We wish to share with you the following information regarding new faculty and staff. Below is an alphabetical listing of staff who have joined us since our last meeting in August of 2012 and of faculty who are joining us this academic year.

Anderson, Candy – Assistant Athletic Trainer, Athletic Department
B.S. Eureka College, M.S. University of Tennessee at Chattanooga
Prior to joining Illinois Wesleyan in May, Candy spent three years at Indiana State University as an assistant athletic trainer working with the women’s soccer and men’s baseball programs. She also worked for two years at Michigan State University as a staff intern working with the football program. Candy enjoys cooking, baking, playing volleyball, running, socializing with friends and family, attending church and enjoying the small and large blessings in life. She also has a twin sister, Carrie. Candy belongs to the American Heart Association and the National Athletic Trainers Organization.

Armstrong, Christina – Staff Counselor/Outreach Coordinator, Counseling and Consultation Services
B.S. Millikin University, M.S. University of Illinois, Champaign
Earlier this month, Christina was welcomed to Illinois Wesleyan. For the past six years, Christina worked as a therapist for the adult inpatient psychiatric services at Advocate BroMenn Hospital, specifically working with the bariatric program. She has also worked at OSF St. Francis Medical Center – Emergency Department working with individuals in crisis. Christina provided counseling for polysubstance abuse, sexual assault, domestic violence and end of life decisions. She is married with 20-month old twin girls and thoroughly enjoys playing with them. Christina also enjoys spending time with family and friends, participating in gymnastics, playing softball, and attending sporting events. She is a member of the National Association of Social Workers.

Alvis, Lisa - Applications Data Processing Coordinator, Admissions
B.S. Illinois State University
Lisa began her new duties in the Admissions department in September. She previously worked as a teacher in the Unit 5 schools, and worked at her church as a keyboardist for over twenty years. Lisa lives in Normal with her 13 and 15 year old daughters. She enjoys going to the movies with her girls and playing the piano. Lisa says she loves her church family at Our Saviour Lutheran Church where she serves as a women’s group leader.

Blumberg, James - Director, Physical Plant
B.S. University of Toledo
James came to IWU from Monroe County Community College in Monroe, Michigan where he was the director of the physical plant. He earned his B.S. degree in chemical engineering and is a Certified Plant Engineer. He spent eleven years in Washington DC managing various commercial and industrial facilities. James and his wife Missy have four daughters and one son. He enjoys running, reading, gardening, hiking and playing board games with his family. He is a member of MENSA, the American Society of Heating, Refrigeration and Air-condition Engineers, and the Association of Facilities Engineers.

Boris, Elaine – Database Administrator, Information Technology Services

Elaine was welcomed to Illinois Wesleyan earlier this month. Her work history includes; eight years working as a computer programmer and services specialist at the University of Georgia, and four years at the Georgia Board of Regents, helping to implement Banner and Oracle at thirty-two Georgia system schools. Most recently she worked for SCT/SunGardhe/Ellucian, as an Oracle database administrator and provided technical support for the Banner program. Elaine and her husband Brad enjoy spending time with their dogs. Her interests include dog agility and gardening. Elaine is a member of the Oconee River Kennel Club.
Bode, Robert - Visiting Assistant Professor of Biology
B.S. Hope College, Ph.D. Cornell University
Robert (Biologist ecologia) is native to the Adirondack mountains of New York, but has been found as a transplanted ornamental in several other cities such as Holland, MI (at Hope College), Ithaca, NY (Cornell University), Buffalo, NY (Canisius College) and Bloomington IL. This species grows about 6 feet tall, and can often be found running, foraging for fish, or reading, when not found in a classroom or a field. When found in the field, it often grows with Solidago altissima and other old-field asters, which it researches. When found in a classroom, Biologist ecologia is usually seen teaching introductory ecology and plant/fungal diversity.

Boyce, Crystal - Assistant Professor in Ames Library
B.S. College of William & Mary, M.L.I.S. Florida State University
Crystal Boyce will join IWU as the new Science Librarian at Ames Library. Crystal recently completed her Masters of Library and Information Science at Florida State University. As an undergrad at the College of William & Mary, Crystal majored in kinesiology and sociology, taking coursework in chemistry, biology, psychology, physics, and geology in addition to general coursework. Crystal, her husband Robert, daughter Aurora, and two dogs are excited to start their new lives in Bloomington and join the faculty and staff at IWU.

Brinkman, Brenna - Custodian, Physical Plant
Brenna spent several months working at IWU through a temporary agency before being hired as a full-time custodian in November. For many years, she worked in retail. She is a single parent of two daughters, ages 22 and 17 and a 20 year old son. Brenna enjoys spending time with her family, drag racing, reading, bowling and traveling.

Flores-Rodriguez, Daynali - Assistant Professor of Hispanic Studies
M.A. and Ph.D. University of Illinois
Daynali Flores Rodriguez has a doctoral degree in Comparative Literature from the University of Illinois at Urbana-Champaign. Her research explores ideas about power, violence, and oppression and their relationship to cultural identity in Caribbean, Latin American, and Latino communities. In addition to her academic publications, she has translated several popular children titles such as *Dora the Explorer* and Karen Katz's books into Spanish. She and her high school sweetheart Julio have two daughters: Alani and Alice. As a curious fact, she delivered her two daughters with the help of a former IWU nursing professor and now certified nurse midwife in Puerto Rico: Irene de la Torre.

Furlong, Ellen - Assistant Professor of Psychology
M.A. and Ph.D. The Ohio State University
After completing an undergraduate degree in math at Transylvania University, Ellen attended The Ohio State University where she studied comparative psychology. While in graduate school she explored how early environment affects cognition in chimpanzees (with Dr. Sally Boysen), how culture shapes cognition in children (with Dr. John Opfer), and how cognition can shape social behavior of human adults, children, and orangutans (with Drs. John Opfer and Dawn Kitchen). During her time in graduate school Ellen suffered a bit of an identity crisis -- she loved both teaching and research and was unsure which track to pursue. She therefore spent two years focusing on teaching as a lecturer at OSU, teaching introductory psychology online, research methods, and statistics. After spending time teaching for a couple years, Ellen switched to focus on research; she earned a three-year NIH postdoctoral fellowship to study economic decision-making in monkeys under the guidance of Dr. Laurie Santos at Yale University. At the end of her postdoc Ellen realized she still loved both teaching and research, and was therefore delighted to find IWU! Ellen will be teaching cognitive psychology and her research lab at IWU will study the cognitive foundations of decision-making in humans, monkeys, and dogs.

Fulwiley, Tierra - Custodian, Physical Plant
In November, Tierra joined the Illinois Wesleyan community. She was a stay-at-home-mom and upon returning to the work force Tierra went to work for the Putting Illinois to Work Program. Tierra enjoys spending time with her children and family. She also enjoys doing hair.
