

## ILLINOIS WESLEYAN UNIVERSITY

### Ninth Semester Tuition Reduction Policy

The ninth semester tuition reduction is intended for teacher licensure candidates who have completed all graduation and licensure course requirements (with the exception of student teaching and the seminar) within eight full-time semesters, or the equivalent, of attending IWU. Transfer students who have completed the equivalent of eight full-time semesters with a minimum of four full-time semesters at IWU are also eligible for the tuition reduction. The application **deadline** is **April 15** of the senior year. Please submit completed applications to the Assistant Director of Teacher Licensure, **Ben Wells, CLA 345**.

Candidates who do not meet the above requirements, including those who require coursework after student teaching, may be considered for the ninth semester tuition reduction upon submission of a petition and supporting documentation. Candidate petitions will only be considered when a minimum of eight full-time semesters, or the equivalent, have been completed and paid at the regular tuition rate, prior to the student teaching semester.

The reduced tuition benefit is available only once. If additional coursework is necessary after the ninth semester, including a repeat semester of student teaching, the candidate will be billed at the regular tuition rate.

The reduction received in tuition amounts to paying for *one* unit of course credit rather than *four* units, after registering for student teaching and the seminar. Candidates receiving financial assistance should contact the financial aid office early in the senior year.

Please note the following stipulation:

1. If the ninth semester tuition reduction is accepted, the candidate is not eligible for any additional financial aid.
