \$50,000. Donors can have a named scholarship after themselves or a loved one, and they have the opportunity to meet the scholarship recipients each fall.

Planned Giving

With gift planning, you can provide long-lasting support for Illinois Wesleyan University while enjoying financial benefits for yourself. Bequests, IRA rollovers, Donor Advised Funds, and Qualified Charitable Distributions are a few examples of planned gifts.
