

Scholarship Application

The Career Immersion Excursion committee acknowledges that the \$250 cost of participating in the Excursion may prohibit some students from attendance. Students **with a demonstrated financial need** may apply for a scholarship to assist with the participant fee.

A limited number of \$150 scholarship fee waivers will be awarded. Students receiving the scholarships will be responsible for paying a \$100 participant fee.

Scholarship Applications are due along with Program applications on November 14th. Decisions regarding stipends will be made by December 1, 2016.

Name _____

Student ID _____

Email address _____

Phone number _____

I give the Financial Aid Office permission to release information from my financial aid file to the Career Immersion Excursion committee for the purpose of verification of need.
