

Student Non-Filer Form

2023-2024

Your application was selected for review in a process called "Verification." In this process, the Financial Aid Office will be comparing information from your FAFSA application with your 2021 W-2 forms and any other requested financial documents. The law says the Financial Aid Office has the right to ask you for this information before awarding Federal aid. If there are differences between your application information and your financial information, the Financial Aid Office may need to make corrections electronically to your FAFSA application.

What you should do:

1. Collect copies of your 2021 W-2's.
2. Complete and sign this form—the student must sign this form.
3. Talk to your financial aid administrator if you have questions about completing this form.
4. Submit the completed form and all W-2's to the Financial Aid Office.
