Wednesday, November 14, 2018
Young Main Lounge - Memorial Center

Sponsored by the Illinois Wesleyan University Hart Career Center and Illinois Wesleyan University School of Nursing

Advocate Health Care, various locations in Illinois
www.advocatehealth.com
Redefining What's Exceptional
Advocate Health Care, a faith-based nonprofit, is the largest health system in Illinois and a leader in the medical field that’s dedicated to changing patient expectations by giving them easy access to all that they need to stay well, live well and achieve outstanding treatment outcomes.

Aperion Care, Lincolnwood, IL
www.aperioncare.com
Aperion Caregivers provide a level of personal caring that goes well beyond providing post-hospital rehabilitation and long-term skilled nursing care.

We get to know you on a personal level;
...understanding your motivations,
...connecting with your family,
...and taking on your goals as our own.

By doing the big things as well as the little things, we help you get better and return home as quickly as possible. And our caring doesn’t stop at discharge. We’re committed to making sure that you continue to improve, so that you can achieve the fuller, more rewarding life you deserve.

BJC HealthCare, St. Louis, MO
www.bjc.org/jobs
BJC HealthCare is one of the largest nonprofit healthcare organizations in the United States, and is focused on delivering services to residents primarily in the greater St. Louis, southern Illinois and mid-Missouri regions. BJC HealthCare has ranked as one of the top workplaces among large employers in the seventh annual St. Louis Post-Dispatch Top Workplaces for 2018 program. BJC is one of 150 Greater St. Louis employers to receive the award and the only health care system to make the list. BJC serves the health care needs of urban, suburban and rural communities and includes 15 hospitals and multiple community health locations. Services include inpatient and outpatient care, primary care, community health and wellness, workplace health, home health, community mental health, rehabilitation, long-term care and hospice.
**Blessing Health System**, Quincy, IL  
www.blessinghealth.org/careers  
The Blessing Health System is an integrated health system consisting of, a nationally recognized physician group, an accredited college of nursing and health sciences, a network of medical specialty businesses and a charitable foundation. In all that we do, we aim to connect with and improve the health of our communities. Combining the latest technology with a personal touch, we provide high quality care, close to home. Every program, service, certification or technology upgrade is specifically to benefit you, the people we serve.

We offer the largest and most advanced medical center in a 100-mile radius, with the resources to offer comprehensive and advanced medical care. At the same time, we are in tune with the specific health needs of our region.

**OUR MISSION**

To improve the health of our communities.

**OUR VISION**

We will be the region’s health care leader.

**Bradley University**, Peoria, IL  
www.bradley.edu  
Bradley University offers the MSN Degrees in Nursing Administration and Family Nurse Practitioner (FNP) in an online format. The Nursing Administration program prepares professional nurses for first line management or administrative positions in a variety of health care settings. The FNP program prepares majors for advanced practice with individuals and families throughout the lifespan and across the health continuum. Both programs are fully accredited by the Commission on Collegiate Nursing Education (CCNE), the accrediting body of the American Association of Colleges of Nursing (AACN). Bradley University also offers the Doctor of Nursing Practice (DNP) degree in FNP or Leadership in an online format. The goal of the DNP-Leadership program is to prepare advance practice nurses with leadership skills to plan and implement innovative healthcare technologies, enhance understanding of nursing personnel management and education, and prepare for advanced leadership roles in administration, teaching, research and patient care.

**Carle Foundation Hospital**, Urbana, IL  
www.carle.org  
Carle Foundation Hospital is a 413-bed Level I Trauma Center and offers Level III perinatal services. Carle is ranked as one of America’s 50 Best Hospitals by HealthGrades, a Best Hospital by U.S. News and World Report, and has achieved Magnet® designation, the nation’s highest honor for nursing care.

**Community Health Care Clinic**, Normal, IL  
www.chcchealth.org  
The Community Health Care Clinic is the only free medical clinic in McLean County building a foundation for healthcare access through affordable quality healthcare.

**Evenglow Lodge**, Pontiac, IL  
www.evenglowlodge.org  
Evenglow Lodge is a faith-based, not-for-profit organization whose mission is: offering a continuum of retirement choices and services in a Christian environment. Nurses at Evenglow are challenged everyday with meeting the needs of residents from post-acute care and rehabilitation to restorative programs to supporting each resident’s independence. Families, residents, doctors and medical facilities depend on the professional assessment skills of Evenglow nurses and their in-depth knowledge of residents to help them make effective medical choices. At Evenglow nursing takes talent!

**FHN Memorial Hospital**, Freeport, IL  
www.fhn.org  
FHN, a not-for-profit organization with nearly 1,400 employees, is an award-winning regional healthcare system committed to the health and well-being of the people of northwest Illinois and southern Wisconsin. FHN Memorial Hospital has been recognized as one of the state’s top hospitals for safety by the Leapfrog group and Healthgrades as well as by the world’s largest, completely independent, non-profit product- and service-testing organization. FHN caregivers serve an average of 1,500 people each day across FHN’s 22 locations in 5 counties spanning northwest Illinois. Organized in 1995 as an integrated healthcare delivery system, FHN is comprised of FHN Memorial Hospital, the Leonard C. Ferguson Cancer Center at FHN Memorial Hospital, 13 family healthcare centers offering primary and specialty medical care, hospice, and outpatient mental health services. For more information about FHN, please visit www.fhn.org.
Girl Scouts of Central Illinois, Bloomington, IL
www.getyourgirlpower.org
Girl Scouts of Central Illinois summer camps create girls of courage, confidence, and character who make the world a better place. We hire seasonal nurses every summer to keep campers healthy and happy. We also hire a wide variety of other camp positions including counselors, horseback riding instructors, food service staff, administrative staff, lifeguards, and more.

Heritage Operations Group, Bloomington, IL
www.heritageofcare.org
Heritage Operations Group owns and manages a multitude of senior care facilities throughout Illinois, with one facility in Indianapolis. We offer a wide array of services for seniors in our communities so they can depend on us, regardless of the specific type of care needed. Whether you start your career as a cook, Certified Nursing Assistant, or a licensed nurse, we want more for you and we want to help you get there. When you become part of the Heritage team, you become family. Enhance your skills and help make a difference in seniors’ lives today!

Hopedale Medical Complex, Hopedale, IL
https://www.hopedalemc.com/home
On May 8, 1955, Dr. Lawrence J. Rossi, Sr. opened Hopedale Hospital with the help of dozens of hardworking area farmers, generous local citizens, and volunteers. Over a half-century later, Dr. Rossi’s dream lives on. Hopedale Hospital, which began with only 20 beds, has blossomed into nearly a 200-bed continuum-of-care facility. The Hopedale Medical Complex (HMC) is now staffed by 300 dedicated employees and healthcare professionals. HMC includes a 25-bed acute care hospital, 54-bed nursing home, 70-bed assisted and independent living facility, 34,000 square foot Wellness Center, the Midwest Vascular Institute, and four satellite doctor’s offices in area towns.

The non-profit Hopedale Medical Foundation, which owns and operates HMC, proudly serves 20,000 patients a year in southern Tazewell, Mason, McLean, and Logan counties. Located a short distance from Peoria and Bloomington, HMC offers a wide variety of quality healthcare services from skilled physicians who practice both primary care and surgery. Hopedale Medical Complex offers virtually the same services as many larger, city hospitals, including: a 24-hour emergency room, Intensive Care Unit (ICU), general and vascular surgery departments, orthopedic surgery, physical therapy and rehabilitation services, sports medicine, mammography, open magnetic imaging resonance (MRI), computed tomography scanning (CT), and many of the new innovative technologies needed for modern medicine.

HSHS - Central Illinois Division, Springfield, IL
www.hshs.org
HSHS Central Illinois Division: HSHS Good Shepherd Hospital - Shelbyville, IL; HSHS St. Francis Hospital - Litchfield, IL; HSHS St. John’s Hospital - Springfield, IL; HSHS St. Mary’s Hospital - Decatur, IL. Since 1875, the Hospital Sisters of St. Francis have been caring for patients in Illinois, Wisconsin and other locations in the United States and across the world. Today, Hospital Sisters Health System (HSHS) is a multi-institutional health care system that cares for patients in 14 communities in Illinois and Wisconsin. With 15 hospitals, scores of community-based health centers and clinics, nearly 2,300 physician partners, and more than 14,600 colleagues, HSHS is committed to its mission “to reveal and embody Christ’s healing love for all people through our high quality Franciscan health care ministry.”

HSHS continues to advance its mission through its care integration strategy by working closely with physician partners in Illinois and Wisconsin to deliver high quality, patient-centered care. Together, we strive to ensure each patient who enters our system has seamless access to health and wellness programs, primary and specialty care, and acute and post-acute care.
Through their commitment to our care integration strategy, HSHS physician partners coordinate closely with our hospital and clinic colleagues to provide our patients with holistic care that meets their individual needs.

By leveraging the latest technology, emphasizing the importance of relationships, and living its values, HSHS is making a positive difference in the lives of the patients and families it is privileged to serve.

Illinois Department of Corrections, Springfield, IL
www.work.illinois.gov
The Illinois Department of Corrections has a variety of positions available in the field of nursing and healthcare at various locations throughout the state of Illinois. The State offers its employees a comprehensive health and dental program along with a wide array of supplemental insurance programs. In addition to health and dental insurance programs, state
employees are offered a pension program. State employees also have other benefits such as holidays, maternity leave and sick leave.

**Illinois Department of Human Services-Division of Mental Health**, Alton, IL  
[www.dhs.state.il.us](http://www.dhs.state.il.us)  
As the State Mental Health Authority, the DMH is responsible for assuring that children, adolescents and adults throughout Illinois have the availability of and access to public-funded mental health services for those who are diagnosed with a mental illness or emotional disturbance and an impaired level of functioning based on a mental health assessment. Service delivery in DMH is provided within five geographically organized service regions, various community mental health centers/agencies and seven state-operated hospitals, the latter containing both civil and forensic beds. The DMH also provides statutorily required treatment services for sexually violent persons through its Treatment and Detention Facility.

**Illinois State University Mennonite College of Nursing**, Normal, IL  
[www.nursing.illinoisstate.edu](http://www.nursing.illinoisstate.edu)

Trinity College of Nursing and Health Sciences, Rock Island, IL
www.trinitycollegeqc.edu
With a presence in the Quad Cities for more than 100 years, Trinity College of Nursing & Health Sciences has become the community leader in developing experienced and knowledgeable health professionals. We currently offer four academic degree programs:

Bachelor of Science in Nursing
Bachelor of Science in Health Sciences
Associate of Applied Science in Radiography
Associate of Applied Science in Respiratory Care
Master of Science in Nursing

Our academic programs are well-respected and focus on the development of the critical thinking and practical skills necessary for entry into today's fast-changing health care environment. Through our affiliation with Trinity Regional Health System, our students are able to work with some of the most technologically advanced equipment in the medical field, in both simulated and clinical settings. Our dedicated faculty and staff work closely with other area health care professionals, bringing a collaborative and holistic approach to the curriculum.

The College's long history of integration and passion for community health care demonstrates our responsiveness to the changing health care needs of the region. Our origins can be traced back to 1898 when health care was much different than it is today. As the College has grown over the years we have developed innovative teaching strategies using cutting-edge technologies to prepare health care professionals for the dynamic health care environment.

UIC College of Nursing, Peoria, IL
www.nursing.uic.edu
The Greater Peoria Economic Development Council reports healthcare is the largest employment sector in the region, with 29,731 people employed at 708 healthcare organizations—25% above the national average. But why choose UIC Nursing for your next credential? Not only are our graduate programs ranked among the best in the nation, and not only have we built strong partnerships with community and healthcare agencies since we were founded in 1972, but our Peoria Campus offers unique opportunities for vital interprofessional collaboration in teaching, education and research with the UIC College of Medicine, which is also on the Peoria Campus.

UnityPoint Health Methodist Proctor Pekin, Peoria, IL
www.unitypoint.org
UnityPoint Health is one of the nation’s most integrated health systems. We have a vision for health care, and it starts with you: "Best outcome for every patient, every time." Through relationships with more than 280 physician clinics, 29 hospitals in metropolitan and rural communities, and home care services throughout its 8 regions, UnityPoint Health provides care throughout Illinois and Iowa. We surround you with care that is coordinated between your doctor’s office, hospital and in your home.

University of Iowa Hospitals and Clinics, Iowa City, IA
www.uihealthcare.com
We are very proud of Nursing at Iowa. Whether it is our excellence in patient- and family-centered care, our dedication to innovation and research, our designation as a Magnet® hospital, or our commitment to supporting the work-life balance of our staff—nursing at Iowa is second to none. Our nurses provide high quality patient and family centered care in a dynamic and rewarding academic environment where we support the health and well-being of our patients as well as our nursing staff. Learn more about our professional goals and how we empower nurses in the pursuit of excellence.
