Banner Web Time Entry is the new process for student workers to enter Timesheets through the Banner Employee Self-Service (ESS) portal. The monthly pay cycle remains the same. Here are instructions with screenshots, or you can jump to the **Quick Guide**.

## What's new?

- Students will Clock In and Clock Out for each shift using Banner Employee Self-Service (ESS) portal.
- Ability to include comments with Timesheet entries.
- Ability to view the status of your Timesheet as it routes through approval to processing.
- Previous Timesheets submitted via WTE will be viewable through Student Employee Self Service.
- Automated routing to supervisors for review, return for correction and approval.
- Automated reminders through Banner Communication Management will remind students and supervisors of pending deadlines if Timesheets are not complete or approved.
- Supervisors will be able to assign proxies in their absence to review and approve Timesheets.
- Time can be entered and approved from any web enabled device.

### <u>Roles</u>

#### **Student Employees**

Student Workers will utilize this system to report time on a monthly basis during the academic year. Timesheets must be completed by 12 noon on the 2<sup>nd</sup> of the month following the end of pay period.

Hours worked outside the academic year (summer) will be reported on a bi-weekly basis. Timesheets must be completed by 12 noon of the Monday following the end of the pay period.

#### Approver

The supervisor is the approver. The approver has the ability to update, change, return, or approve the Timesheet submitted by their employee(s). The approver is responsible for approving all of their employees' Timesheets by 5:00p.m. of the 3<sup>rd</sup> day of the month following end of pay period.

Hours worked outside the academic year (summer) will be reported on a bi-weekly basis. Timesheets must be approved by 5:00 p.m. of the Monday following the end of the pay period.

Each Timesheet should be reviewed in detail, making sure that the time submitted is correct. The Timesheet needs to be approved (and if necessary, corrections made and communicated) prior to the payroll deadlines. Employees cannot approve their own Timesheets.

#### Proxy

A proxy is an individual designated by the approver in the Employee Self Service system to act on the approver's behalf to update, change, return, or approve the Timesheet submitted by their employee(s). If you have been designated as a proxy for an approver, you will be able to modify, return, and approve Timesheets on behalf of that approver. An employee cannot be assigned as a proxy to approve their own Timesheet. Details on assigning and acting as a proxy will be found later in this document.

#### **Responsibilities**

#### **Employee Responsibilities**

- 1. Record accurate hours and days on your Timesheet as stated under the Roles of Student Employees on page 1.
- 2. Review your Timesheet for accuracy before submitting it for approval.
- 3. Ensure Timesheet reflects total hours worked.

#### **Approver Responsibilities**

- 1. Verify timely submission of all your employees' Timesheets.
- 2. Notify employees that they need to submit the Timesheet, when they have not done so.
- 3. Review all submitted Timesheets in detail. It is the responsibility of the approver to verify the employee has accurately entered the hours in accordance with University policy.
- 4. When corrections are necessary:
  - a. Prior to 5:00 p.m. of the 3<sup>rd</sup> day of the month following the end of the pay period, return a Timesheet with errors to employee(s) for correction.
     (Employee(s) will receive an email generated by Banner Communication

Management from IWU Payroll notifying them you have returned their Timesheet.)

- b. Add a comment explaining why the Timesheet is being returned. (A comment is required.)
- c. If an error is discovered after 5:00 p.m. of the 3<sup>rd</sup> day of the month, contact the Payroll department for instructions on correcting the error.
- 5. If desired, add comments on the Preview screen of an employee's Timesheet before approving.
- 6. Approve all Timesheets individually, prior to 5:00 p.m. of the 3<sup>rd</sup> day of the month. Reviewing them as soon as they are available will give the supervisor and student employee the time to make any necessary corrections.
- 7. If you will be unable to approve the Timesheet, designate a proxy to perform your responsibility in your absence. proxies can be designated; an employee may never be designated as their own proxy.
- 8. Proxy functionality is dependent upon security settings. Please have the proxy confirm they can see Timesheets in ESS. If the proxy cannot see your employees' Timesheets, contact Human Resources.

#### **Proxy Responsibilities**

- 1. Understand the required steps to approving Timesheets and related policies.
- 2. Assume the role and responsibilities of 'acting as approver' when designated by the approver.

### **Timeframes and Deadlines**

Employees must submit their Timesheet to their approver by 12 noon of the 2<sup>nd</sup> day of the month following the end of pay period during the academic year. Hours worked outside the academic year (summer) will be reported on a bi-weekly basis. Summer Timesheets must be completed by 12 noon of the Monday following the end of the pay period.

Supervisors or their proxies are responsible for final approval of the Timesheet by 5:00 p.m. of the 3<sup>rd</sup> day of the month following the end of the pay period during the academic year. Hours worked outside the academic year (summer) will be reported on a bi-weekly basis. **Summer** Timesheets must be approved by 5:00 p.m. of the Monday following the end of the pay period.
