Evelyn Chapel

Change in fees effective for weddings scheduled after 10 February 2010.

Change in time blocks for weddings is effective for weddings scheduled 2011 and following

Revised: 2 February 2010

Availability:
Evelyn Chapel is available for weddings primarily to members of the University community (students, faculty, staff, and alumni) and secondarily to those with no University affiliation.

Application Process:
To reserve the Chapel for a wedding, the couple must complete the attached application form and return it to the Chapel office, along with the appropriate fees. Please provide us with all information requested on the forms, especially the important details (i.e., couple's addresses, clergy, etc.). Reservations are not final until completed forms and fee(s) are filed and confirmed in writing by the Office of the University Chaplain or the Registrar's Office. Do not make any firm plans until your reservation is confirmed in writing! Due to the large number of weddings and other services at the Chapel, it is important to obtain a reservation as early as possible. The Chapel reserves the right to refuse a wedding application because scheduling conflicts or other reasons at the discretion of the University Chaplain. All questions may be addressed to the University Chaplain.

Application Deadline:
Applications will not be accepted less than one month prior to your requested date, and will be booked based upon availability of space and clergy. Most clergy require an advance booking of at least six months, in order to arrange pre-marital conversations.

Clergy:
All weddings in the Chapel must be of a religious nature; therefore, civil ceremonies involving a Justice of the Peace are not permitted. Weddings must be performed by the University Chaplain or by other clergy who are fully ordained and in good standing within their denomination. Visiting clergy must provide their own vestments and any other liturgically related items (i.e., chalice and paten for communion). The University Chaplain requires appointments for pre-marital conversations before she is committed to performing the ceremony. These meetings should begin at least six months prior to the intended wedding date.
Legality:
The couple must meet all the requirements of the State of Illinois and supply the officiating clergy with the Marriage License. It is wise to bring the License to the Chapel at the time of the rehearsal or earlier. Officiating clergy who are not residents of Illinois need to contact the appropriate representative in Illinois regarding the requirements for out-of-state clergy who are conducting weddings in Illinois.

Schedule: This updated information is effective for weddings scheduled for 2011 and following
Three hours will be reserved for each wedding. Weddings may be scheduled for the following block of times:

- Weekdays: 5:00 p.m. to 8:00 p.m.
- Saturdays: 10:00 a.m. to 1:00 p.m.
- 2:00 p.m. to 5:00 p.m.
- 6:00 p.m. to 9:00 p.m.
- Sundays: 2:00 p.m. to 5:00 p.m.
- 6:00 p.m. to 9:00 p.m.

Rehearsals may be scheduled to begin between the hours of 5:00 p.m. and 8:00 p.m. on weekdays. One hour will be reserved for the rehearsal. OFFICIATING CLERGY MUST BE IN ATTENDANCE FOR THE REHEARSAL.

University and religious events have priority over the scheduling of weddings and rehearsals. For instance, reservations are not made for Orientation/Registration weekend in late August/early September, Family Weekend in late September, Homecoming Weekend in October, Alumni/Commencement weekend in May, as well as through Holy Week and the University winter intersession in December.

Wedding Facilities Coordinator:
The Wedding Facilities Coordinator will be on hand at both your rehearsal and wedding ceremony. She will be able to answer questions you may have and help with last minute details. She is also responsible for aiding in the processional and minor clean up following the ceremony.

The location of the pews and/or altar may not be changed. The set up of the Chancel (i.e., altar area) may not be changed. The Chancel contains the altar, lectern, and piano. The space is small so we ask all wedding parties to plan accordingly.

Adhesive tape and tacks may not be used to hang pew markers or ribbons. Please inform your florist. Decorations shall be kept at a minimum in order to preserve the beauty of the Chapel. The Wedding Facilities Coordinator will be present during the rehearsal and ceremony, and will be able to answer your questions about decoration of the space.

Only non-flash pictures taken from the back of the Chapel or the balcony are permitted during the ceremony, subject to the approval of the officiating clergy. Videotaping is permitted ONLY WITH THE EXPRESS PERMISSION OF THE OFFICIATING CLERGY and following the same guidelines of decorum required for still photographs. Please inform those working for you, as well as guests, of these rules.
