Thank You *from our President*

Dear Titan family,

It is my great privilege to serve as the new President of Illinois Wesleyan University and to join this incredible community of students, faculty, alumni, and supporters. While I was not here during the period covered in this Annual Report of Giving, I am deeply honored to witness the lasting impact of your generosity.

This report is more than a record of gifts—it is a reflection of the unwavering commitment of those who believe in the mission and future of IWU. Your contributions have provided scholarships, supported groundbreaking research, and enhanced the student experience in countless ways. Because of you, our university continues to thrive as a place of learning, discovery, and opportunity.

As I step into this role, I am inspired by the strong foundation built by our dedicated donors and friends. Your belief in IWU and your investment in its future fuel the innovation and excellence that define us. I look forward to working alongside you as we build upon this remarkable legacy together.

On behalf of our students, faculty, and the entire Titan community—thank you. Your generosity shapes lives, strengthens our institution, and propels us toward an even brighter future.

With gratitude,

Sheahon Zenger

Franchesca Smith '25

Political Science Major, Psychology Minor, Advocacy-Law Minor

Franchesca is a first-generation student, Academic All-District triple jumper on the Women's Track and Field team, Student Senate Vice President, President and Founder of the Black Student-Athlete Alliance (BSAA), and more.

"The experiences I've had through internships, student organizations, athletics, and more would not be possible without individuals who care about the success of IWU students. Their generosity is not just appreciated, it's transformative. Thank you for believing in us and for being a part of our journey!"

Matt Wells '27

Piano Performance Major, Physics Major

Matt is a piano performance and physics dual major student and recipient of the Professor Susan J. Brandon Endowed Piano Scholarship and the Benjamin J. Killey, M.D. '99 Annual Scholarship.

"I chose to attend Illinois Wesleyan University because it is a place where I'm encouraged to study both piano and physics. From the first moment I arrived on campus, I knew I would receive personal attention from my professors and not just be a number in a large class. Thank you for your very generous investment in my education!"

The Honor Roll of Donors

Through the generosity of our donors, Illinois Wesleyan University is able to create a unique, transformational educational experience that builds real-world pragmatism on a bedrock of liberal arts education.

We’ve established nine gift club levels to recognize donors and express our gratitude for their commitment. Gift club levels are determined by the total dollars given to the University by an individual from August 1, 2023 through July 31, 2024.

Alumni donors are identified by their class year following their name.
Married alumni are listed under their married surnames.
An asterisk (*) indicates the donor is deceased.
A “P” following a name indicates a parent.
An “R” following a name indicates a recurring donor.

Hearts Aflame Fellows \$50,000+

The opening line to our school song, Alma Wesleyana, proclaims “From hearts aflame our love we pledge to thee.” English Professor, W.E. Schultz, wrote Alma Wesleyana in 1935, and it has been sung at IWU Commencement every year since. Like the song, members of the Hearts Aflame Fellows gift club pledge their love and generosity to Illinois Wesleyan through annual gifts of \$50,000 or more.

Aspiration Society \$500 - \$999

Formerly known as: University Fellows

Home to many fond IWU traditions, Aspiration Fountain is a landmark on the Egbers Quadrangle funded by the Egbers Family. Gary Egbers '72 served as an officer of the Board of Directors and president of the Wesleyan Associates. During Turning Titan, incoming students write their goals for their time at IWU in chalk around Aspiration Fountain. At commencement, faculty and staff write each graduate's name to symbolize their ambition and achievement. Aspiration Club gift club members help keep many traditions on campus alive with annual gifts of \$500 to \$999.

John Wesley Powell Club \$250 - \$499

John Wesley Powell was an American geologist, U.S. Army soldier, and a founder of the National Geographic Society. He joined Illinois Wesleyan’s faculty in 1865. Two years later, he took IWU students to Colorado’s mountains, one of the first expeditions of its kind in the history of American higher education. Members of the John Wesley Powell Club gift club are recognized for their annual gifts of \$250 to \$499.

Invest *in the* Future

You have made a significant impact throughout the IWU campus, and we are eternally grateful for your support. IWU students had an elevated experience because of your investments in their futures. By renewing your support this fiscal year, you can create those same opportunities for the next generation of Titans.

Here are ways to continue your support:

Matching Gifts

Over 26 million individuals work for a matching gift company. Submit your IWU gift receipt to your employer for a match and double (or even triple) your impact!

Scheduled Recurring Gifts

Just like your streaming services subscriptions, you can also schedule a recurring monthly gift with IWU. Tell us the amount and day of the month to make your payment, and we'll handle the rest.

Named Scholarships

Annual named scholarships are established with a gift of \$2,500 or more. Endowed scholarships are established with a pledge commitment of \$50,000. Donors can have a named scholarship after themselves or a loved one, and they have the opportunity to meet the scholarship recipients each fall.

Planned Giving

With gift planning, you can provide long-lasting support for Illinois Wesleyan University while enjoying financial benefits for yourself. Bequests, IRA rollovers, Donor Advised Funds, and Qualified Charitable Distributions are a few examples of planned gifts.
