### TITAN ALUMNI ADVICE FOR CURRENT STUDENTS

- **“Get involved, take a variety of classes and get an internship. This will help you find what you want to do and what you are passionate about. The connections and contacts will help you when you are looking for a job in the future.”**

- **“The single most beneficial way to make the most of your IWU education is to get off campus, get in the community, and put your academic learning into action.”**

- **“The biggest suggestion I can give is to visit the Career Center early and often. I would recommend taking advantage of every opportunity to interview with companies that come on campus. It is one of the reasons I landed my job because of interviewing with countless companies I became very comfortable with the interview process.”**

- **“Get as involved as you can at IWU. College is all about finding a balance between classes, extracurricular activities, and social events. All of them played a huge role in my education.”**

- **“Work hard and play hard. It is important to do internships and homework because it will open up many opportunities at graduation. It is also important to be able to look back on the past 4 years and say, ‘Wow! That was fun.’ Finding the balance is the way to make the most out of IWU.”**
