### OUTDOOR CEREMONY

---

Chair seating (no bleachers) is provided in the Eckley Quadrangle (#9 on the map) for graduates, faculty and guests. Seating is on a first-come basis and, while we make sincere efforts to accommodate guests, we cannot guarantee clear lines of sight to the Commencement Platform. All guests should be seated by 12:15 p.m. Tickets are not required for the outdoor ceremony.

A large-screen simulcast of the ceremony will be available in the Hansen Student Center, 300 Beecher Street, (#13 on the map) for those who do not wish to sit outside.

Assessment of the local weather situation is made at 9:00 a.m. You may call the Main Desk at (309) 556-1000 after 9 a.m. on April 30 if you have questions regarding where the ceremony will be held. If further review is required, a final determination is made at 11 a.m. Although we traditionally schedule an outdoor ceremony, even in light rain and cool temperatures, we strongly encourage guests to be prepared for both an outdoor and indoor ceremony.

### INDOOR CEREMONY

---

If heavy rains or weather alerts require the ceremony to be held in the Shirk Center, 302 E. Emerson Street, (#31 on the map), please note that seating in the Performance Arena is *very limited* and consists primarily of bleacher seats. Guests who wish to be seated in the Arena must have tickets in order to gain entrance to the ceremony. Four tickets are enclosed in this mailing to the family of the graduate; the student mailing does not include any tickets.

The doors to the Performance Arena will open at 11 a.m. for ticket-taking and seating. All unoccu-

ped seats will be released at 12:15 p.m. for general seating.

Guests who do not have tickets may view the ceremony on a large-screen remote simulcast in the Shirk Center Practice Gym, located next to the Performance Arena, and the Hansen Student Center (#13 on the map), located south of the Shirk Center.

Graduating seniors will receive a separate email regarding many of the graduation details that pertain to their participation.

### PARKING

---

Convenient parking lots are located on Empire Street, University Avenue, Beecher Street and at the Shirk Center (see map). Commencement guests may park in any area of the University parking lots except for those designated as disabled or loading zones.

### FOR THOSE WHO NEED ASSISTANCE

---

Guests who need a wheelchair should contact Central Illinois Medical Equipment at 309-827-3459 for rental arrangements. A few wheelchairs will be available at Commencement, courtesy of the University, but they are reserved for emergency use.

#### Outdoor Ceremony:

A drop-off spot is available at the Holmes Hall parking lot on Park Street (see map). Greeters in golf carts will meet guests who need assistance and deliver them to the Quad, where seating is available near the Commencement stage or in general lawn chair seating, which can be accessed via sidewalks.

#### Indoor Ceremony:

A drop-off spot is available in the Shirk Center parking lot (see map) which is near the lower level entry to the Performance Arena. Guests must have a ticket in order to be seated in the Performance Arena. Wheelchair accessible

spaces will be located on the floor of the Arena (behind the reserved graduate and faculty seating) and on the balcony level. An elevator is located in the building to reach the balcony level. Because non-bleacher space is extremely limited, seating in these areas is available only to guests needing assistance or wheelchair seating; other family members will not be able to sit in the non-bleacher seating sections. The front rows of the bleachers also provide seating for those who cannot climb the bleacher steps.

### PHOTOS

---

During the awarding of degrees, a professional photograph will be taken of each graduate as the diploma is presented and as the graduate leaves the stage. The photo studio, Chappell Studio, will mail free color proofs to the student's home address, along with information regarding purchase of photos. Families and friends are welcome to photograph during the ceremony, but we ask that they be considerate of other guests by not blocking their view of the ceremony.

### DIPLOMA FRAME
