NATIONAL PANHELLENIC CONFERENCE INSIGNIA

The shield is a protective influence for our entire membership.

A lamp denotes leadership, scholarship and enlightenment.

The laurel wreath signifies victory, or achievement of ideals.

While the sword piercing the wreath indicates willingness to fight for ideals, symbolizing, too, penalty of obligation; also bravery, achievement and discipline.

The mantling surrounding the shield is the protecting cloak that education gives us, and a protective influence of organization.

Thus there in the mantle is inscribed the name of the National Panhellenic Conference.

(Adopted at the 1957 Biennial Session)
THE PANHELLENIC CREED

*We, as Undergraduate Members* of women’s fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

*We, as Fraternity Women*, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.
THIS WE BELIEVE

Fraternity
Fraternity is a social experience based on the fundamental right of a free people to form voluntary associations. It is one of the enrichments of college life.

Mutual choice
The young woman who wants a fraternity experience will find it possible to belong on most campuses today. Fraternity membership is a social experience arrived at by mutual choice and selection. Fraternity membership is by invitation.

Fraternities exist because they:
- Provide a good democratic social experience.
- Give value beyond college years.
- Create, through their ideals, an ever-widening circle of service beyond the membership.
- Develop the individual's potential through leadership opportunities and group effort.
- Fill the need of belonging.

Fraternities continue because:
- Young women feel a continuing need to belong.
- Parents appreciate fraternity values and standards and cooperate to make membership possible.
- College administrations, recognizing the values of fraternities, continue to welcome them on their campuses and to invite them to establish new chapters.
THE NATIONAL PANHELLENIC CONFERENCE

The National Panhellenic Conference is an organization composed of 26 inter/national women’s Greek-letter fraternities. Each member group is an autonomous social organization consisting of women who are college and university, undergraduates and alumnae.

Purpose of NPC
The National Panhellenic Conference was established to assist collegiate and alumnae chapters of the NPC member groups to cooperate with colleges and universities and foster interfraternal relationships.

Mission Statement of NPC
Resolved (2005), That the National Panhellenic Conference exists to promote the values of and to serve as an advocate for its member groups in collaboration with those members, campuses and communities.

Vision Statement of NPC
Resolved (2005), That the National Panhellenic Conference will be the premier advocacy and support organization for its members, member groups, College and Alumnae Panhellenics and a proponent of women’s fraternity membership.

Functions of NPC
In 1988, the 26 member groups affirmed the concept that the National Panhellenic Conference continue to operate as a conference.

Each NPC member group is equally represented by a delegate and up to three alternate delegates. Each member group is allowed one vote, and the delegate casts this vote. The delegate acts as liaison between her fraternity and the other NPC groups. In order to conduct business, this delegate body meets annually. The delegates function year-round as members of NPC committees, the largest of which are the Alumnae Panhellenics Committee and the College Panhellenics Committee.

The officers of the Conference (chairman, treasurer and secretary) are members of the delegate body. They serve in an established order of fraternity rotation — first as secretary, next as treasurer and finally as chairman. Each position is a two-year term. The Alumnae Panhellenics Committee chairman and the College Panhellenics Committee chairman are appointed by the NPC chairman and serve as nonvoting members of the Executive Committee.

Powers of NPC
The National Panhellenic Conference is a conference body that adopts resolutions in order to govern its own internal operation. Through such resolutions have come the Unanimous Agreements of the Conference. In order for a resolution to become a Unanimous Agreement, each delegate must vote in the affirmative followed by the ratification by each inter/national president.
Because the Unanimous Agreements have been ratified, all NPC member groups must follow them until they are amended or rescinded. Alumnae and College Panhellenics are also required to follow the Unanimous Agreements. NPC cannot breach in any way the rights and powers of the member fraternities except as provided in the Unanimous Agreements.

The National Panhellenic Conference formulates policies on matters of mutual interest and concern and studies changing educational outlooks. Through discussions, panels and special programs at annual meetings, the Conference contributes to interfraternal understanding and friendship.

History of NPC

The National Panhellenic Conference evolved gradually through a cooperative spirit among women’s fraternities. As early as 1891, Kappa Kappa Gamma invited all Greek-letter women’s collegiate fraternities (there were seven at the time) to a meeting in Boston on April 16 and 17. The groups discussed interfraternity courtesy, fraternity jewelry and stationery and fraternity/sorority journalism. A second meeting was planned for 1893 at the Chicago World’s Fair, and although some representatives were there, no records exist of the session.

Early histories of women’s fraternities contain accounts of “rushing and pledging agreements” or “compacts” among fraternities on various campuses, and also many stories of cooperation and mutual assistance. However, no actual Panhellenic organization existed and no uniform practices were observed. By 1902, it was obvious that some standards were needed; therefore, Alpha Phi invited Pi Beta Phi, Kappa Alpha Theta, Kappa Kappa Gamma, Delta Gamma, Gamma Phi Beta, Delta Delta Delta, Alpha Chi Omega and Chi Omega to a conference in Chicago on May 24. Although Alpha Chi Omega and Chi Omega were not able to send delegates to this meeting, the session resulted in the organization of the first interfraternity association and the first intergroup organization on college campuses. (The North-American Interfraternity Conference for men’s fraternities was organized in 1909.)

This meeting and the next few resulted in several mutual agreements, especially regarding pledging. Up to this time no guidelines had been set, and women could be pledged to groups before enrolling in college and even belong to more than one group.

First called the Interfraternity Conference, the organization has been variously named and renamed the Inter-Sorority Conference (until 1908); the National Panhellenic Conference (until 1911); the National Panhellenic Congress (until 1917); the National Panhellenic Conference (until 1921); the National Panhellenic Congress (until 1945); and finally, the National Panhellenic Conference.

The name change is significant to the NPC philosophy because the organization is a conference, not a congress. It enacts no legislation except for the conduct of its own meetings. Other than the basic Unanimous Agreements that all groups have voted to observe, NPC confines itself to recommendations and advice and acts as a court of final appeal in any College Panhellenic difficulty. One of its greatest services is providing area advisors for College Panhellenics and Alumnae Panhellenics.

The Conference met annually until 1914, when it was voted to have biennial sessions beginning in 1915. While some interim sessions had been held prior to 1971, provision in the constitution was made at that time for the necessary sessions. The Conference voted in
1993 to have an interim session in even-numbered years. In 2008, the Conference voted to change the terminology of biennial and interim sessions to annual meetings. The chairmanship is held in rotation according to each member group’s entrance into NPC.

Requirements for Membership

A women’s fraternity must have been established in its national character for a minimum of 13 years; all of its collegiate chapters must be established in senior colleges and universities authorized to confer bachelor degrees and recognized by the appropriate regional association of colleges and universities; and it must have at least 14 chapters, of which the latest established is at least two years old.

AES Merger With NPC

In 1947, the six member groups of the Association of Education Sororities, organized in 1915, affiliated with the National Panhellenic Conference, thus merging two national Panhellenics serving women’s fraternities. Prior to that time, the AES had served teacher-education colleges exclusively. The growing trend toward general liberal arts institutions resulted in extensive overlapping and led to the merger.

Other women’s fraternities have been admitted to NPC as they met the requirements for membership. Through the years, additional women’s fraternities, now merged with other groups, have been members of NPC.

Philanthropies
Alpha Xi Delta’s founders held the belief our members should think less about self and more about others. For over 116 years, the fraternity has fulfilled this noble tradition by giving service and raising funds to improve the lives of others. Alpha Xi Delta announced in 2009 its philanthropic partnership with Autism Speaks, the world’s largest autism advocacy organization. Alpha Xi Delta college chapters and alumnae associations across the country are committed to raising autism awareness in their communities and fundraising in support of Autism Speaks. In particular, our chapters and associations work to support Autism Speaks’ signature fundraising and awareness event, Walk Now for Autism.

INTERFRATERNAL ORGANIZATIONS
Following the establishment of NPC in 1902 and North-American Interfraternity Conference in 1909, other interfraternity organizations were formed, including those serving collegiate professional and honorary Greek-letter fraternities.

In addition to the National Panhellenic Conference, well-known organizations serving fraternities of college students include:
Association of Fraternity/Sorority Advisors: AFA is an organization of student personnel professionals working with fraternities to offer service to campuses and individuals.

Center for the Study of the College Fraternity: CSCF promotes research related to women’s and men’s fraternities and maintains records and files of relevant research. It is housed at Indiana University.

Executive Directors Association: EDA is composed of the office executives of the member groups of NPC and provides a channel for the exchange of ideas and information pertinent to all executive directors, fostering interfraternity cooperation.

Fraternity Communications Association (formerly the College Fraternity Editors Association): FCA is composed of fraternities and sororities committed to communicating the highest ideals of the fraternity system and its achievements.

Fraternity Executives Association: FEA is an organization composed of the chief administrative officers of the member groups of NIC, NPHC and NPC. Its purpose is to promote, support and encourage the free discussion and exchange of ideas relating to college and university fraternal organizations.

Gamma Sigma Alpha: ΓΣΑ is an organization committed to leadership, academic achievement and excellence of fraternity members.

National Association of Latino Fraternal Organizations, Inc.: NALFO is an umbrella organization for Latino Greek-letter organizations.

National Association of Student Personnel Administrators: NASPA is one of the major professional associations for individuals working in student affairs at colleges and universities. Its membership consists primarily of upper-level administrators.

National Panhellenic Editors Conference: NPEC is composed of the editors of the magazines of NPC member groups who meet annually to exchange information and ideas to further fraternity/sorority journalism.

The National Panhellenic Conference Foundation: The NPC Foundation provides support for the educational programming of the National Panhellenic Conference.

National Pan-Hellenic Council, Inc.: NPHC was organized in May 1930 at Howard University, Washington, D.C. It is composed of nine sororities and fraternities: Alpha Kappa Alpha Sorority, Inc.; Alpha Phi Alpha Fraternity, Inc.; Delta Sigma Theta Sorority, Inc.; Iota Phi Theta Fraternity, Inc.; Kappa Alpha Psi Fraternity, Inc.; Omega Psi Phi Fraternity, Inc.; Phi Beta Sigma Fraternity, Inc.; Sigma Gamma Rho Sorority, Inc.; and Zeta Phi Beta Sorority, Inc. Life-long community service is a commitment of all the members of NPHC. This goal is promoted through national conventions, forums, meetings and other vehicles for the exchange of information and engagement in cooperative programs and other supportive activities.

North-American Interfraternity Conference: NIC is the men’s counterpart to the National Panhellenic Conference. Established in 1909 with 27 charter members, it has grown greatly through the years and now represents more than 65 general college social fraternities for men with chapters on more than 800 campuses and a membership of more than 4.5 million. Its purpose is similar to that of NPC — the exchange of information and experience and the discussion of common problems. Founded as an advisory body, NIC retains that character, although since the 1960s it has functioned as a service organization for its members.
**North-American Interfraternity Foundation**: NIF works cooperatively on behalf of the entire fraternity community, awarding scholarships to deserving undergraduate and graduate students, publishing a newsletter and sponsoring various educational programs for national leaders.

**Order of Omega**: Order of Omega recognizes fraternity men and women who have attained a high standard of leadership in interfraternal activities.

**Professional Fraternity Association**: PFA, organized in 1977, is the result of the consolidation of the Professional Panhellenic Association and the Professional Interfraternity Conference. Membership includes 35 member fraternities representing 17 professional disciplines. The purposes of PFA include the encouragement of scholarship, professional and interfraternity ethics, and cooperation among member fraternities. Local professional interfraternity councils are encouraged on campuses of recognized colleges, universities and professional schools. PFA meets annually in convention, and business is conducted by a board of directors.

**Rho Lambda**: PΛ is a national sorority leadership recognition society that honors Panhellenic women who have exhibited the highest qualities of leadership in Panhellenic and their fraternities.
GREEK ALPHABET

Greek letters have both a Greek and an English pronunciation. Today's fraternities and sororities do not adhere strictly to the pure Greek or the accepted English but often combine the two forms in the same name for the final sound effect rather than phonetic correctness.

UNANIMOUS AGREEMENTS

Basic to the National Panhellenic Conference are the following unanimous agreements, which express the fair play essential to interfraternity activity and that set forth the rights of women’s fraternities as private, voluntary social organizations.

Since 1902, the member groups of NPC have unanimously agreed to pursue certain procedures and ethics that lead to the orderly and equitable conduct of their mutual functions. If one group votes NO, the proposed agreement is not accepted. As a further assurance that all 26 member groups are truly unified in their decisions, the unanimous agreements are ratified by the Inter/National President of each fraternity. Her signature is her fraternity’s pledge that every collegiate and alumna member will abide by and honor the unanimous agreements.

Therefore, each College Panhellenic (or Inter-Sorority Council or the equivalent organization) and Alumnae Panhellenic must incorporate the NPC unanimous agreements into its own procedures and methods of operation (constitution, bylaws and membership recruitment rules). These unanimous agreements are binding on all member fraternities of the National Panhellenic Conference.
UNANIMOUS AGREEMENTS

I. THE PANHELLENIC CREED
We, as Undergraduate members of women’s fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

II. JURISDICTION OF PANHELLENIC ASSOCIATIONS
Panhellenic associations are based on democratic principles and organized to afford cooperation among the women’s fraternities. Panhellenic members shall respect and obey the letter and spirit of all National Panhellenic Conference unanimous agreements. Panhellenic associations’ constitutions and bylaws shall conform to all unanimous agreements.

Reaffirmation that recognition of an NPC College Panhellenic Association is vested in the National Panhellenic Conference by virtue of the membership of individual students in NPC member fraternities.

**Relationship Between a College Panhellenic and a Fraternity/Sorority Council (B-1994, 1996)**
Reaffirmation of Unanimous Agreement, Article VI, College Panhellenic Association Agreement, Section 1A of the Manual of Information, which states, “A College Panhellenic Association shall be established where two or more NPC fraternities have installed undergraduate chapters.” NPC supports a separate Panhellenic Council with its own recruitment process, extension procedure and judicial system; NPC supports the concept of an all-Fraternity/Sorority Council only when it is a forum for discussion and communication among all fraternities and sororities.

**Respect for Diversity of Religious and Cultural Holidays (B-2007)**
All College Panhellenics should make an effort to schedule recruitment or other major Panhellenic events so they do not conflict with religious or cultural holidays.

**Response to Institutions (B-1997)**
Encouragement of member groups to acknowledge information from institutions, to conduct a timely investigation, to take prompt action if the situation warrants and to respond accordingly.

**Right to Wear Badge (B-1971)**
Reminder that fraternity members have the right to wear their badges at all times as symbols of pride in their membership and that they be encouraged to exercise that right.

**Social Conduct (A-8th Ed.)**
Maintenance of high ethical, social and cultural values through recommended programs, daily example of adherence to high standards of conduct and living the Panhellenic Creed; where campus regulations are inadequate, it is recommended that College Panhellenic chapters by mutual agreement establish rules relating to residence and social conduct of their members to illustrate the continuing value of fraternities in a complex college community.
Social Event/Peer Monitoring System (B-1996)
Member groups of NPC are encouraged to advise their members to refrain from serving as Panhellenic or fraternity/sorority enforcement officials at social events.

Student Government (A-8th Ed.)
Representation in student government shall be on the basis of one’s campus citizenship and not on the basis of one’s social affiliation; thus, NPC opposes the use of College Panhellenics as branches of student government.

Unanimous Agreements (B-1965, 1995)
The 26 member fraternities of NPC reaffirm their responsibility of upholding and honoring the Unanimous Agreements and reaffirm their commitment to working together in a spirit of harmony and cooperation.

Unanimous Agreements (B-1998)
Following a two-year study by a review committee, the Unanimous Agreements were revised, and the revisions were approved by the Conference at the 1998 Interim Session.

Workshops (B-1969)
Area advisors are encouraged to develop combined workshops for College Panhellenics on campuses of comparable size and interest.

Workshops (B-1971)
Provision for area conferences to include all College Panhellenics and provide full representation and voice in the undergraduate Panhellenic concerns, material to be prepared under supervision of the College Panhellenics Committee and reports to be sent to this committee for consideration.

MEMBERSHIP RECRUITMENT

Booklets (1993)
The College Panhellenics Committee, working with the NPC editors, will develop guidelines to assist College Panhellenics in the preparation of recruitment booklets that portray the positive aspects of fraternity life.

Chapter Costs (B-1963)
Recommendation to list only the average cost of fraternity membership in College Panhellenic booklets rather than comparative fees, because the variance in items included does not provide accurate information, and the difference in total fees is almost inconsequential.

Counselors (B-1989)
NPC disapproves of the presence of membership recruitment counselors and other designated Panhellenic personnel at membership recruitment events, with the exception of fraternity/sorority advisors and official NPC recruitment observers.

Counselors (B-2010)
By fall 2011, recruitment counselors shall not be involved with any PNMs in the process of completing and signing the MRABA.

Fall Recruitment (B-1983)
Reaffirmation of recommendations for a fall membership recruitment period.

Fees (B-1967)
Limitation of membership recruitment registration fees to a minimum clerical fee.
Informal (B-1964)
Implementation of NPC recommendations for informal recruitment and continuous open bidding to afford the greatest number of women the privilege of fraternity membership.

Intentional Single Preference (B-1989)
The term “suicide” be eliminated from the Panhellenic vocabulary as it applies to collegiate membership recruitment; and the substitute term “intentional single preference” be used.

Letters of Recommendation (B-1992)
The responsibility for providing letters of recommendation for prospective new members rests with the members of NPC fraternities, and recruitment information distributed through College and Alumnae Panhellenics shall contain nothing that infers that letters of recommendation must be secured by the potential new member.
- Individual NPC member groups will clarify this responsibility with their membership.
- NPC area advisors will clarify this responsibility with College and Alumnae Panhellenics.
- Remuneration from the potential new member or her family for any such letter is inappropriate.

Membership Growth (B-1999)
The guidelines for the three membership growth plans were developed and incorporated into a publication titled “From Mini to Mega,” which is referenced in the College Panhellenic Resource Information chapter of this manual.

Panhellenic Officer Disassociation During Recruitment (2003)
Panhellenic officers should be completely “disassociated” from their respective NPC chapters for the period immediately preceding formal recruitment (not to exceed 30 days) and during formal structured recruitment so their actions and decisions support the welfare and best interests of the Panhellenic community.

Incorporation of “no frills” concept. All College Panhellenics and their member chapters shall incorporate the following into their membership recruitment programs as soon as possible:
- Establish guidelines for membership recruitment budgets and set a cap on membership recruitment expenses, including the value of all donated goods and services in the cap figure.
- Eliminate all outside decorations.
- Confine all membership recruitment entertainment within the chapter house or other recruitment facility.
- Evaluate all membership recruitment skits as to length and content.
- Discourage the use of membership recruitment skits at the first round of parties.
- Discourage elaborate costuming and purchase of special membership recruitment outfits.
- Eliminate all gifts, favors, preference letters or notes for potential new members until they have accepted bids.
- Develop conversation and interviewing skills.
- Follow NPC recommendations for release figures.

Guidelines for implementation of this resolution can be found in the College Panhellenic Resource Information chapter of this manual.
**Rules (B-1963)**
Evaluation and simplification of membership recruitment rules, eliminating those impossible to enforce or that may bring criticism and misunderstanding of fraternities.

**Single-Sex Fraternity (B-1998)**
(In accordance with the provisions of Title IX.)
The women’s fraternities of NPC have the right to confine their membership to women, and their right to exist as single-sex organizations shall not be abrogated by any governmental agency or action.

**Voluntary Association (A-9th Ed.) (A-8th Ed.)**
Affirmation of the rights and freedoms basic to the formation and continuation of voluntary associations as guaranteed in the First Amendment of the U.S. Constitution, "... the right of the people peaceably to assemble," and the inherent right to free choice in their association with others.

**Voluntary Association (B-1969)**
Presentation of a united front of solid support for any College Panhellenic member chapter whose attempts to exercise its freedom of association are being attacked.

**TOTAL**

**Options in Determining Total (B-2009)**
Panhellenics will review total annually, and if it is determined total should be revised, after consultation with the NPC area advisor, College Panhellenics can vote to determine total by any one of the following: 1) average chapter size; 2) the median chapter size; 3) the size of the largest chapter and combined with a number that reflects the best adjustment to total to ensure continued growth opportunities, parity, housing obligations, availability of campus facility and vitality of the College Panhellenic community. Campuses with deferred recruitment may review total to allow for a fall recruitment that would assist in establishing parity, using either average chapter or median size, allowing those below the number to recruit upperclass members.

**New Member (B-1981)**
A woman who has fulfilled the requirements for initiation before the expiration of the one-year pledge term, but who has not yet been initiated, is not included in the year’s new quota but is counted in the chapter’s total.

**Quota-Total (A-9th Ed.)**
NPC recommends acceptance of the quota-total system and substitutions of this material for all sections on quota-limitation in publications.

**Off Campus (B-1971)**
Provision that student members off campus for an entire academic year need not be counted on chapter list for total.

**Transfer (B-1977)**
If a chapter is at total and wishes to affiliate a transfer member, it may do so even though the addition of that member will put it over total.

**Vacancies (B-1978)**
Vacancies in chapter total are not created by the granting of alumnae status to undergraduate members except when a member group is recolonizing.
A successful College Panhellenic must be clear in its purpose and be well-organized to achieve its mission and goals.

This section reviews a variety of critical information for College Panhellenics including how to establish and operate a College Panhellenic.
COLLEGE PANHELLENIC ORGANIZATION

OVERVIEW

Membership
A College Panhellenic Association is composed of all members of the NPC women’s fraternities on a campus.

A College Panhellenic Council is the local governing body and is composed of one or more chapter representatives from each NPC women’s fraternity. The College Panhellenic Council is responsible for local Panhellenic operations in accordance with the NPC Unanimous Agreements, policies and procedures.

Resolved (1993)
That all College Panhellenic delegates, officers and committee members shall be in good standing with their member groups, be active participants in the collegiate chapter and shall be enrolled in the institution where the chapter is located.

Organization
Each College Panhellenic establishes its own constitution, bylaws, code of ethics and membership recruitment regulations, working out the details within the framework provided by the NPC Manual of Information. The NPC Unanimous Agreements must be a part of the basic structure, and an effective College Panhellenic will adopt regulations that carry out these provisions and NPC’s policies and procedures. College Panhellenics receive services and resources from the National Panhellenic Conference through the payment of annual dues.

A College Panhellenic is a forum; its effectiveness is determined by the respect given it by member groups and the rest of the campus community. To be influential, it must reflect the solid characteristics of a well-organized group. A College Panhellenic Council functions most effectively when the delegates of its member fraternities know proper Panhellenic procedures and are dedicated to working together in a spirit of harmony and cooperation.

Representatives
It is advantageous to individual chapters, and to Panhellenic as a whole, for each chapter to select the best qualified members as its delegate and alternate delegate to the College Panhellenic. To represent the chapter effectively, the representatives must be informed, knowledgeable about proper Panhellenic procedures and act on chapter opinion rather than individual conviction.

Objectives
Fraternity women have a responsibility to promote Panhellenic ideals on campus. As expressed in the Panhellenic Creed, fraternity women are dedicated to uphold good scholarship and high standards of ethical conduct and to work in harmony and understanding with each other to further the ideals of fraternity. High moral and ethical principles are basic to all NPC fraternities.

Rights of Fraternity Chapters
The College Panhellenic and all advisors working with it must bear in mind that the authority of the Panhellenic is only that authority given to it by the member fraternity chapters. The council and advisors guide; they do not decide. A College Panhellenic Council shall not deny a chapter the right to operate according to its own laws and procedures, including rights such as initiating a woman when she has met the requirements of her fraternity.
Ethics
Fraternity women working together serve as role models exemplifying the best in womanhood. They encourage their members to be law-abiding citizens, mindful of the rights of others and dedicated to representing and upholding the fine principles espoused by each and every group.

ESTABLISHING A RECOGNIZED COLLEGE PANHELLENIC
When the first NPC fraternity is installed on a campus, the fraternity shall notify the NPC advisor to New College Panhellenics, the NPC Extension Committee chairman, the NPC College Panhellenics Committee chairman and the NPC Executive Committee. The NPC advisor to New College Panhellenics will contact the new chapter, informing it of available help.

When a second group is installed on campus, the first group shall notify the NPC advisor to New College Panhellenics so that preparations can begin for establishing a College Panhellenic Association.

The first group chartered has the responsibility to initiate the organization of a College Panhellenic. In the case of multiple colonizations, the first group installed as a chartered chapter is responsible for taking the lead in organizing the College Panhellenic.

Step-by-Step Instructions
The NPC advisor to New College Panhellenics works with the local campus committees and the dean and/or Fraternity/Sorority advisor to develop the procedures for organizing a College Panhellenic.

1. The first step in establishing a College Panhellenic is calling an organizational meeting of the two (or more) groups. This meeting is to be called and chaired by the first group chartered on campus. Its purpose is to select an Organizational Committee, which will work with the NPC advisor to New College Panhellenics for its area and to select committees as needed for the operation of a College Panhellenic.

2. Each fraternity shall select as representatives to this College Panhellenic one delegate and at least two alternates from its own membership. If possible, the chapter president and recruitment chairman shall serve as the two alternate delegates. If no administrative personnel are available, an advisor may be selected from among the qualified local alumnae.

3. This group shall study the Manual of Information, which may be obtained from the NPC office or from each delegate’s own fraternity. The Organizational Committee shall be selected to draft the College Panhellenic constitution and bylaws, based on the model found in this publication, and to establish a recruitment program and recruitment rules that are compatible with both campus needs and NPC unanimous agreements and policies.

4. The chairman of the Organizational Committee shall send the first draft of this material to the NPC advisor to New College Panhellenics for her review and evaluation. The NPC advisor to New College Panhellenics will correspond as necessary with the Organizational Committee and the dean/Fraternity/Sorority advisor, offering suggestions and providing information for the orderly establishment of the College Panhellenic Association. Copies of this correspondence shall be sent to the dean/Fraternity/Sorority advisor, NPC delegates of the fraternities involved and the College Panhellenics Committee chairman.
5. When all the documents have been approved, the NPC advisor to New College Panhellenics shall notify the NPC coordinator of advisors to New College Panhellenics that the Panhellenic recognition is to be approved. The NPC Coordinator of Advisors to New College Panhellenics will notify the NPC Executive Committee, and the chairman will write a letter of recognition to the College Panhellenic with copies to all relevant parties.

6. The charter for the College Panhellenic will be sent from the NPC office or presented in a ceremony by the assigned area advisor.

BUILDING A STRONG, EFFECTIVE COLLEGE PANHELLENIC

College Panhellenic Purpose
- Provide an organization with a constitution and bylaws.
- Coordinate activities, establish orderly procedures and provide for programming in addition to recruitment.
- Promote the growth of individual chapters and the fraternity system.
- Organize and sponsor a membership recruitment program.
- Encourage the highest possible academic, social and moral standards.
- Adjudicate all matters related to the NPC Unanimous Agreements, NPC resolutions and the College Panhellenic governing documents.
- Assist in furthering campus programs.
- Promote good public relations.
- Give service to community and campus.
- Plan Panhellenic awareness programs.
- Sponsor Junior Panhellenic, if appropriate.
- Promote friendships, harmony and unity among members, chapters, faculty, administration and campus groups.

ORGANIZATION AND MANAGEMENT

Panhellenic Delegate Responsibilities
- Must attend all Panhellenic meetings.
- Must support the NPC Unanimous Agreements, policies and procedures.
- Must understand local Panhellenic policies and procedures.
- Should attend relevant area conferences and workshops.
- Should know how to consult the NPC area advisor for assistance and advice regarding Panhellenic concerns.
- Should know when to consult the NPC delegate regarding chapter concerns.
- Should present regular Panhellenic reports at chapter meetings.

Panhellenic Office
It is suggested that a Panhellenic office be established on all campuses where there are NPC groups. It is important that permanent records are kept in a central location and are accessible to Panhellenic officers.

Panhellenic Files
The following is a checklist for the College Panhellenic files. It is suggested that the retiring Panhellenic president check the files (current files and historical files) with her successor to see that they are complete. All items are valuable as reference materials:
- Current constitution and bylaws of the College Panhellenic.
- Minutes kept in current file for four years; thereafter, transferred to historical files.
- Financial records, reports and budgets kept in current file for seven years.
- Membership recruitment statistics submitted to NPC area advisor kept in current file for five years and then transferred to historical files.
- Membership recruitment materials — recruitment rules, pamphlets, programs, bulletins, evaluations, event schedules, etc., kept in current file for five years.
- Name, address, telephone, fax and e-mail of current NPC area advisor.
- Reports and evaluations of projects.
- Correspondence of permanent interest.
- Current NPC publications and price list.
- Records of Judicial Committee action (locked file, three years).
- Procedure notebooks (refer to Panhellenic Officer Notebook section in this chapter).
- Historical files.

**SELECTION OF OFFICERS**

I. **Resolved** (2001), That the College Panhellenic officer selection process may include rotation, election or an election-rotation combination to provide successful leadership and equitable and fair representation of NPC member groups.

II. NPC encourages the principle of rotation of Panhellenic officers, allowing each fraternity chapter to hold office in Panhellenic. Rotation provides each chapter the opportunity and responsibility for Panhellenic service. Chapters are aware of the years their delegates are expected to serve in Panhellenic office, and chapters are responsible for selecting the best qualified members to provide Panhellenic leadership during that time.

1. The rotation order is based on the date the chapter was installed on campus (oldest first, etc.), and it should be noted in the Panhellenic bylaws.

2. If the delegate from the fraternity in order of rotation is not prepared to serve as an officer, that fraternity shall relinquish its place to the next fraternity in order of rotation. The fraternity so passed may resume its place the following year, and normal rotation shall be resumed. (Example: Alpha cannot serve, so Beta fills the office. Alpha serves the next year, Gamma serves the year after that, and rotation continues in order.)

3. If an officer is unable to complete her full term, and if her fraternity is unable to provide a qualified replacement, the fraternity next in rotation order shall assume responsibility for the office. A fraternity filling an unexpired term shall not relinquish its regular order. (Example: Alpha’s officer leaves office in mid-term. Alpha has no qualified replacement, so Beta fills the remainder of the unexpired term. Beta is then privileged to serve its regular term in that office.)

III. On some campuses with a large number of NPC chapters, Panhellenics have chosen to select officers by a combined rotation-election plan. Each year a certain number of chapters (depending on the number of chapters and the number of Panhellenic offices to be filled) rotate into eligibility for the various offices, and officers are selected from those eligible representatives.

IV. **Resolved** (2001), That the Panhellenic president and recruitment officer should have a minimum of one year of College Panhellenic experience prior to serving.
DELEGATE AND OFFICER ORIENTATION

I. **Hold a joint meeting of incoming and outgoing officers and delegates.** A meeting of retiring and new officers and delegates, both individually and as a group, is recommended. Individual officers should explain their responsibilities and share procedural notebooks, reference material, evaluations and suggestions. Delegates should share their information-gathering and presentation techniques, procedures for discussion, motion-making and voting on Panhellenic matters (refer to Panhellenic Officers Notebook and Panhellenic Files in the College Panhellenic Organization section).

II. **Know and use the resources available as listed online.**
   1. Publications
      A. Study and discuss the NPC Manual of Information.
   2. Resource people
      A. NPC area advisor
      B. Individual fraternity NPC delegates

III. **Set goals and priorities.**
   1. Each officer should establish the goals she hopes to achieve during her term of office.
   2. As a group, Panhellenic officers should establish goals and priorities for Panhellenic Council as a whole and present those plans to the delegates for discussion and approval.

JUNIOR PANHELLENIC
A Junior Panhellenic is composed of new member and newly initiated member representatives from all chapters on a campus. It encourages the special responsibilities and good campus citizenship that fraternity membership entails and fosters relationships within the College Panhellenic, which sponsors it. (Refer to the chapter on College Panhellenic Programs in this manual.)

FRATERNITY/SORORITY ADVISOR
A Fraternity/Sorority advisor counsels a College Panhellenic Association as to its goals, programs and regulations. The Fraternity/Sorority advisor usually is a college or university administrator but may be a qualified alumna of an NPC fraternity hired by the College Panhellenic or serving in a volunteer capacity.

Qualifications for a College Fraternity/Sorority advisor Should Include:
- A knowledge and understanding of NPC policies, Unanimous Agreements and procedures.
- An interest in and understanding of the ideals and goals of women’s fraternities.
- An understanding of the relationship of NPC, its member fraternities and their collegiate chapters.
- A desire to assist the College Panhellenic in its efforts to maintain orderly and harmonious relationships within its membership and to promote constructive programs and projects on the campus and in the community.
- A membership in an NPC fraternity, if possible.

Role of Advisor to College Panhellenic
The role of an advisor is to provide guidance, counsel and support, assisting the College Panhellenic to function effectively in accordance with NPC and university policy.

Fraternity/Sorority advisor’s Files
In addition to the material already listed for College Panhellenic files, the Fraternity/Sorority advisor should keep these records on file:
- Chapter membership statistics: lists of new members and initiates, and recorded changes in membership status.
- Lists of Panhellenic officers, chapter officers, alumnae advisors and inter/national officers.
- Signed membership recruitment acceptance binding agreement cards, bid lists, continuous open bidding acceptance binding agreement cards in a confidential file for three calendar years.
- Proceedings from Panhellenic judicial hearings for four years.

**PANHELLENIC ALUMNAE ADVISORY COUNCIL**

College Panhellenics may be assisted by a Panhellenic Alumnae Advisory Council. These advisory groups are composed of alumnae members of NPC fraternities. They are organized to provide support for the activities and programs of the College Panhellenic and to serve as a liaison between the college or university and fraternity alumnae in the community. This Panhellenic Alumnae Advisory Council should not be confused with the Alumnae Panhellenic Association in the community.

**NPC AREA ADVISOR**

An area advisor is a woman serving on her fraternity’s NPC delegation. A qualified and knowledgeable woman, she provides assistance if needed and advice backed by practical experience. Remember that the area advisor is a volunteer who has career and family responsibilities and must plan her campus visits and workshops well in advance. Do not wait until the last minute to request her help.

**Area Advisor Responsibility**

The area advisor provides assistance in a number of areas. She:

- Interprets the policies of NPC. Serves as a liaison among, NPC, Fraternity/Sorority Advisor and the College Panhellenic officers.
- Keeps College Panhellenics advised of the latest policies and procedures of NPC.
- Reviews College Panhellenic’s working documents (i.e. constitution, bylaws, recruitment guidelines, Code of Ethics, etc.), suggesting changes when needed.
- Offers new ideas for membership recruitment schedules, procedures and workshops and for College Panhellenic programming and officer training.
- Has a wealth of material on file to aid in problem solving.
- Guides in the planning and execution of area and campus Panhellenic workshops.
- Makes individual campus visits for special problem counseling.
- Welcomes the opportunity to observe, learn and work with a College Panhellenic.

**College Panhellenic Responsibility to Area Advisor**

- Keep the area advisor informed when changes in the constitution, bylaws, membership recruitment rules and procedures are being considered and during discussions of total and extension.
- Tell her about problems before they become critical.
- Send new ideas for officer training, programs and projects for her to share with others.
- Keep lines of communication open on a regular basis.
- Send Panhellenic minutes regularly.
COLLEGE PANHELLENIC PROGRAMS

College Panhellenics provide a wealth of programming for their member groups as well as the campus and community in general.

Proper program planning and a well-balanced year-round program calendar are two important components of educational efforts. This section provides planning information as well as numerous ideas for programs.
COLLEGE PANHELLENIC PROGRAMS

OVERVIEW
Varied and purposeful programming is vital to accomplish the goal of building a strong, effective College Panhellenic. Well-organized procedures for membership selection are important, but the growth of chapters and the welfare of the fraternity system depend on a broader base than a week of membership selection.

Resolved (1994), That College Panhellenics and fraternity/sorority advisors be encouraged to establish procedures for balanced calendars, recognizing programming requirements of member groups, and to establish reasonable award criteria and to follow the NPC 1991 Resolution on Philanthropic Programming. (Refer to this resolution in the College Panhellenic Resource Information chapter of this manual.)

How to Select Programs
- Define the goals, purposes and objectives of the College Panhellenic.
- Adopt a philosophy of cooperation, not competition.
- Adopt a programming budget.
- Make the Executive Committee or the programming chairman responsible for the planning and the council responsible for approval and adoption of the program.
- Establish a one-year calendar:
  - Develop plans for membership recruitment follow-up, execution and evaluation.
  - Plan program topics to coordinate with chapters’ required programming.
- Determine programs for meetings:
  - Council
  - Association
- Involve College Panhellenic members:
  - Delegate authority and responsibility.
  - Use a committee structure.
- Recognize programming contributions by College Panhellenic members annually.

Program Ideas
- Individual chapter program plans
- Interfraternal (e.g., Junior Panhellenic, fraternity/sorority newsletter and Greek Weekend)
- Panhellenic (e.g., academic excellence, values, women’s issues, officer transition, delegate transition and officer workshops)
- Educational or informational (e.g., “Something of Value,” “SAFE” video and “Something to Talk About”)
- Service and philanthropy (e.g., recycling)
- Campus and community involvement (e.g., hostess for visitors and service to community)
- Public relations (e.g., outreach program)

JUNIOR PANHELLENIC
Purpose: To promote interfraternity friendship. To provide preparatory education for participation in College Panhellenic.
Composition: New members and new initiates of women’s fraternities during their first year of membership.

Constitution: Junior Panhellenic functions under the guidance of the College Panhellenic with separate bylaws similar to those of the College Panhellenic.

Structure:
- Delegates: two new members and/or new initiates from each chapter.
- Officers: president, vice president, secretary and treasurer, chosen by rotation or alphabetically (not to coincide with the rotation in College Panhellenic).
- Executive Committee: Junior Panhellenic officers and a representative from the College Panhellenic Executive Committee.
- Advisors: A chapter Fraternity/Sorority advisor, a representative from an alumnae group and a representative from College Panhellenic.

Meetings: Regularly scheduled once a month in chapter house, room or suite or wherever practical. A special meeting may be called by the president when necessary and shall be called by her upon the written request of any member delegate. Attendance is the responsibility of each new member class. If a representative is unable to attend meetings, another member should serve as an alternate during this time.

Program: Should contribute to fundamental knowledge and understanding the purpose, ideals and goals of Panhellenic. Programs could be a 15-30 minute discussion on a specific topic. Planning and scheduling of events should be coordinated with the College Panhellenic.

Suggested Discussion Group Topics
- Junior Panhellenic: orientation
- Fraternity values: leadership, standards, scholarship, etc.
- NPC Unanimous Agreements, policies and procedures
- Building panhellenic spirit
- Public relations: alumnae, faculty, campus and community
- Booklets, brochures, etc., promoting Panhellenic and the value of fraternity membership
- Panhellenic programs and projects
- Membership recruitment events and scheduling
- Membership recruitment rules and how to simplify
- Continuous open bidding
- Potential new member orientation
- Membership recruitment counseling
- Membership recruitment violations and penalties
- Campus issues
- Diversity awareness
- Crisis management
- Risk management
OFFICERS WORKSHOP

Time and place: Availability of resource people may determine the time of various kinds of workshops. New member education is best discussed in the spring when next year’s new member education chairmen have been selected. In general, workshops scheduled early in the officers’ terms are best, although scholarship may benefit from emphasis in the fall. A convenient campus location away from distractions is ideal.

Participants: Chapter officers, chapter advisors, Panhellenic officers, delegates and advisors, resource consultants and group leaders

Agenda: Include keynote speaker, small-group discussion, wrap-up session and evaluation.

Displays: Materials contributed by each chapter.

Subjects: New member education, academic excellence, member involvement, leadership training, commitment to ideals and values, health, safety and security, public relations, Panhellenic membership recruitment rules, service and philanthropy.

It is possible to restrict a workshop to a single subject, and this may be necessary because of the size of the campus fraternity system. But there are many advantages in having several different subjects and officers present.

Chapter programming is an overlapping of separate subjects, and much can be gained from sharing. For example, scholarship is an important part of new member education, as is building commitment.

Before a College Panhellenic retreat or workshop for incoming Panhellenic officers, a study list could be prepared for those who will attend. The resource list would include the NPC Manual of Information.

At the first large-group meeting, a multiple choice or fill-in sheet should be given to each participant. Her “test” remains hers so she can assess her Panhellenic IQ and use the sheet to see what she needs to learn. Group discussions that follow can be geared to the questions least likely to be answered, e.g., Unanimous Agreements, judicial procedure, Panhellenic authority, etc.

In the evaluation at the end of the officers retreat, it is suggested that participants be asked on what subjects they would like more information. These topics can be covered throughout the year in several ways:

Consult your NPC area advisor, Fraternity/Sorority advisor, chapter advisors and dean of students as resources. Experienced group leaders are often available.

The College Panhellenic Council decides on the subjects to be discussed based on the recommendations of the Executive Committee.

GREEK WEEKENDS

NPC recommends that fraternity/sorority celebrations be held on a single weekend. The purpose is to emphasize the constructive and inspirational aspects of fraternity life. A carefully planned program can be the basis for year-long cooperation between Greek-letter organizations, the college campus and the community.

Greek Weekend should be the symbol and the manifestation of the cooperation of fraternity women and men with each other, with the campus and with the community. It may take many different forms, depending on the needs and the resources of each campus. It should always be a positive program, providing education about the values, the purposes and the ideals of all fraternities. The program should be a demonstration of responsible citizenship.
Such a program is two-fold:

Within the Greek-letter organizations:
- Re-examine values, purposes and ideals.
- Emphasize values, purposes and ideals in the public relations program.
- Seek solutions to problems within the fraternity/sorority community, between fraternities and the college or university and between fraternities and the community.
- Plan social activities (e.g., open houses, awards/recognition banquets, dances).

Within the college and the community:
- Plan campus and community service projects.
- Develop social activities (receptions and open houses for faculty members and community residents).
- Write special news stories for campus and local newspapers.
- Establish recognition awards or dinners for outstanding contributions to fraternity/sorority life by community members, faculty and alumni.

Planning the Program
Through the planning, committees should remember to keep all expenses moderate so that they will not be a burden on participating chapters and will not give an impression of extravagance to the campus and the community.
- Develop the purpose and objectives and then seek to develop a program to support the purpose and achieve objectives.
- Plan a worthwhile Greek Weekend well in advance.

Suggested Outline:
Greek Weekends need the approval and coordination of Greek-letter-affiliated councils at least six months in advance.
- All committees should be appointed four to six months in advance.
- If off-campus participants and speakers are to be included, they should be invited initially four to six months in advance. Topics for speakers should be agreed on early. Reminders should be mailed a month ahead of time (this may be in the form of a program).
- As soon as possible after organizational work is completed, committees should meet with the appropriate college administrators, community officials and the local press to inform them of the plans and to request cooperation and suggestions.
- Detailed plans should be drafted by each committee and submitted to the supervising group.
- Meeting place, banquet rooms, etc., should be secured as soon as plans have been approved.
- Letters of explanation and instruction and programs should be mailed to guest participants and local chapters several weeks in advance. All NPC and NIC chapters should participate in Greek Weekend.
- The supervising committee should meet frequently (weekly during the month preceding Greek Weekend) with both a women's fraternity advisor and a men's fraternity advisor present.
Guest invitations to banquets, receptions, etc., should be checked carefully to be sure that addresses and spelling of names are correct.

If community projects are to be conducted, careful attention must be given to securing the correct number of projects for the manpower available. A liaison should be appointed to interact with each organization for which work is being done. Proper and necessary tools and supplies should be obtained and the actual work should be supervised to see that the commitment has been fulfilled.

Discussion sessions or workshops should be planned to facilitate a free exchange of ideas. A fraternity/sorority leader might give a short talk preceding the discussion and also might serve as a resource person. Leaders should lead, rather than direct, and an agenda should be prepared to guide participants. Discussions and workshops should tie in with the theme of the program.

If social functions such as a dance or a banquet are a part of the program, they should not be the principle event of Greek Weekend.

After Greek Weekend, letters of appreciation should be sent to administration, faculty, townspeople and guests who helped plan or participated in the programs.

A careful evaluation of the programs should be made by all committees and submitted in writing to the supervising committee. This could prove invaluable in the planning for another year.

**Suggested Discussion Topics for Greek Weekend**

If possible, the Greek Weekend schedule should allow time for joint council discussions and for separate discussions for each council. A new member workshop would be worthwhile.

College Panhellenic panels and/or discussions should follow the suggestions in this chapter. Joint Greek-letter council discussions might be on these topics:

- Importance of maintaining women’s and men’s fraternity values and high scholastic standards
- Relationship between fraternities and the college or university
- Importance of positive public relations
- Fraternity role in creating school spirit and exerting leadership
- Fraternity values
- Suggested activities for Greek Weekend
- Open houses
- Academic excellence banquet
- Greek Weekend banquet
- Workshops or panel discussions
- Alumni programs
- All-fraternity/sorority assembly with a guest speaker
- Newspaper articles
- Recognition of outstanding fraternity women and men
- Recognition of community members, faculty and alumni for outstanding contribution to Greek-letter organizations.
- Service projects.

All aspects of recruitment shall be evaluated and a style selected that fits the needs of the campus. The specifics of the administration of membership recruitment shall be determined by the style chosen. Refer to the Membership Recruitment Handbook in this manual for information on determining the recruitment style to be used.

Continuous open bidding (COB) is a process that allows chapters to fill vacant membership spaces to reach quota and/or total. If COB is appropriate for the membership recruitment style chosen, information about the process should be added to the bylaws.

The following items are appropriate for all styles.
1. A fall membership recruitment shall be held. (Continuous recruitment should start in the fall.)
2. All membership events shall be held in the chapter room, house, lodge, suite or campus facilities.
3. Every regularly enrolled new member, initiate or affiliate of a chapter shall be counted in the chapter total.
   A. A list of new, initiated and affiliated members shall be filed with the president of the Panhellenic Association and with the Fraternity/Sorority advisor on the first day of classes in each term.

2. A Panhellenic Association member fraternity may not issue an invitation to membership or formally pledge a woman during any school recess.
3. A new member may be initiated whenever she has met the requirements of the fraternity to which she is pledged.

VIII. Hazing
All forms of hazing, “pledge day” and/or pre-initiation activities that are defined as hazing shall be banned.

Hazing is defined as any action or situation with or without consent that recklessly, intentionally or unintentionally endangers the mental or physical health or safety of a student, or creates risk of injury, or causes discomfort, embarrassment, harassment or ridicule or that willfully destroys or removes public or private property.

Such activities and situations include, but are not limited to, creation of excessive fatigue; physical and psychological shocks; wearing apparel that is conspicuous and not normally in good taste; engaging in public stunts and jokes; participating in treasure or scavenger hunts; morally degrading or humiliating games and activities; late night sessions that interfere with scholastic activities or normal sleep patterns; and any other activities that are not consistent with fraternal law, ritual or the regulations and policies of the member fraternity or the educational institution. All member groups will affirm their policies on hazing and inform their membership of this NPC position on hazing through mailings and through their inter/national magazines.

IX. Extension

2. Such a chapter shall be organized through colonization by an NPC fraternity or through organization of a local sorority, which may petition an NPC fraternity for a chapter.

I. **Rules of Order**
The [name of institution] Panhellenic Association and its Panhellenic Council shall be governed by Robert’s Rules of Order Newly Revised except in matters specifically provided for in this constitution, bylaws and standing rules.

II. **Amendments**
These bylaws may be amended by two-thirds (or three-quarters) vote of the voting members of Panhellenic Council, provided notice of the proposal amendment has been given in writing at the preceding regular meeting.
Membership Recruitment Handbook

Membership recruitment is one of the most visible, rewarding and important activities coordinated by the College Panhellenic. A successful membership recruitment requires a huge organizational effort.

It is helpful for the College Panhellenic to separate the recruitment operation into segments or processes. Careful and collaborative planning of each recruitment process will increase the ultimate success of the Panhellenic's effort.

This handbook is designed to address those recruitment processes in chronological order. While determining the best recruitment style for a particular campus is necessary, other processes listed are equally if not more important to a successful recruitment.
DETERMINING RECRUITMENT STYLES

The College Panhellenic Council, as part of its annual review and in consultation with the fraternity/sorority advisor, chapter advisors and the NPC area advisor, should evaluate:

- Recruitment patterns.
- Marketing of Panhellenic to potential new members.
- Recruitment statistics for the past three years.
- Changes in past and current enrollment of female students and future projections.
- Interest in women’s fraternal life.

There are indicators and/or red flags that suggest changes are necessary in the recruitment program. These red flags include:

- Panhellenic lost a greater percentage of potential new members between registration and the Open House event than in previous years.
- More women dropped out between the Open House event and Preference events.
- Quota has decreased during the past three years.
- Panhellenic has lost chapters on campus, although recruitment numbers are stable or increasing.
- Two or more chapters matched less than half of quota even with recruitment numbers stable or increasing.

The assessment in this section will help a Panhellenic determine the needs of its recruitment program. The responses will help determine if the Panhellenic should consider a specific recruitment style or change other processes. NPC supports four recruitment styles that the College Panhellenic can use to recruit potential new members. No one style is best, but it is important to select the recruitment style that is most appropriate for the College Panhellenic community and campus.

The Panhellenic should review the assessment and ask each delegate to review the results with her chapter’s NPC delegate.

ASSESSMENT FOR DETERMINING RECRUITMENT STYLES

Note: Certain responses encourage consideration of a specific recruitment style.

- Is there an overall interest in your Panhellenic system?
- What percentage of the undergraduate student body belongs to a women’s fraternity?
- Is the number of on-campus incoming freshmen women increasing?
- If so, by how much?

If 10% or more of the undergraduate student body are members, fully structured recruitment is recommended.

If 9% or less of the undergraduate student body are members, partially structured recruitment, minimally structured recruitment or continuous recruitment is recommended.

- How many NPC chapters are on campus?
- How many chapters are new to your campus within the past three years?
- How many chapters have left your campus within the past three years?

If the number of NPC chapters has increased within the past three years, fully structured recruitment is recommended.
If the number of NPC chapters has decreased within the past three years, partially structured recruitment, minimally structured recruitment or continuous recruitment is recommended.

- Are there local sororities on your campus?
- Are they part of your College Panhellenic?
- Do they participate in the College Panhellenic recruitment process?

If several local sororities participate, partially structured recruitment, minimally structured recruitment or continuous recruitment is recommended.

- How do you market women’s fraternities to potential new members?
- Do you have a year-round marketing program?

All recruitment styles should include a year-round marketing plan created by the College Panhellenic.

Do you use “no frills” recruitment? This would include an Open House, Philanthropy and Preference events, a small budget, minimal decorations and limited refreshments.

“No frills” recruitment should be part of all recruitment styles.

- Is continuous open bidding (COB) used following your recruitment process?
- Are almost as many women participating in COB as are participating in structured recruitment?

If almost as many women participate in COB as structured recruitment, either minimally structured recruitment or continuous recruitment is recommended.

**Review Total**

- When was total last changed?
- Was it increased or decreased?
- Are most groups below or over total after structured recruitment?

An annual review of total should provide for parity and system-wide growth.

*Resolved* (2003), That if the results of the recruitment assessment for a College Panhellenic indicate that a change in recruitment style is warranted, the College Panhellenic may, upon consultation with the Fraternity/Sorority advisor and the approval of the NPC area advisor, vote to adopt the appropriate recruitment style for its campus.
TOTAL
Total is the allowable chapter size as determined by the College Panhellenic, and it includes both new members and initiated members. The Panhellenic reviews total each year to ensure that the existing total reflects current campus conditions and the Panhellenic goal of growth and parity. Total should be reviewed following recruitment when chapters are at their largest. Deferred recruitment campuses may consult with their NPC area advisor to determine if a separate fall total would be appropriate/advantageous for their campus.

The purpose of total is to provide opportunities for growth of the Panhellenic community and parity among the chapters and to allow the maximum number of women to participate in the fraternity experience.

When total is too low, the Panhellenic community is unable to grow because of lack of sufficient spaces to accommodate women interested in membership. When total is too low, the smaller chapters are unable to close the size disparity with the larger chapters.

When total is too high, parity is also difficult to achieve. Potential new members have incentives to withdraw from a structured recruitment process and join during continuous open bidding when they do not receive an invitation from one of the perceived “popular” chapters on campus. This trend can suppress quota as well and create wide gaps in size among the larger and smaller chapters.

Resolved (2003), That College Panhellenics review total annually; and

Resolved (2009), That the procedure for determining total now reads:

Total is the allowable chapter size as determined by the College Panhellenic and includes both new members and initiated members. Any member who is away from campus for the entire academic year is not counted in total. Members away for one academic term are counted in total. The Panhellenic reviews total each year to ensure that existing total reflects current campus conditions and the Panhellenic goal of growth and parity, and to allow the maximum number of women to participate in the fraternity experience;

Resolved (2009), That College Panhellenics review total following recruitment when chapters are at their largest. If it is determined that total should be revised, after consultation with the NPC area advisor and their respective inter/national organizations, total may be determined by:

1. The average chapter size, rounded down to the nearest whole number.
2. The median chapter size (for example, the size of the fifth-largest chapter in a system with nine NPC groups).
3. The size of the largest chapter(s).

Total may also be determined by any one of the above, combined with a number that reflects the best adjustment to total to ensure continued growth opportunities, parity, housing obligations, availability of campus facility and vitality of the College Panhellenic community; and
Resolved (2009), That College Panhellenics on campuses with deferred recruitment may review total in the fall to allow for a fall recruitment that will assist in establishing parity. This review does not replace the review that should be completed after deferred recruitment. This would be a two-tier total. Using a two-tier total, fall total does not need to be evaluated every year. If, after consultation with the NPC area advisor and their respective inter/national organizations, it is agreed that a fall total is advantageous, fall total can be determined by one of the following:

- Using current data, determine average chapter size and allow chapters below that number to recruit upperclass members.
- Using current data, determine the median chapter size and allow chapters below that number to recruit upperclass members.

The Panhellenic review helps identify whether the goals of total, growth and parity are being met and if the best balance between growth and parity presently exists.

Preparation for Annual Review

Collect the following information:

- Chapter membership numbers for the past three to five years.
- Formal recruitment numbers for the past three to five years.
- Number of undergraduate women on campus for the past three to five years.
- The university’s projection of the number of undergraduates for the next five years.
- Chapter house/living facilities obligations and the actual number of women living in the facilities for the past three to five years (for Panhellenic communities with chapter houses/living facilities).

Review and Decision

1. Discuss the statistical information collected and then consider the following questions. Involve the chapter advisors in this process.
   - What percentage of the campus community is fraternity women?
   - What would be the ideal chapter size on this campus?
   - Are there limitations on chapter size? Why?
   - Are there existing chapters that could benefit from College Panhellenic help and support?
   - Is it time to bring a new chapter to the campus through the NPC extension process?

2. Determine the total most appropriate for the women’s fraternities on this campus using one of the following four options:
   - Average chapter size (rounded down to the nearest whole number).
   - Median chapter size (for example, size of fifth largest chapter in a system with nine NPC groups).
   - Size of the largest chapter.

Total may also be determined by any one of the above, combined with a number that reflects the best adjustment to total to ensure continued growth opportunities, parity, housing obligations, availability of campus facility and vitality of the College Panhellenic community.

3. Discuss your conclusion with the NPC area advisor.
4. Prepare a motion on the number to be considered for total.

5. **Have each chapter’s delegate contact her NPC delegate for additional input.**

6. Have each College Panhellenic delegate discuss the motion with her chapter members.

7. Conduct a vote on total by the College Panhellenic delegates in a timely manner as soon after the completion of recruitment when chapters are their largest.

### Chapter Membership Roll

To determine a chapter’s official membership roll for College Panhellenic reporting purposes, NPC has passed the following resolutions pertaining to this subject.

**Resolved (1955), That for All Panhellenic Purposes:**

1. Every regularly enrolled undergraduate woman who is a new member and/or initiated member of a chapter on that particular campus shall be counted as a member of the college chapter on this campus, except as provided for in this resolution.

2. Every regularly affiliated undergraduate transfer shall be counted as a member of the college chapter on that campus, **affiliation** to be defined as meeting the constitutional requirements of the individual member groups.

### Inactive Status

1. When the regulations of an individual national fraternity provide for granting inactive status, the following requirements shall be observed:
   - The inactive status extends over the period of the entire college year during which inactivity is granted.
   - That inactive members may not participate in membership recruitment and shall not be counted on membership selection total.
   - That grades of inactive members shall not be counted in comparative scholastic ratings.
   - That inactive members shall have limited social privileges.
   - When any national fraternity grants inactive status to any member on a given campus, that chapter shall place a copy of that permission on file with the local College Panhellenic and the Fraternity/Sorority advisor’s office.

### Vacancies in Total Chapter Size

Vacancies in the chapter membership roll can be filled only if the chapter is below total. A chapter may exceed total as a result of its participation in a Panhellenic recruitment when quota/total and a preferential bidding system are used.

**Resolved (2002), That vacancies in chapter total are not created by the granting of inactive status or alumnae status to a member who has less than a full college year remaining before graduation where there is no other good faith reason for granting a change in status.**

**Resolved (1978), That vacancies in chapter total are not created by the granting of alumnae status to undergraduate members except when a member group is recolonizing.**

**Resolved (1977), That a new member who has fulfilled the requirements for initiation before the expiration of the one-year new member academic year, but who has not yet been initiated, is not included in the year’s new quota but is counted in the chapter’s total.**

**Resolved (1977), That if a chapter is at total and wishes to affiliate a transfer member, it may do so even though the addition of that member will put it over total.**
Resolved (1971, 1994), That student members off campus for an entire academic year need not be counted on the chapter list (membership role) for the chapter total.

SELECTION OF A COMPUTER PROGRAM
Recruitment management programs should be purchased with much care.
The feature set for each product differs, and one option may provide a better fit for a College Panhellenic’s needs than another.
When choosing among options available, a College Panhellenic’s leaders and/or advisors should develop a list of criteria, in priority order, that are important for their recruitment processes and then evaluate each option based on how well its features meet the criteria. References from similar campuses can be helpful in the evaluation process.

Things to Consider in Evaluating Programs
1. **Ease of use**: How intuitive is the computer program for all the people who will be entering and retrieving data?
2. **Availability of customer support**: Will the vendor be available to answer questions and resolve technical problems during the hours when the Panhellenic needs support?
3. **Quality of customer support**: Does the vendor have a strong track record in answering questions and resolving problems in a timely manner?
4. **Privacy**: Does the recruitment management program sufficiently protect the privacy of all parties who will use it, including the potential new members, chapters, Panhellenic officers and advisors? Passwords should be protected and be extremely limited in distribution.
5. **NPC compatibility**: Does the product faithfully incorporate the recruitment policies and procedures of the National Panhellenic Conference?
6. **Training and documentation**: Does the vendor’s training options for the administrators and users meet the needs of the College Panhellenic both in terms of quality and cost? How effective is the documentation that accompanies the computer program?
7. **Data entry**: Where and how is data entered? What are the pros and cons of the options available? What safeguards are in place to ensure that selections made by potential new members and chapters throughout the recruitment process are read accurately and cannot be refuted?
8. **Data processing**: Where and how is the data processed? What are the pros and cons of the options available? What safeguards are available if the equipment has technical failure when the processing is conducted?
9. **Data storage**: Where and how is the data stored? What are the pros and cons of the options available? What safeguards are available if there is technical failure on the equipment where the data is stored?
10. **Data retrieval**: Where and how is the data retrieved? What are the pros and cons of the options available?
11. **Reports**: Does the computer program have standard reports that meet the needs of our process? If not, is it possible to create custom reports or otherwise access statistics that the Panhellenic will need for its process? Is it possible for potential new members and chapters to access and print lists and reports appropriate for their needs?
12. **Equipment requirements**: Are there specific memory or other requirements for the computers that are used for central management? Will the computer program require the rental or purchase of additional personal computers?
13. **Compatibility with counseling:** Is the method of invitation acceptance or prioritization compatible with the level of counseling the Panhellenic wishes to provide to potential new members? Is the method used to indicate membership recruitment acceptance binding agreement (MRABA) preferences compatible with the level of counseling the Panhellenic wishes to provide, and is it used consistently?

14. **Registration:** Does the computer program facilitate registration of potential new members in the manner desired? Can the program be integrated with Banner or other databases used by universities?

15. **Invitation management:** Is the computer program sufficiently flexible with regard to invitation management? For example, does the program offer features such as “regret with interest” and “re-invites” if desired? Does the program permit the setting of a maximum invite parameter to facilitate the Release Figure Method?

16. **Event scheduling:** Does the computer program balance the number of attendees for each event in a round among those potential new members accepting invitations to a women’s fraternity in a given round? Can an event in a round for a given women’s fraternity be removed if desired? What safeguards are available to ensure that the women scheduled for a women’s fraternity’s events in a given round are the correct attendees?

17. **Bid matching:** Does the computer program use the “hold and release” process for bid matching? Does the program resolve the gridlock condition, when it occurs, according to NPC guidelines? Is it possible to conduct the remainder of bid matching by hand if gridlock occurs? Does the program offer the ability to execute the quota range process? Does the program quickly identify which potential new members are ineligible for quota additions because they did not maximize their options on the MRABA?

18. **Administrator’s rights:** Does the fraternity/sorority advisor have the ability to override processes when necessary? In what circumstance is this possible?

19. Please note that these guidelines are not comprehensive. Your campus may have additional and even unique needs and requirements in a recruitment software program and/or vendor that should be discussed ahead of time and made clear to the vendors from whom you solicit proposals. **NPC does not endorse any computer program vendor.**

**MARKETING**

**Marketing Goals**
The purpose of a College Panhellenic marketing program is to promote all aspects of Panhellenic life, including scholarship, service and leadership, with all audiences. An effective College Panhellenic marketing plan has many benefits. An assessment of the current image of women’s fraternities on campus initiates the marketing plan. A marketing plan to reach all audiences is important to developing a positive image of women’s fraternity life, one that is most necessary for the recruitment program. The best time to develop a marketing plan is immediately after the Panhellenic officers are installed.

**Steps in Developing a College Panhellenic Marketing Plan**
- Assess the current image of women’s fraternity life on campus.
- Identify the audience and how that market receives messages.
- Develop a message highlighting the positive aspects of membership, including scholarship, service and leadership.
- Use the plan for the entire year.
- Deliver the message to your audience.
- Evaluate the message and its delivery.

**Using a College Panhellenic Marketing Committee**
- Establish a committee to develop and deliver a positive message.
- Ensure that each chapter on campus is represented, as well as the College Panhellenic Executive Committee and chapter advisors.
- Conduct an annual College Panhellenic marketing assessment.
- Develop an action plan to address the findings of the annual assessment.

**Sample College Panhellenic Marketing Assessment**

**Who are we?**
- Define the university inter/fraternal community.
- List the positive benefits of membership.
- What opportunities are provided by membership in a women’s fraternity?
- How can women’s fraternity life appeal to nonmembers?
- What are the weaknesses of the College Panhellenic community?
- What is the current image of the College Panhellenic life on campus?
- What is the message of the College Panhellenic? What do current marketing/public relations materials “say” about women’s fraternal life?
- List the goals of establishing a College Panhellenic marketing plan.

**Who are they?**
- Who is the target audience? (List all audiences including current members, administration, faculty, community, fraternities, potential new members, parents, etc.)
- What is each target audience’s current image of women’s fraternity life?
- What are the needs of each target audience?
- How does each audience receive messages most effectively? (Types of media, Internet, e-mail, websites, orientation, events, etc.)

**What is our message?**
- What is the ideal message of the College Panhellenic?
- What should public relations/marketing materials “say” about women’s fraternity life?
- What can be done to meet the needs of each target audience?

**Get the word out.**
- What is the best way to reach each target audience?
- In what ways can the plan be used all year long?

**How was the message received?**
- Evaluate the effectiveness and delivery of the message to each target audience.
- Gather feedback from each audience. Did the message meet the needs of each audience?
- Adjust this plan to carry out the mission of promoting women’s fraternity life.
Assessment Results
The results of the assessment will provide information necessary to develop a plan to reach target audiences.

- Include written materials and planned events to deliver the message.
- Create excitement with current College Panhellenic women.
- Plan events and programs to develop and enhance panhellenic spirit and inform members of the mission and plan to positively promote women's fraternity life.
- Strengthen relationships and understanding among Panhellenic women, administration and faculty, unaffiliated students and incoming students.
- Encourage participation in constructive campus programs as members of the Panhellenic and as individual NPC chapters.
- Increase campus interest and knowledge of Greek-letter organizations through informative and positive coverage in the campus media.
- Appeal to each target audience annually.

Recruitment Marketing Plan
A carefully planned and executed recruitment marketing plan is vital to the success of a College Panhellenic. The goal of a marketing plan is to attract outstanding female students to the Panhellenic recruitment process by highlighting all the positive aspects of membership, including scholarship, service and leadership, in all pre-recruitment materials and activities.

Using the findings of the marketing assessment, the College Panhellenic should plan the marketing efforts for membership recruitment. Because each campus environment is different, each College Panhellenic should develop its own marketing plan tailored to its particular campus conditions.

Any College Panhellenic can use the following activities by adapting them to fit its needs:

- Use printed communications directed toward incoming female students. They may include direct mailings, postcards, fliers posted on campus, informative brochures and CD-ROMs. Publications should focus on the benefits of membership and promote participation in women’s fraternity life. Individual chapters are not the focus of printed communications.
- Create a single website for women’s fraternity recruitment information. College Panhellenic websites should include information on women’s fraternity life and recruitment and should highlight scholarship, service and leadership. The website should be coordinated with the printed communications materials and be linked to the university’s website as well as the College Panhellenic recruitment site.
- Use campus media including newspapers, radio and television stations, billboard/mobile billboards, the Panhellenic website and promotional banners placed on chapter houses and/or residence halls.
- Participate in new-student orientation activities as members of College Panhellenic and as campus leaders.
- Arrange a College Panhellenic informational event each term to highlight the benefits of membership and to generate interest in the recruitment process.
- Enlist current chapter members to wear recruitment-themed shirts and/or buttons and to promote positive Panhellenic contact at all times.
- Develop a Panhellenic website.
Summer Information Plan
Informational events are encouraged for incoming college women, and they should highlight the benefits of fraternity life, including scholarship, service and leadership. To increase interest in the women’s fraternal communities, it is necessary that fraternity members promote general membership in women’s fraternities and not specifically one chapter or national organization.
Whenever possible, Alumnae Panhellenics and College Panhellenics are encouraged to host joint events that promote interest in Panhellenic membership. In areas where there is no Alumnae Panhellenic, alumnae of two or more NPC groups may host informational events in conjunction with the College Panhellenic. However, these events should focus on providing information regarding positive aspects of Panhellenic membership rather than promoting individual NPC member groups.
Personal and informative Panhellenic spirit contact does not mean having summer events in a chapter house or in an individual fraternity member’s home representing one NPC organization. It does mean being friendly and responding to questions the potential new member might ask of Panhellenic members. It means encouraging women in your home communities to search out and participate in the recruitment process.

Positive Panhellenic Contact
Less than 10 percent of entering college students estimate chances are very good that they will join a social fraternity while attending college. To help increase the number of new members, it is necessary that fraternity women promote general fraternity membership. It is also important that the various publics understand the high scholastic attainment, dynamic leadership opportunities, philanthropic contributions and immediate campus-based circle of lifelong friendships that membership in women’s fraternities offers.
Because of these factors, positive Panhellenic contact should be the goal of all College Panhellenics. Positive contact is intended to promote interest in the women’s fraternal community and bring more women to the recruitment process. Too often fraternity women turn away potential new members. Development of a Panhellenic code of ethics and adherence by all groups is essential to the success of every College Panhellenic.
Are your silence rules outdated? Silence is intended for the short period of time, not more than 24 hours, from the signing of the MRABA until bid acceptance.
Additional silence rules are not desirable because they can suppress participation in recruitment and stunt growth in our Panhellenic communities. Panhellenics are encouraged to eliminate all silence and no contact statements from their recruitment rules except for the strict silence required during the short time between preference and issuance of bids.
Personal and informative Panhellenic spirit contact does not mean creating an unfair advantage for a particular NPC member group. It does mean being friendly and responding to questions the potential new members might ask of Panhellenic members. It does mean promoting women’s fraternity membership in general, not a particular fraternity.
Resolved (2003), That all College Panhellenics and Alumnae Panhellenics promote and encourage personal and informative Panhellenic-spirited contact with potential members at all times, year round.
Resolved (1995), That strict silence be observed only between the end of preference parties and the bid presentation, as stated in the NPC Manual of Information, and that normal friendly contact be advocated at all other times.
Membership Recruitment Guide
A membership recruitment guide created by the College Panhellenic can assist in providing useful information for those interested in the recruitment process. It can also be a useful tool to encourage women to consider participating.

- Consider using the following when creating a guide:
- Develop a format that is easy to read, provides basic information and highlights the positive aspects of membership.
- Develop content with the needs of potential new members in mind.
- Use photos to highlight the many aspects of fraternity membership, including scholarship, leadership, social events, sisterhood and campus wide/individual chapter philanthropic events.

Suggested content includes:
- Panhellenic Creed.
- Benefits of women’s fraternity membership.
- Welcome letters from the Panhellenic president, Fraternity/Sorority advisor, vice president of student affairs and the college/university president.
- Definition of Panhellenic and recruitment terms.
- What to expect during membership recruitment.
- Guidelines for participants (include fees if applicable).
- Schedule of membership recruitment events and locations.
- Tips and reminders.
- Financial obligation information.
- General information about each chapter.
- Recruitment counselors and their function.
- Appropriate dress.

What Every Potential New Member Needs to Know About Recruitment
- The College Panhellenic has information available that tells you what to expect during recruitment (schedule, what to wear, etc.).
- It is permissible to ask questions when you do not understand.
- Some events will have more potential new members in attendance than others, and this is no reflection on a chapter.
- You must attend all events for which you receive an invitation.
- Failure to attend an event may jeopardize your ability to receive invitations.
- Being a legacy of a group does not ensure membership in that group.
- Accurate financial information regarding membership is given by Panhellenic in a cost range unless the individual groups provide specific chapter information to you.
- Good scholarship is important to all groups within Panhellenic.
- All NPC groups have policies against hazing.
- No chapter member may promise or imply the promise of a bid.
- You are expected to act politely and respectfully when attending an event.
- You should expect to be treated politely and with respect.
- Every woman attending a preference event must appear on that fraternity’s bid list, but this does not ensure an invitation to join that particular fraternity, because recruitment is a mutual selection process.
- You must be certain you understand the MRABA that you will be expected to sign immediately after attending the last preference event.
- You may choose not to join a group and therefore not sign the MRABA, but you must notify the Fraternity/Sorority advisor of this decision in writing.
- You may choose to list only one choice on your MRABA or may list all the groups where you attended preference events.
- You must understand that if you list a group on your MRABA, are matched to that group and receive an invitation to membership, you are bound to that group for one calendar year.
- Men and alcohol are not permitted during recruitment or Bid Day activities.

RECRUITMENT ORIENTATION
Orientation Goals
Recruitment orientation is a continuing process that gives a potential new member an opportunity to learn, feel comfortable with her surroundings and remain in the recruitment process. The goals of orientation are to:
1. Provide the potential new member with an opportunity to see an appealing and realistic picture of women’s fraternal life.
2. Provide a comfortable environment for the potential new member so she feels at ease with the process.
3. Create various activities that encourage the potential new member to complete the process and join an NPC chapter on that campus.

A successful orientation program includes:
- Sessions that sell women’s fraternal life to the potential new members.
- A setting that provides a continuing process to provide information which enables potential new members to make informed decisions about choosing a women’s fraternity.
- An opportunity to bring more women into the system, and to nurture and retain them.
- A forum for sharing and demonstrating the inherent values of membership.

Orientation should emphasize Panhellenic solidarity and the similarity of basic values within all fraternal groups. Each chapter may indicate the membership benefits it offers after the Panhellenic spirit has been established.

Panhellenic orientation will continue during the recruitment period in a manner that is appropriate for the recruitment style selected for each campus.

Orientation Process Design
Each College Panhellenic should design an ongoing orientation process that serves the needs of its campus and the recruitment style that has been chosen. Orientation is more than one meeting with potential new members. Parents are encouraged to attend orientation sessions when possible. Parent participation can be accomplished when they are attending campus orientation programs.
Suggested Format for Orientation Meetings
1. Provide a welcome by a university official, Panhellenic officer, faculty or Fraternity/Sorority advisor.
2. Provide an informational talk by Panhellenic officers.
3. Review the potential new member bill of rights (See the College Panhellenic Resource Information chapter).
   a. Discuss the chapters’ responsibilities to potential new members and all members. Include information on alcohol and hazing policies.
   b. Discuss potential new members’ responsibilities to their chapters. Include grade and time requirements. If housed, provide those requirements.
4. Describe availability of scholastic assistance and support.
5. Outline opportunities for development of chapter and campus leadership skills.
6. Outline the average cost of fraternity membership.
7. Ask alumnae and collegiate members to talk about their experiences and how they live the qualities expressed in their founding principles (friendship, sisterhood, development of individual potential, networking as alumnae and organization assistance).
8. Include an informal social event in which the potential new members may interact with Panhellenic Council members.
9. Review membership recruitment guidelines that apply to the potential new members.
10. Close the meeting with a talk by the Panhellenic president.

Preparing Panhellenic Officers and Recruitment Counselors
Panhellenic officers, along with recruitment counselors involved in the orientation process, will feel more comfortable if they are familiar with talking points that may be used to encourage fraternity membership during orientation. These talking points include but are not limited to:
- A good democratic social experience.
- Academic support and achievement.
- Life-long friendships.
- Campus involvement.
- Networking.
- Accountability.
- Participation in programs that NPC and individual fraternal organizations have available to educate their members on making safe choices.
- Value beyond college years.
- Development of a woman’s potential through leadership opportunities and group support.

Each point can be developed to provide informative conversations with potential new members.

Scheduling Orientation Activities
The orientation process should be seen as a time to make new friends and learn about the Panhellenic system. A variety of activities may provide a comfortable, convenient and informative experience for the potential new members. Suggested activities include:
Introduction to Recruitment Counseling Program Goals

Recruitment counseling is a positive step toward making the recruitment process better understood by the participants. It is one-on-one guidance by an experienced fraternity woman who is committed to offering her talents and service to the potential new members. Enthusiasm and sincere interest in the welfare of the potential new members by well-trained impartial recruitment counselors enhance the Panhellenic community and the entire fraternal community.

The goals of the recruitment counseling program are to:

- Provide support, friendship and personal guidance to women participating in the recruitment process by women's fraternity members who are educated to represent Panhellenic attitudes and ideals.
- Provide objective and impartial counselors.
- Promote an understanding and explanation of the mutual selection process.
- Promote an understanding of the benefits of fraternity affiliation and emphasize the similarities in ideals and goals of all women's fraternities.
- Provide encouragement to the potential new members to continue recruitment through the Preference round during fully structured recruitment and to accept the maximum number of invitations possible during each round of recruitment.
- Promote membership recruitment retention and pledging by lessening disappointments and disillusionments.

Qualifications and Selection

The style of recruitment being used on the campus affects the selection and use of recruitment counselors. The number of potential new members and the structure and schedules of recruitment should determine the number of recruitment counselors. (See Recruitment Styles, Implementation of Processes)

Recruitment counselors are undergraduate chapter members in good standing who:

- Are dependable, responsible and available to the potential new members.
- Are enthusiastic and have a positive attitude toward fraternity experiences.
- Are objective and impartial in opinions.
- Have good listening skills and the ability and willingness to keep confidences.
- Are sensitive and perceptive to another’s feelings while remaining objective.
MEMBERSHIP RECRUITMENT HANDBOOK

- Are representative of the best qualities of a Panhellenic woman.
- Are willing to refrain from contacting their own chapter members to reveal confidential information obtained from potential new members.

The Panhellenic executive board may handle selection of the recruitment counseling team with assistance from the Fraternity/Sorority advisor. Personal interviews and applications from interested candidates are part of the selection process. Representation from each NPC chapter is desirable and should be considered along with the qualifications of the candidate.

Selection is completed in the term preceding fully structured recruitment so that training can be conducted well ahead of the recruitment period. It is important to:
- Develop a positive panhellenic feeling among the team.
- Impart comprehensive knowledge about all of the NPC chapters on campus.
- Engender a thorough understanding of the rules, policies and procedures that affect recruitment.

Selection and training of enthusiastic, dedicated recruitment counselors are most important steps in preparing for a successful Panhellenic recruitment program.

Resolved (1993), That because collegiate membership recruitment counselors function as a committee of the local College Panhellenic during membership recruitment, they shall be in good standing in their member groups, be active participants in the collegiate chapter and shall be enrolled in the institution where the chapter is located.

Recruitment Counselor Training
Following selection, the counseling team is trained during several workshops on general Panhellenic topics:

1. Conduct team-building exercises followed by identification of each fraternity’s badge, philanthropy, name of magazine, etc. This develops an awareness of the parallel structure among the chapters. It also tends to dispel certain biases acquired from campus experiences. Each chapter’s strength varies from campus to campus as does size, local status, etc. Positive panhellenic feelings and spirit are fostered through better understanding of each group’s programs and history.

2. Discuss the Unanimous Agreements including the Panhellenic Compact, Potential New Member’s Bill of Rights and resolutions pertaining to the recruitment procedures. All information used in recruitment must be in accordance with the procedures cited by NPC. Information on bid matching (if appropriate), resolutions and the NPC Manual of Information should be made available to the recruitment counselors. The NPC area advisor also could present a recruitment counselor workshop.

3. Discuss the ethics of recruitment, including the Panhellenic Code of Ethics, philosophy of recruitment and the process of mutual selection.

4. Present ethical principles and scenarios relating to:
   - Appropriate or inappropriate actions.
   - Potential New Member Bill of Rights.
   - The importance of confidentiality and objectivity.

5. Develop a Recruitment Counselor Code of Ethics for the recruitment process. Also, the recruitment counselors may find developing a Potential New Member Code of Ethics helpful and informative.

6. Develop a Potential New Member Code of Ethics.
7. Include role-playing with potential new members and recruitment counselors in typical situations. Role-playing helps develop confidence to handle difficulties during future recruitment situations.

8. Hold a counseling-techniques training session conducted by campus resource representatives from student personnel, guidance and counseling departments.

9. Provide a Recruitment Counselor Handbook with all facets of the Panhellenic recruitment process. All necessary information concerning important dates, recruitment schedules, recruitment rules, counseling tips, etc., should be included in this packet. (See NPC Recruitment Counselor Handbook.)

10. Conduct the recruitment counselor ceremony. (See NPC Recruitment Counselor Handbook.)

Recruitment Counselor Program Implementation

While the use of recruitment counselors will vary among the four recruitment styles, there are some common factors that apply to recruitment counselors on any campus, regardless of style.

1. Recruitment counselors maintain principles of Panhellenic ethics; therefore, they:
   - Are entrusted with privileged information to be kept confidential.
   - Must remain objective and impartial at all times.
   - Must be disassociated from their own chapter’s recruitment process.
   - May escort women to the events but not attend the events.

Resolved (1989), That NPC disapproves of the presence of membership recruitment counselors and other designated Panhellenic personnel at membership recruitment events, with the exception of the fraternity/sorority advisor and official NPC recruitment observers.

2. Recruitment counselors should be available to potential new members at all times, and therefore, they will:
   - List times available for counseling at the Panhellenic office.
   - List phone numbers where they can be reached.
   - Schedule counseling group meetings.
   - Respond to calls in a timely manner.
   - Use e-mail only to arrange meetings or send other clerical messages.

3. The recruitment counselor should set the agenda for regular meetings with her assigned potential new member group, where they should:
   - Conduct get-acquainted activities.
   - Explain the membership recruitment schedule, rules and procedures.
   - Review the membership recruitment guidelines and handbook.
   - Answer all questions thoroughly.
   - Schedule time for future meetings.

4. The recruitment counselors and Panhellenic officers are required to abstain from alcohol use prior to and throughout the recruitment process. Exact dates should be a part of the College Panhellenic Recruitment Guidelines.

Resolved (1995), That the wearing of badges and insignia be encouraged at all times, especially during recruitment periods, except for membership recruitment counselors and Panhellenic officers who are participating in the recruitment process.

Recruitment Counselor Program Evaluation

Panhellenic should create a short evaluation questionnaire through which recruitment counselors, potential new members, Panhellenic officers and chapter recruitment officers can
provide feedback on the quality and effectiveness of the recruitment counselor program. Questions on the evaluation should be specific to each of these constituencies. The orientation program as well as all facets of the implementation and mechanics of the counseling program should be evaluated. The evaluation results become an important part of the overall Panhellenic recruitment process evaluation held after recruitment is completed.

RECRUITMENT POLICIES, RULES, AND GUIDELINES
All membership recruitment programs are planned to provide opportunities for the greatest number of women to become part of the women’s fraternal experience while protecting the rights and privileges of individuals, NPC chapters and member groups. A membership recruitment schedule of events and activities should complement the university’s orientation programs and/or academic schedule and not conflict with them.

NPC Policies and Unanimous Agreements
1. A membership recruitment period should be held in the fall, as close as possible to the start of the academic year, and be conducted in as short a period of time as possible. NPC does recognize that changes have occurred with many academic calendars, and summer employment needs of chapter members and collegiate travel abroad schedules must be considered. However, a fall recruitment has more advantages than any other recruitment time period.

2. NPC recommends College Panhellenics sponsor no more than one structured recruitment per academic year.

3. The use of the quota-total system or quota range along with the Release Figure Method results in the overall growth of fraternity chapters. Success of the quota-total system is dependent on continuous open bidding (COB).

4. If the preferential bidding system is used, women who indicate an intentional single preference and do not receive an invitation to membership are eligible for snap bidding and COB, but they are not eligible for quota addition.

   Resolved (1995), That a potential new member who withdraws from the fully structured recruitment process before the signing of her membership acceptance shall be eligible for snap bidding and COB.

5. COB begins immediately after the designated fully structured, partially structured or minimally structured recruitment period and is open to any unaffiliated female students on campus without any requirement of prior participation in a designated recruitment period. Neither NPC chapters nor potential new members should be required to register for COB.

6. Recruitment functions should be held in chapter houses, lodges and chapter suites in Panhellenic buildings or chapter rooms whenever possible.

7. A reasonable and agreed upon limitation should be placed on all membership recruitment expenses.

8. A woman may be charged a reasonable membership recruitment registration fee to defray Panhellenic recruitment expenses, when needed.
9. Each College Panhellenic Association shall prohibit the use of alcoholic beverages in membership recruitment and Bid Day activities.

10. Each College Panhellenic Association shall prohibit the participation of men in membership recruitment and Bid Day activities.

11. College Panhellenics using the preferential bidding system are to adopt the NPC Release Figure Method.

12. Recruitment counselors, like Panhellenic officers, should be completely “disassociated” from their respective NPC chapters for the period immediately preceding recruitment (not to exceed 30 days) and during recruitment to ensure that their actions and decisions support the welfare and best interests of the Panhellenic community.

13. In the spirit of no-frills recruitment, all decorations, both inside and out, should be kept at a minimum for recruitment events.

Resolved (2003), That Panhellenic officers be completely “disassociated” from their respective NPC chapters for the period immediately preceding recruitment (not to exceed 30 days) and during recruitment so that their actions and decisions support the welfare and best interest of the Panhellenic community.

14. Recruitment counselors should play no part in the signing process of the MRABA, because they form special bonds with many of the PNMs assigned to their recruitment groups. This makes it difficult for the counselors to remain objective and unbiased. PNMs have the right to make their own decisions regarding the MRABA.

Resolved (2010), That effective no later than fall 2011, recruitment counselors shall not be involved with any PNMs in the process of completing and signing the MRABA.

Fall Membership Recruitment
The National Panhellenic Conference considers early fall to be the optimum time to implement a membership recruitment program, especially a fully structured recruitment, for these reasons:

1. Women’s fraternities seek to emphasize the academic, social, cultural and service components of the college experience. The earlier in one’s college career a student has an opportunity to participate in these programs, the more beneficial the programs will be for the student.

2. Fall recruitment represents an earlier opportunity to assist new students with their adjustment to campus life.

3. Fall recruitment helps to eliminate challenges of predetermined opinions about chapters on campus.

4. Students have the opportunity to adjust sooner to serious academic work through participation in a chapter’s scholarship program, with the opportunity to learn and develop sound study habits from the beginning.

5. Potential new members have earlier opportunities to assume leadership positions within the chapter.

6. Support and mentoring offered by chapter members and alumnae advisors facilitate opportunities for successful adjustment to the college experience.
Other recruitment styles that depend on a flexible time period and may use the chapters’ scheduled events as part of their recruitment program may use a delayed fall recruitment or opt for continuous recruitment during the academic year.

In some situations, the university mandates that a structured recruitment be held after the first term for entering students. In this case, during the fall term concentration should be on marketing the Panhellenic community to freshmen women and providing opportunities for upper class women and transfer students to join women’s fraternities, allowing them to have the maximum time possible to benefit from their membership.

**Recruitment Rules for College Panhellenics**

Certain rules governing membership recruitment are necessary to ensure orderly procedures. Recruitment rules should be simple, fair and few. Long lists of specific rules are not necessary and sometimes create distrust among chapters and members. The spirit of Panhellenic unity is so important, especially during the membership recruitment process. Rules will vary depending on the recruitment style the Panhellenic chooses. However, the Unanimous Agreements and some rules are applicable to all styles of recruitment. When a Panhellenic has developed a code of ethics, there is less need for a long recruitment rule list.

**Sample Recruitment Rules**

Below are sample rules, some of which could apply to all styles of recruitment. Please note that rules are identified as appropriate for CR (continuous recruitment), MSR (minimally structured recruitment), PSR (partially structured recruitment), FSR (fully structured recruitment) or all styles.

**All styles:** All NPC Unanimous Agreements shall be upheld.

**All styles:** All members, including alumnae and new members, are responsible for understanding and observing the membership recruitment rules as well as the Panhellenic code of ethics.

**All styles:** No favors or gifts may be given to women by the fraternity and/or individual members.

**All styles:** Continuous open bidding acceptance binding agreements should be signed as soon as a woman accepts a bid.

**All styles:** There will be no promising of bids directly or indirectly by any member, new member or alumna of a fraternity.

**All styles:** Initiated collegiate members, new members and national fraternity representatives may assist the chapter with membership recruitment activities.

- A woman must be a regularly matriculated student in the institution to be eligible to participate in membership recruitment
- Each College Panhellenic Association shall prohibit the use of alcoholic beverages in membership recruitment and Bid Day activities.
- Each College Panhellenic Associations shall prohibit the participation of men in membership recruitment and Bid Day activities.

Unanimous Agreements

---

All styles: A membership recruitment budget will be established by the College Panhellenic for membership recruitment purposes.

FSR, PSR, MSR: A woman shall attend orientation and membership recruitment events to which she has accepted invitations. In case of illness or an emergency, the woman shall notify the Panhellenic and/or her recruitment counselor. The Panhellenic and/or the recruitment counselor will then notify the chapters involved.

FSR, PSR, MSR: Fraternity members may not buy anything for a potential new member (e.g., a meal, soft drink, etc.).

FSR, PSR, MSR: No fraternity members, including new members and alumnae, may visit a potential new member in her place of residence during membership recruitment.

FSR, PSR, MSR: Strict silence is the period of time from the end of the woman’s last event until the issuance of bids. Strict silence is defined as verbal, written, printed or text message communication between the potential new members and fraternity members, new members or alumnae.

FSR, PSR, MSR: A factual sheet including a list of fees to be incurred by members during collegiate membership, grade requirements and housing obligations will be provided to each potential new member during membership recruitment by each chapter. The College Panhellenic may provide a range of fees as general information.

FSR, PSR, MSR: The MRABA script must be used prior to signing the MRABA to ensure that the potential new members understand this binding agreement.

FSR, PSR: Membership recruitment events are to be held in the women’s fraternity house or a facility specified by the College Panhellenic.

FSR, PSR: MRABAs will be signed immediately after the last event the woman attends.

CR: The MRABA script must also be used prior to signing the COB acceptance binding agreement, but it should be altered to reflect proper COB wording.

Recruitment Guidelines for Potential New Members
The College Panhellenic should provide guidelines to potential new members so they have a clearer understanding of the recruitment process. The recruitment counselors may use this guide for talking points with their counseling groups.

Sample Recruitment Guidelines for Potential New Members

| All styles: A woman is eligible to participate in membership recruitment if she is a regularly matriculated student on campus. | Unanimous Agreements |
| All styles: A woman shall not be, or have ever been, an initiated member of an NPC group and join another NPC group. |
| All styles: A woman is ineligible for membership recruitment if she has been a new member of an NPC fraternity on this campus within the calendar year. |
| All styles: Any woman who signs an MRABA and receives a bid at the end of the membership recruitment will be bound by the agreement for one calendar year at the same college or university. |

All styles: Strict silence is the time during which there is no conversation or contact between women’s fraternity members and potential new members. This includes all references to
fraternities, verbal, written, typed or printed. Strict silence is the period from the end of the woman’s last event until she reports to the fraternity from which she accepts a bid.

**All styles**: A list of all membership financial responsibilities will be given to each potential new member by Panhellenic or each member fraternity during membership recruitment. Panhellenic may give a range of fees as general information.

**FSR, PSR, MSR**: A woman shall provide her own transportation or use transportation provided by Panhellenic to and from membership recruitment events.

**FSR, PSR, MSR**: A woman must contact her recruitment counselor and/or College Panhellenic if she desires to withdraw from the membership recruitment process and complete a withdrawal evaluation.

**FSR, PSR, MSR**: From the beginning of orientation through the end of membership recruitment, no potential new member may visit a women’s fraternity chapter except to attend invitational or open recruitment events.

**FSR, PSR, MSR**: No women’s fraternity member may buy anything for a potential new member.

**FSR, PSR, MSR**: A woman shall not give a promise, either verbal or written, to join a certain fraternity before bids are issued through Panhellenic.

**FSR, PSR, MSR**: A woman will complete the MRABA after the last event she attends. It is a binding contract and once this has been signed, no changes may be made.

**FSR**: Panhellenic names tags will be provided to the potential new members.

## RECRUITMENT STYLES AND IMPLEMENTATION

*Resolved* (2003), That the concept of “no frills” recruitment should be used in any form, model or style of recruitment.

*Resolved* (1991), That all College Panhellenics and their member chapters shall incorporate the following into their recruitment programs as soon as possible:

- Establish guidelines for recruitment budgets and set a cap on recruitment expenses including the value of all donated goods and services in the cap figure.
- Eliminate all outside decorations.
- Confine all recruitment entertainment within the chapter house or other recruitment facility.
- Evaluate all recruitment skits as to length and content.
- Discourage the use of recruitment skits at the first round of events.
- Discourage elaborate costuming and purchase of special outfits.
- Eliminate all gifts, favors, preference letters or notes for potential new members until they have accepted bids.
- Develop conversation and interviewing skills.
- Follow NPC recommendations for release figures
Inside decorations should be kept to a minimum for all recruitment events.

The National Panhellenic Conference supports four recruitment styles:

- Continuous recruitment (CR)
- Minimally structured recruitment (MSR)
- Partially structured recruitment (PSR)
- Fully structured recruitment (FSR)

A "no frills" format is appropriate regardless of recruitment style chosen. College Panhellenics as well as individual chapters remain responsible for ensuring that recruitment events are values-based and reflective of the women’s fraternal experience. Prior to making a final decision regarding recruitment style, the College Panhellenic should review the philosophy of no-frills recruitment and plan to incorporate it into its style selection.

All membership recruitment programs are planned to provide opportunities for the greatest possible number of women to become fraternity members while protecting the rights and privileges of both the individuals and the chapters. Membership recruitment has many processes. Determining and implementing the appropriate recruitment style for a campus requires careful planning.

Resolved (2003), That if the results of the recruitment assessment for a College Panhellenic indicate that a change in recruitment style is warranted, the College Panhellenic may, in consultation with the Fraternity/Sorority advisor and the approval of the NPC area advisor, vote to adopt the appropriate recruitment style for its campus.

The Panhellenic Council, in consultation with the fraternity/sorority advisor and NPC area advisor, assesses its recruitment to determine the style that is best suited for the campus. The Panhellenic completes the assessment following its evaluation of the previous membership recruitment process. (See Membership Recruitment Evaluation and Assessment.) In determining the style, the recruitment assessment and your Panhellenic community characteristics listed on the next pages should be considered.

Resolved (1993), That the implementation of these changes will determine eligibility for NPC award

Continuous Recruitment

**Panhellenic Community’s Characteristics**

- NPC chapters number from one to three.
- Quota is from two to nine (when fully structured recruitment was used).
- Chapters recruit almost as many or more women through COB as during fully structured recruitment.
- Continuous open bidding has been the preferred style of recruitment.

**Campus Characteristics**

- Most women exhibit little interest in or have no plans to affiliate.
- Potential new members are not interested in participating in a centrally planned recruitment process.
Implementation of Recruitment Style Elements

Marketing: Emphasis is on one-on-one marketing, developing relationships and making friends. Panhellenic works together to market all year long, especially in summer or fall prior to recruitment.

Registration: There is a simple registration process, but it is not required. A one-on-one process is emphasized. Cards are provided to each chapter to obtain the name, phone number and e-mail address of potential new members.

Orientation: This process is designed to meet needs of potential new members via e-mail, small-group informational events and sessions with recruitment counselors to provide contact with the women’s fraternal experience. Visits with students in their residence halls, the student union and other areas on the campus should be used for contacting the potential new members and meeting with them. (Most registrations, if used by College Panhellenic, will occur as a result of the orientation.)

Recruitment counselors: While recruitment counselors are not required with continuous recruitment, they can be most helpful to assist with marketing the Panhellenic experience and represent Panhellenic by encouraging women to participate in this experience.

Recruitment schedule: There is no structured schedule. Panhellenic does not set dates for recruitment or offering of bids. Chapters may incorporate recruitment events into their established chapter programs. Those accepting bids sign a COB acceptance binding agreement or an MRABA as determined by Panhellenic.

Release figures: Not used.

Quota: Not used; chapters match to total.

Bid matching: No bid matching is necessary with this style.

Bid Day: There is no formal Bid Day. However, a reception, picnic or other social event may be scheduled at an appropriate and convenient time to honor potential new members. This event must be in accordance with NPC Unanimous Agreements. The potential new member signs a COB acceptance binding agreement if she has not already done so.

Total: It is not needed for this community until it grows. Total should be set high enough to ensure the maximum growth for each chapter.

Resolved (2003), That bid matching is not always applicable to partially structured recruitment, minimally structured recruitment and continuous recruitment, and in such situations need not be used.

Minimally Structured Recruitment

Panhellenic Community’s Characteristics

- NPC chapters number from two to five.
- Quota is no more than 10-12 (when fully structured recruitment is used).
- Chapters need to engage in COB to build their chapters and communities.
- Panhellenic marketing is helpful in stimulating interest.

Campus Characteristics

- The pool of interested potential new members is quite small, but Panhellenic marketing is helpful in stimulating interest.
A centrally planned process such as partially structured recruitment or fully structured recruitment presents barriers in converting the interested women into members because of time restraints.

**Implementation of Recruitment Style Elements**

**Marketing:** Marketing is conducted year round. The College Panhellenic focuses on how to approach potential new members. It uses one-on-one sales and relationship building to attract members. Panhellenic works on marketing and promoting events.

**Registration:** There is a rolling registration, kept simple to promote retention. Registration only includes name, e-mail, address and phone number. This encourages registrants to bring friends and make it easy.

**Orientation:** Panhellenic may hold multiple orientation events or open houses in various locations that are appropriate to the campus to stimulate interest and provide information to the potential new members. These events should be held prior to a minimally structured recruitment.

**Recruitment counselors:** Recruitment counselors are instrumental in maintaining contact and providing support and continuity. They may staff a central e-mail contact to provide information and sustain interest.

**Recruitment schedule:** Chapters collaborate through Panhellenic to ensure there are no schedule conflicts with their planned events. Potential new members are free to explore the available options at their discretion and are not required to visit all chapters.

**Release figures:** Not used.

**Quota:** Not used; **chapters pledge to total.**

**Bid matching:** There is no bid matching, because potential new members are not required to visit all chapters.

**Total:** Chapters pledge to total.

**Bid Day:** There is no structured Bid Day. Potential new members sign a COB acceptance binding agreement after they accept a bid. A short event that is specific to the campus traditions and situation may be planned by the College Panhellenic to welcome all new members. Written welcomes and congratulations may be distributed as well as submitting a notice to appear in the campus newspaper.

**Sample Minimally Structured Recruitment Schedule**

**Schedule for campus with three NPC chapters**

**Week 1**

- **Friday evening and Saturday morning** — Orientation meetings
  
  The Panhellenic may determine that concentration be on a series of orientation events and have only one event per chapter prior to a final or Preference event.

- **Saturday afternoon** — Only potential new members who are interested attend events.
  
  45-minute event (Chapter 1)

- **Sunday afternoon** — 45-minute event (Chapter 2)

- **Sunday evening** — 45-minute event (Chapter 3)

- **Thursday evening** — 45-minute event (Chapter 1)
- **Friday evening** — 45-minute event (Chapter 2)
- **Saturday evening** — 45-minute event (Chapter 3)

**Week 2**
- **Sunday afternoon** — 1-hour final event (Chapter 1)
- **Sunday evening** — 1-hour final event (Chapter 2)
- **Monday evening** — 1-hour final event (Chapter 3)
- **Tuesday afternoon** — Bids are distributed at a time set by Panhellenic. Bids are given by individual chapters or by Panhellenic. An MRABA or a COB acceptance binding agreement is signed. A script is read to potential new members before signing either of these agreements.

**Partially Structured Recruitment**

**Panhellenic Community’s Characteristics**
- NPC chapters number from three to nine.
- Quota is 15-20 (if fully structured recruitment process is used).
- Community may be losing chapters or has lost them.

**Campus Characteristics**
- Pool of potential new members initially interested in women’s fraternal life is large enough for a central planning process.
- Fully structured recruitment presents a barrier in converting the interested women into members (large withdrawal rates).

**Implementation of Recruitment Style Elements**

**Marketing**: It is extremely important to market using a professional approach. Complete the marketing assessment to understand why the system is no longer drawing interest as it once did. Panhellenic should seek to attract those who might be interested in joining. “Silence” should be eliminated if it exists in the recruitment rules.

**Registration**: Simplify registration, and keep it open as long as possible beyond the Open House round. Encourage registrants to bring friends.

**Orientation**: Panhellenic implements multiple events in different locations to stimulate interest. Make these events much more than providing rules and schedules.

**Recruitment counselors**: Panhellenic should train recruitment counselors to sustain contact with potential new members, retain their interest in recruitment and improve retention.

**Recruitment schedule**: The timing of recruitment is determined by Panhellenic. Recruitment events are scheduled with flexibility in mind so potential new members will not withdraw because of the scheduling format. Hold initial events in neutral on-campus locations with representatives from all NPC groups, if possible. Consider values-based themes that will persuade “maybe joiners” to remain in recruitment and ultimately affiliate. Potential new members are required to attend at least one event for each women’s fraternity. Events are scheduled so potential new members can attend several events. Panhellenic sets the date for distribution of bids. (See sample schedule.)

**Release figures**: If traditional rounds are used, the NPC Release Figure Method is implemented. If traditional rounds are not used, then a custom approach managed by an RFM consultant is advisable.
**Quota:** It is the number of potential new members (determined at the end of recruitment) that each chapter is allowed to take regardless of a chapter's total membership number. Every chapter is entitled to bid the same quota number.

**Quota range:** When using the RFM, a quota range is given as an indication of where the actual quota number will ultimately be determined. During bid matching, each of these numbers is processed on the computer so the RFM specialist and Fraternity/Sorority advisor may determine the most appropriate number for the Panhellenic.

**Bid matching:** Bid matching is done with most implementations of PSR. If the number of chapters is small and there is a limited number of potential new members, then the structure would be adjusted so it would not be necessary to match bids.

**Total:** The ideal number of members for a particular Panhellenic is determined after research and discussion. Total is evaluated after recruitment, and each chapter’s NPC delegate should be consulted before voting takes place.

**Bid Day:** It is a short Panhellenic event to welcome new members. Locations and timing are determined by local campus needs and situations. Parents may be invited to this event.

---

**Sample Partially Structured Recruitment Schedule**

**Schedule for campus with seven NPC chapters**

(This schedule culminates in bid matching.)

**Event I** — Panhellenic Fair event. The College Panhellenic hosts an open event or simultaneous events on campus in centrally located areas. Greeters are College Panhellenic officers, recruitment counselors and a selected group from each chapter. Displays, discussions and a schedule of events offered by the chapters are available.

**Event II** — Open House tours available to all potential new members.

Recruitment counselors may escort or greet potential new members at the chapter site.

Potential new members sign in at each event so that a record of attendance is kept.

**Event III** — Chapters have events during the week, with events of their choice (two to three events).

Events are scheduled for potential new members’ convenience (after classes, weekends and evenings).

**Event IV** — Invitational Preference events are scheduled.

Chapters call or give invitations to their guests.

Guests may attend a specified number of events determined by Panhellenic.

At the conclusion of preference events, all potential new members are given the opportunity to sign an MRABA form with their choices in order and submit it to the College Panhellenic.

Bid matching takes place.

**Event V** — Bid Day.

The College Panhellenic determines the time and place for giving bids.
Fully Structured Recruitment

Panhellenic Community’s Characteristics
- NPC chapters number from four to 26.
- Quota is 20 or more.
- More than 10 percent of female students usually affiliate.

Campus Characteristics
The number of potential new members is relatively large, and registration for recruitment remains high.

Implementation of Recruitment Style Elements
Marketing: With this style, the marketing program should sell the value of Panhellenic friendship and emphasize the opportunity to gain information about all groups. Recruitment should be formatted and marketed in a way that projects a positive image of NPC membership, with emphasis on marketing to parents.

Orientation: Alumnae/university representation provides a lifetime visual. Sell the value of Panhellenic friendship in addition to providing information on recruitment logistics, with special emphasis on the needs and interests of the potential new members.

Recruitment counselors: Use recruitment counselors. Improve and enhance selection criteria, improve training and minimize duration of the disaffiliation.

Registration: Detailed registration information is requested to assist groups with the strongest returns to make informed releases earlier without violating the privacy rights of potential new members.

Recruitment schedule: Use "no frills" recruitment by minimizing costs, time and investment. Use meaningful values-based themes. Panhellenic determines the time and number of events and rounds. Potential new members participate in the mutual selection process. Panhellenic determines the time bids are issued.

Release figures: The NPC Release Figure Method is used.

Quota range: When using the RFM, a quota range is given as an indication of where the actual quota number will ultimately be determined. During bid matching, each of these numbers is processed on the computer so the RFM specialist and the fraternity/sorority advisor may determine what is the most appropriate number for that Panhellenic.

Bid Matching: Bid matching is always done. The preferential bidding system is used, and an MRABA is always signed.

Snap bidding: It is used to help chapters that did not reach quota.

Bid Day: Panhellenic issues bids and may provide a short welcome event for new members. Location and timing is determined by local campus needs and situations. Parents may be invited to this event.

Continuous open bidding: Encourage chapters to reach quota/total through COB.

Quota Additions and Snap Bidding Timeline
Quota additions occur immediately following bid matching. The unmatched potential new members are matched to chapters that have already filled quota, and the potential new members must be listed on the chapter’s preference list.
Additional requirements:
Potential new member eligibility for quota additions

- **For College Panhellenics with two preference events**: This procedure shall never include a potential new member who lists one chapter on her MRABA if she attends two preference events.

- **For College Panhellenics with three preference events**: This procedure shall never include a potential new member who lists only one or two chapters on her MRABA if she attends three preference events.

- **The potential new member must have participated in all possible events each round to which she received an invitation and accepted.**

- The potential new member must have listed the chapter on her MRABA.

Chapter eligibility for quota additions:

- Chapter must have followed the RFM throughout recruitment.

- Chapter must have already filled quota.

- Chapter must have the potential new member listed on the chapter’s bid list or the snap bid list.

Resolved (2007), That quota additions shall be placed by the Release Figure specialist in collaboration with the fraternity/sorority advisor in a manner that is optimal for the system, potential new members and the situation even if such placement exceeds quota by more than 5 percent;

That in placing quota additions, the Release Figure specialist and the fraternity/sorority advisor shall consider and balance preference for chapters with smaller total membership, for placing potential new members with chapters with lower relative recruiting strength, for potential new members’ first choice, for even distribution of potential new members, and for potential new member position on a chapter’s bid list;

That this quota addition procedure shall **never include** a woman who has failed to accept or attend any membership recruitment event for which there was room in her membership recruitment schedule (with a fully structured or partially structured recruitment), or has failed to list on her membership recruitment acceptance binding agreement (MRABA) all fraternity chapters appearing on her Preference schedule; and

The goal of quota additions is to achieve as much parity as possible while matching the remaining potential new members who completed the membership recruitment process in good faith. For campuses not using the Release Figure Method, careful consideration should be given in placing quota additions.

If it was determined that the Panhellenic would use quota additions, then snap bidding follows the completion of quota additions. If quota additions are not used, then snap bidding immediately follows bid matching.

Snap bidding is an option for chapters that did not fill quota.

- Chapters should have a prepared list of women they would bid should they not be matched during the regular bid-matching process.

- The recruitment chairman or the recruitment advisor of chapters not matching to quota will be notified to bring their list to the fraternity/sorority advisor.
• The procedure is used only to fill quota spaces and not spaces in total.
• All potential new members who attended at least one event during formal recruitment are eligible for snap bidding.
• Women listing intentional single preferences on their MRABA are also eligible for snap bidding.

The College Panhellenic recruitment chairman or the fraternity/sorority advisor works with the chapters not making quota, and either the fraternity/sorority advisor or the Panhellenic president contacts the potential new members to extend these invitations.

• A potential new member may be offered more than one snap bid at a time, and for this reason it is advisable for the fraternity/sorority advisor or the Panhellenic president to be the person to contact the potential new member.
• It is important for the potential new member to understand that she is receiving more than one opportunity to pledge if that should be the case.
• During this time the Panhellenic recruitment chairman monitors who has accepted the snap bids and presents the MRABA for the potential new member to sign.

Once snap bidding is over, bids are distributed and Bid Day activities may begin. COB begins as soon as the bids are distributed or at a previously agreed upon and designated time.

QUOTA
Quota/Total
Quota/total is an orderly procedure that maximizes the opportunity for potential new members and chapters to successfully complete a fully structured recruitment.

The goals of quota/total are to:
- Give each woman the maximum opportunity to pledge.
- Provide the fraternity experience to as many women as possible.
- Maintain adequate strength in all fraternity chapters.
Quota is the number of women each fraternity may pledge during a fully structured recruitment process. Quota was developed to provide for the management of potential new members. It is used with fully structured recruitment and may be used with partially structured recruitment. Quota/total, in combination with the preferential bidding system and continuous open bidding, adjusts to changes in campus situations and safeguards the rights and needs of all the chapters.

**Quota Range and Setting Quota**

To optimize the number of potential new members matched and to achieve parity, where possible, quota range is used prior to setting quota. Quota is not set until the final or preference round has been completed and the results are factored into the equation.

Resolved (2004), That the College Panhellenics provide a range for quota (quota range) to chapters for planning purposes at each round during fully structured recruitment; and

Resolved, That quota be set after the final round of formal recruitment.

**Determining Quota Range**

A range for quota is set using a multiple-step process:

1. Determine the weighted average of the percentage of potential new members who signed MRABAs over the past three years. An example is shown below.

<table>
<thead>
<tr>
<th>Attending Open House</th>
<th>Sign MRABAS</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Last year</td>
<td>400</td>
<td>340</td>
</tr>
<tr>
<td>2 years ago</td>
<td>360</td>
<td>288</td>
</tr>
<tr>
<td>3 years ago</td>
<td>375</td>
<td>325</td>
</tr>
</tbody>
</table>

Weighted average:

\[
\frac{[(3 \times .85) + (2 \times .80) + (1 \times .87)]}{6} = 84 \text{ percent}
\]

A three-year weighted average is used when three years of accurate data is available. If only two years of data is available, the most recent year is weighted with a x 3 and the year prior with a x 2. You would then divide by 5 instead of 6. If only two years of data is available, it is also possible to take a straight average.

2. Determine estimated quota

<table>
<thead>
<tr>
<th>Attending Open House this year</th>
<th>380</th>
</tr>
</thead>
<tbody>
<tr>
<td>Number of chapters participating</td>
<td>8</td>
</tr>
<tr>
<td>Estimated percentage of PNMs to sign MRABAs</td>
<td>84 percent</td>
</tr>
<tr>
<td>Estimated number of PNMs to sign MRABAs (380 x .84)</td>
<td>319</td>
</tr>
<tr>
<td>Quota estimate (319 ÷ 8)</td>
<td>40</td>
</tr>
</tbody>
</table>

3. Determine quota range

Based on statistics, withdrawal rates seldom swing higher or lower than 8 percent. To calculate quota range, a positive 8 percent will be used for the high end and a negative 8 percent will be used for the low end. (A positive 8 percent would be computed as 100 percent + 8 percent or 1.08 x quota. The negative 8 percent would be calculated as 100 percent - 8 percent or 0.92 x quota.)

| High end (40 x 1.08) | 43 |
| Low end (40 x 0.92)  | 37 |
4. At the conclusion of recruitment, the fraternity/sorority advisor runs the numbers 37 through 43 through the computer program to determine the level of quota that is in the best interest for the system. The number selected is the one that maximizes the number of potential new members to be placed without seriously harming one or more chapters.

**Quota, once established, should not be changed until the next membership recruitment period, when a new quota will be set.**

Each NPC fraternity chapter has the right to continuous open bid to reach quota or its total allowable size during the regular school year as defined by the school calendar.

### Vacancies in Quota

When a woman negates her signed membership recruitment acceptance binding agreement, refuses to accept her matched bid at the conclusion of membership recruitment and does not participate in a ribbon or formal new member ceremony, this space in the chapter’s pledge quota was not filled. Therefore, the chapter may immediately bid and pledge another woman, even if the chapter is over total. However, if the chapter has received quota additions, the chapter may only pledge additional women to the established quota and not to the quota plus quota additions. Example: If quota is 25, and a chapter receives quota (25) plus two quota additions for a total of 27 new members, and three new members do not accept their bids, the chapter may pledge woman to fill to the quota of 25.

#### Statistical Information and Recruiting Strength

- What statistical information must each chapter submit in order to use the RFM?
- Did you know that this statistical information ultimately determines “recruiting strength” when the information is entered into the computer?
- Does everyone understand that the “recruiting strength” of each chapter is known only to that chapter?
- Did you know that if the Panhellenic requests it (determined by vote of the Panhellenic), the top and median recruiting strength figures may be given to all groups without revealing which chapters? Did you know that this enables each group to determine in what general position it recruits?

#### Release Figure Method Specialist

- Who is the RFM specialist for your Panhellenic? Who is the “point person” for your Panhellenic?
- How and when does the RFM specialist communicate with Panhellenic?
- Preliminary Figures and Release Figures
- Will the chapters have any preliminary figures given prior to recruitment?
- How are release figures determined? When will each chapter be told its release figures for each round?

#### Flex List

- Does every chapter and advisor understand the flex list and its advantages?
- Invitations
Does every chapter and advisor understand the importance of inviting the maximum number of potential new members allowed for each round?

Preference Event Attendees
Does each chapter and its members understand that they must be willing to take as a member each woman invited to their preference event(s)?

Quota Range
Does every chapter and chapter advisor understand quota range? Who determines quota range? When?
Does every chapter member, chapter advisor and fraternity/sorority life staff member realize that when using the RFM, a specific quota will no longer be voted on by Panhellenic or the recruitment chairmen?

Membership Recruitment Acceptance Binding Agreement (MRABA)
Does every chapter member, Panhellenic officer and recruitment counselor understand the MRABA and further understand that a potential new member may choose to list no group, one group or as many groups with which she attended preference events, and that she must not be forced to list any group to which she is not willing to accept membership?
Does every chapter member, Panhellenic officer and recruitment counselor understand that the MRABA is a Unanimous Agreement of NPC?
Is each potential new member aware of this Unanimous Agreement? Does she understand that if she lists a chapter on her MRABA and receives a bid, then ultimately refuses the bid, she may not pledge another group for one calendar year?

Recruitment Counselors
Are all recruitment counselors well-trained?
Are the recruitment counselors prepared to properly counsel potential new members who either receive no invitations or do not receive the invitations they would like to receive, decide to drop out of recruitment or do not match after bid matching?

Recruitment Rules
Are the recruitment rules reasonable? Are they understandable?

Code of Ethics
Has the Panhellenic developed a code of ethics? Does every chapter and its members understand ethical behavior, and are they committed to following the code of ethics?

RFM Specifics
Are Panhellenic and the fraternity/sorority life staff aware that for the RFM to work properly, specifics must be followed?

Do you see a question you can’t answer? Check your NPC Manual of Information, 16th Edition, or call your NPC area advisor or RFM specialist.

RELEASE FIGURES
On campuses using fully structured recruitment and on many campuses using partially structured recruitment, College Panhellenics use release figures to manage the number of invitations issued by each participating chapter.
The purpose behind the use of release figures is threefold:
1. To enable each women’s fraternity to invite a sufficient number of potential new members to each event to attain quota at the conclusion of recruitment.

2. To allow each potential new member to methodically investigate realistic options and ultimately match with a women’s fraternity for which she has a preference among those options.

3. To maximize the number of potential new members who ultimately affiliate with a women’s fraternity through recruitment.

From the early 1970s until 2003, a formula now referred to as the law of averages (LOA) was used in most instances to determine the number of invitations issued by each chapter on a given campus. There were initial benefits to the widespread implementation of this formula. However, over time the LOA premise proved to be flawed for the use of release figures. Under this approach, many Panhellenics lost chapters because the use of the formula made it impossible for the chapter with the lowest recruitment returns to achieve comparable size. Also, many potential new members were statistically eliminated from recruitment as chapters with the highest recruitment returns carried many more women than necessary to attain quota, often leaving a high number of potential new members unmatched after the bid-matching process.

In 2003, NPC adopted a new method that has proved to do a better job in achieving parity and optimizing potential new member matching on most campuses that have implemented the process.

Resolved (2003), That the alternative methodology for release figures be adopted over a period of up to three years and designated as the NPC process for release figure management. The new management of release figures differs from the formerly used approach, because it does not involve a simple formula. Instead, the new methodology, the Release Figure Method or RFM, involves a multiple-step process. With this method, the chapters with the highest return percentages invite fewer potential new members than under the LOA approach. This enables the statistically weaker recruiting chapters to have sufficient numbers of potential new members to match a greater number toward quota.

Comprehensive step-by-step instructions are beyond the scope of this manual. Fraternity/sorority advisors and the Panhellenic membership recruitment committee may request the RFM, which provides a more detailed description of the process itself, as well as suggestions on how to prepare chapters for the transition to using the RFM.

Members of a specially trained committee, the NPC release figure specialists, are available to assist campuses in transitioning to the RFM. No Panhellenic should attempt to implement the RFM without NPC assistance. (Please note that the math modeling behind the RFM, as well as the software used to implement it, are proprietary and cannot be reproduced.) Also note that the software for the RFM does not interact or change while using any of the computer programs for invitations and bid matching.

Implementation of the RFM began in 2004 on a number of fully structured recruitment campuses. Other campuses have implemented this method since that time with excellent results. The process will be continually reviewed and enhanced for the next several years.

**PREFERENTIAL BIDDING SYSTEM**

Each campus is assigned an RFM specialist who works with the Panhellenic during recruitment. It must be noted that it is imperative for all chapters to follow all directions and all steps and to invite the maximum number of potential new members allowed for each round in order for the RFM to properly work.
Chapters will be asked to prepare a flex list for each round. This will be fully explained by the fraternity/sorority advisor, who will receive direction from the RFM specialist.

The College Panhellenic provides the printed Membership Recruitment Acceptance Binding Agreement and the continuous open bidding acceptance binding agreement forms. The MRABA must be used at the conclusion of fully structured recruitment. It may also be used in partially structured recruitment and minimally structured recruitment. A COB acceptance binding agreement is used for continuous recruitment and continuous open bidding.

Explanation for Potential New Members

Signing the Membership Recruitment Acceptance Binding Agreement

The members of the National Panhellenic Conference want every potential new member to be informed about her options for joining a women’s fraternity. To be certain that each woman has this information, this script must be used immediately prior to signing the membership recruitment acceptance binding agreement. The script may be used for either a two- or three-Preference event schedule.

Good evening. You have just completed some of the busiest days of your college career. Now you have the opportunity to make a decision that will broaden your college experience and introduce you to a nationwide network of friends.

Please carefully consider the following points as you complete your membership recruitment acceptance binding agreement.

1. Your options when considering your agreement are:
   - You may choose not to complete an agreement at this time.
   - You may choose to list any sorority whose preference (last) event you attended and from whom you are willing to accept an invitation to membership (a bid).
   - You may choose to list only one preference, but you must understand that this will limit your potential to join any other NPC group during formal recruitment should you not be placed with your single (only) choice.

2. When you sign this acceptance agreement, you are agreeing to accept an invitation to membership from any NPC fraternity/sorority that you have listed.

3. Once the acceptance agreement has been turned in to the representative of the College Panhellenic Association, it cannot be altered or changed.

4. If you receive an invitation to membership (a bid) from any NPC group that you have listed, and you choose not to accept it, you may not pledge any other NPC women’s fraternity/sorority on the campus for one calendar year from the time of this signing.

[Explain the Unanimous Agreements and show the NPC Manual of Information, 16th Edition. Then read III: The Panhellenic Compact, No. 4.]

If you do not receive an invitation to membership (a bid) from any NPC group that you have listed, you are eligible for continuous open bidding. You must understand that not all NPC groups will have available places for new members.
Membership Recruitment Acceptance Binding Agreement*

Name _____________________________________________________________________________
Campus address _____________________________________________________________________
Campus phone number _______________________________________________________________

I have participated in the membership recruitment period at ___________________________________

[Name of college or university].

By signing this acceptance agreement, I understand and agree to the following terms.
Please read and initial each of the following:

— I am willing to accept an invitation to membership from any women’s sorority (fraternity) that I list on
this agreement.
— I may limit my choices to just one OR list any women’s sorority (fraternity) whose preference-round
(last) event I attended, and from which I am willing to accept membership. I realize that by not listing
the maximum number of events I attended, I may be limiting my potential to join any other NPC group
during formal recruitment should I not be placed with my choice(s).
— Once I submit this agreement to the College Panhellenic Association, I cannot change the order of my
preferences or add or delete a preference.
— If I do not receive an invitation to membership from a group that I have listed, I am eligible for
continuous open bidding.
— I have the option of not submitting an agreement at this time.
— Once I submit this agreement, I am bound by the National Panhellenic Conference one-calendar year
rule. This rule states that if I receive an invitation to membership from a group that I have listed and
then do not accept it, I am not eligible to be pledged to any other NPC member sorority (fraternity) on
this campus for one calendar year (12 month period) from the time of this signing.

Signature ______________________________________________________________

By signing this form you are agreeing to accept a bid from any of the women’s sororities you list below and if
offered, you are bound to that bid for one calendar year.

Date ______________________________________________________________________________

I agree to the terms stated above, and I am willing to accept an invitation to membership from any of the
following women’s sororities (fraternities) whose preference event I attended (listed in order of
preference):

1st preference _____________________________________________________________________________
2nd preference ___________________________________________________________________________
3rd preference (if attended 3 events) ___________________________________________________________________________

Signature ______________________________________________________________

Date ______________________________________________________________________________

The form is to be completed by the potential new member.
1. Immediately following her final Preference event, the potential new member goes to the Panhellenic
designated place to receive her printed MRABA to be signed in privacy.
2. The potential new member is encouraged to list on this card any women’s sorority (fraternity) whose
preference (last) event she attended and from which she is willing to accept a bid to membership.

3. A signed Membership Recruitment Acceptance or Continuous Open Bidding (COB) Acceptance is binding.  Unanimous
Agreements

Bid Matching
To ensure that bid matching is a successful procedure, the following factors are necessary:
1. A woman must be willing to accept a bid from any fraternity that she lists on her MRABA.
2. A fraternity should be willing to issue an invitation to membership to any woman who is invited and attends its preference event. The name of every woman whom the fraternity invites to attend and who attends that fraternity’s Preference event should appear on the fraternity’s bid list.
3. A period of silence exists from immediately following the final Preference event to the time when women pick up their invitations to membership. Twenty-four hours of silence should be the maximum time allowed for bid matching and distribution of invitations to membership. A shorter time discourages unethical pressures.
4. Confidentiality is important. All participating personnel must comply.
5. Undergraduate members never participate in the bid matching process.
6. If bid matching is not computerized, each chapter is entitled to and expected to have one or more alumna representatives present to handle their chapter’s bid list. The integrity of the recruitment program is destroyed when all personnel do not keep strict confidentiality.
7. There are no Panhellenic regulations covering legacies. Legacy regulations are chapter specific. Panhellenic recruiting regulations apply to all women equally.
8. Fraternity members remain in their own chapter houses or rooms to receive their new members if there is no Panhellenic welcome event.
9. The day during which bids are accepted is considered the final day of the membership recruitment program, and all membership recruitment rules and NPC Unanimous Agreements prohibiting the use of alcoholic beverages and participation of men in membership recruitment are in effect.

Resolved (2003), That bid matching is not always applicable to partially structured recruitment, minimally structured recruitment and continuous recruitment, and in such situations need not be used.

New Member Lists
Whether bid matching by computer or by hand, each chapter’s recruitment chairman is responsible for checking the list of new members on her list to establish that all names were women who attended that chapter’s preference events and were listed on that chapter’s bid list.

Resolved (2005), That the NPC reaffirms that a fraternity should be willing to issue an invitation to membership to any woman who is invited and attends its Preference event.

Resolved (2005), That NPC reaffirms that the name of every woman whom a fraternity invites to attend and who attends that fraternity’s Preference event should appear on the fraternity’s bid list.

Bid Lists
1. At a specified time, each fraternity turns in the list of women it wishes to invite to membership.
   A. Lists are prepared in duplicate; one copy is for use in bid matching, to be retained in a confidential file, and the other is to be returned to the alumna representative of the chapter when bid matching is completed.
   B. Fraternity bid lists are typed on paper ruled in three columns:
i. Left column: A preferential list of the chapter’s first choices numbered up to the limit of quota.
ii. Right column: A list in preferential order of the chapter’s additional choices, which may number as many as the chapter wishes.
iii. Center column: A blank list numbered to the quota limit. This column is where matched bids will be entered.

C. Whether bid matching by computer or by hand, each chapter’s recruitment chairman is responsible for checking the list of new members on her list to establish that all names were women who attended that chapter’s preference events and were listed on that chapter’s bid list.

2. With its bid lists, each fraternity provides the Panhellenic with enough formal invitations to membership in envelopes for each potential new member expected to be pledged. These invitations are addressed after bid matching is completed.

Bid Matching by Hand

1. People attending bid matching include the reader, the tabulator and at least one alumna to handle the bid list for each fraternity.

2. Before bid matching begins, names of all women who chose not to sign an MRABA shall be crossed off all preference lists and lists adjusted to fill the vacancies.

3. After alphabetizing the MRABAs, the reader calls the woman’s name and her first choice. If the fraternity of the woman’s choice has placed her name on its first bid list, it is a matched bid and all others cross her name from their lists. Her name is then entered in the center column of the fraternity list of the group to which she is being matched. If the woman’s name is not on the fraternity’s first bid list, her MRABA is placed on hold for the next read-through. The number of read-throughs, always considering the woman’s first choice, can be unlimited.

4. Names of women who list only one preference and are unmatched at the first reading are crossed off all other bid lists and their cards placed on hold for the next read-through.

5. Each time a name is crossed off a fraternity’s first bid list, if there are still openings in the fraternity’s pledge quota, a name from the fraternity’s second bid list is moved, in the listed order, to the bottom of the unmatched names remaining on the first list. The number of unmatched names on the adjusted first bid list and the number of those pledged must always equal quota (unless a chapter has run out of names to add from its second bid list).
6. A fraternity’s listed order of preference will be strictly observed at all times during the bid matching process. At no time will the fraternity’s list be matched with a name that is out of its specified order of sequence for membership selection.

7. The MRABAs placed on hold in Steps 3 and 4 are read according to the first choice of the woman. The process is repeated as long as there is a possibility of the potential new member receiving a bid from the fraternity of her first choice.

8. A woman shall never be matched with her second-choice fraternity unless her first-choice fraternity has filled its quota prior to reaching her name on its bid list. (The same principle applies to second, third or subsequent choices.)

9. When the bid matching process is complete, the tabulator reads the results, and all bid lists are reviewed and certified for complete accuracy.

**Blocked or Gridlock Condition**

Occasionally during bid matching, a blocked or gridlock condition may occur. Gridlock occurs when, after several readings of the preferences listed on MRABAs that have been placed on hold, it is no longer possible to match women’s preferences to a fraternity’s bid list.

The following procedure will break this blocked or gridlock condition, allowing normal bid matching to resume.

1. Using the bid list of the woman’s first-choice fraternity, determine the number of the fraternity’s confirmed matches at that point (i.e., the number of names listed in the center column of that fraternity’s bid list). Add that number to the total number of unmatched names that precede the name of the woman under consideration. **Add only the preceding names that also have named this same fraternity as their first choice.**

2. If the sum equals or is greater than quota, it is apparent that the fraternity will be matched to its quota before the name of the woman in question can be read. At this point the reader calls the woman’s second choice fraternity and bid matching can continue.

3. If the woman’s second choice is not matched at this reading, her MRABA is placed again in the hold category, and bid matching is resumed.

**Resolved** (1994), That when a College Panhellenic uses a computer bid-matching program that results in a gridlock, such gridlock shall be resolved by the hand-match process described in the National Panhellenic Conference Manual of Information.

**Bid Matching by Computer**

NPC does not endorse or ascribe to any specific computer bid-matching system. If a computer bid-matching program is contracted for and used by a College Panhellenic, NPC cannot be held responsible for any discrepancies or results of that program. (See **Selecting a Computer Program**.)

1. The selection of a system that incorporates the “hold and release” concept is recommended, because this method maximizes the number of women matched to their first preference.

2. Computer operators should be fully trained and understand the bid-matching procedure.

3. Adequate instructions and equipment for marking of MRABAs and chapter bid list cards will avoid unnecessary problems. (Light or extraneous marks on a card can nullify it.)

4. Enough time must be allotted to double check the information on a woman’s computer MRABA with the computer printout by the fraternity/sorority advisor or alumna representative.
5. Chapter computer bid lists are verified for accuracy by each alumna representative.

6. The master list contains a record of withdrawals and when they occur. It is important to make a distinction between withdrawals, no preference, no options and intentional single preferences on the master list to avoid errors.

7. Error tracking or an audit trail is essential to the success of computer bid matching, and time must be allowed for this process to take place.

8. Hand bid matching alternatives should be available in the event of computer malfunction or gridlock.

**Quota Additions**

*Resolved* (1991), National Panhellenic Conference continues to recommend that bids be matched to quota only. The Conference recognizes, however, that unusual campus conditions may indicate that some women whose bids fail to match in the normal bid-matching process may be placed even if this puts a chapter over quota through quota additions. The NPC Release Figure Method should eliminate most of the unmatched bids.

The following procedures should be followed if women whose bids did not match in the normal course of bid matching must be placed in fraternity chapters that have already reached quota.

No College Panhellenic may adopt this quota addition procedure unless there is compliance with the NPC Release Figure Method for release figures. The release figures are based on a three-year statistical study.

The woman will be matched to the fraternity chapter she has listed on her membership recruitment acceptance binding agreement.

This procedure shall never include a woman who lists an intentional single preference on her MRABA or one who has failed to accept or attend any membership recruitment event for which there was room in her membership recruitment schedule (with a fully structured or partially structured recruitment).

Quota additions do not raise or increase the number of quota, and this process is used only during the bid-matching process itself. Quota additions do not create quota vacancies under any circumstances. Quota additions are never involved in continuous open bidding.

In the quota addition assignment process at the conclusion of regular bid matching, fraternity/sorority advisors are encouraged to distribute quota additions as evenly as possible among the chapters. The goal is to achieve as much parity as possible among the new member classes while matching the remaining potential new members who completed the process in good faith.

**Snap Bidding**

Snap bidding is an option available to chapters that did not fill quota spaces in bid matching, whether matching by hand or by computer. Snap bidding is done before bids are distributed. Snap bidding is not intended to fill spaces in the chapter total. **Snap bidding is limited to any woman who participated in the designated membership recruitment process.**

If none of the woman’s preferences have matched a fraternity’s bid list, the Panhellenic Membership Recruitment Committee may contact the woman and ask if she will accept a bid from a fraternity not previously listed among her choices, provided the fraternity has her name on its bid list. A woman not receiving a bid is immediately eligible for recruiting and pledging.
Snap bidding is under the direction of the College Panhellenic Membership Recruitment Committee, working with the chapters that have quota vacancies. A signed MRABA shall be filed with the College Panhellenic before a woman who has accepted a snap bid may be pledged. Snap bidding shall begin immediately after bid matching and end with the distribution of bids, at which time continuous open bidding will begin.

Unfilled Quotas
If a fraternity has not filled its quota through bid matching in membership recruitment, the College Panhellenic Membership Committee may immediately ask if the fraternity wishes to extend a bid to anyone not originally on its bid list.

Membership Recruitment Records
Panhellenics should keep on file for two calendar years all records used in bid matching and COB. Because of their confidential nature, these records should be carefully protected until destroyed.

Continuous Open Bidding

| Each NPC fraternity chapter has the right to COB to reach quota or its total allowable chapter size during the regular school year as defined by the school calendar. | Unanimous Agreements |

To accommodate the colonization of a chapter or to allow a chapter to build its membership, the College Panhellenic may vote to suspend COB for a period not to exceed three weeks.

The purpose of COB is to enable those chapters that did not pledge quota, or pledged quota but did not reach total, to take additional new members immediately following the designated membership recruitment period. The intent of COB is to provide maximum opportunities for membership to the greatest number of chapters possible. For campuses that are doing COB activities to pledge upper class women in the fall – freshmen should not be attending these recruitment events.

**COB is not intended to precede or take the place of the regular membership recruitment period, nor is it intended that COB begin prior to fall membership recruitment.**

On campuses with deferred (second term) membership recruitment, any COB prior to the scheduled membership recruitment period shall be limited to upper class and transfer women. COB would not apply to freshmen until after the designated membership recruitment period, as provided for in the Unanimous Agreement III, Panhellenic Compact.

BID DAY
Bid Day is the culmination of the recruitment process. All College Panhellenics, regardless of the recruitment style used on campus, should use Bid Day as an opportunity to welcome new members to the fraternity/sorority community. Although each fraternity will plan individual activities for its new members, Bid Day is an opportunity for College Panhellenics to build Panhellenic spirit and unity that will affect the new members as they continue through the college years and beyond. The type of Bid Day event should be determined by the individual campus and recruitment style. (See Implementation of Recruitment Style for Bid Day activities for specific styles.)

Unanimous Agreements

Each College Panhellenic shall establish a Bid Day to conclude the fully structured membership recruitment period. A Bid Day is the scheduled time when invitations to membership are issued.

Each College Panhellenic shall prohibit the use of alcoholic beverages in membership recruitment and Bid Day activities.

Each College Panhellenic shall prohibit the participation of men in membership recruitment and Bid Day activities.

MEMBERSHIP RECRUITMENT EVALUATION AND ASSESSMENT
Goal of Recruitment Annual Review
The goal is to evaluate, assess and determine the needs of the Panhellenic’s recruitment program through a step-by-step process. The information is necessary for planning the next recruitment.

The College Panhellenic Council evaluates all aspects of the membership recruitment program immediately after its conclusion. Input from chapter officers, advisors and new members from the recently completed recruitment is reviewed and discussed. Also, it is important to determine reasons women withdraw from a fully or partially structured recruitment. An evaluation for those women who withdraw from the recruitment process is also included in this section. In order to encourage those women to complete the evaluation, some College Panhellenics have offered a full or partial refund of the recruitment fee paid.

The following pages show samples of evaluations that may be expanded to fit a particular College Panhellenic’s recruitment. **Valuable insight will be gained from studying the results of the evaluations.**

Sample Membership Recruitment Evaluation: Chapter Members and Advisors
Obtaining chapter member feedback about the membership recruitment process is another important step in the evaluation process. Feedback can be gathered in any or all of the following ways:
1. Distribute a brief written survey to each chapter member.
2. Have chapter membership recruitment officers or Panhellenic delegates lead discussions with their chapters. Provide a brief written summary to Panhellenic.
3. Hold a discussion/evaluation session with chapter membership recruitment officers and their alumnae membership recruitment advisors.
4. Discuss recruitment in focus groups with random samples of chapter members and provide a brief written summary to Panhellenic.

PANHELLENIC CODE OF ETHICS
Trust among chapters and their members in the College Panhellenic is essential to creating a spirit of cooperation and a celebration of the friendship shared by the member groups on a campus. As early as 1891, representatives of women’s fraternities came together for the purpose of discussing interfraternity courtesy, developing a broader and kinder fraternity spirit and addressing issues relevant to that time.

In 1995, NPC adopted a resolution that encouraged each College Panhellenic to develop a code of ethics for the recruitment process based on the principles of ethics submitted by each women’s fraternity on the campus.

Resolved (1995), That prior to recruitment each member group of a College Panhellenic be encouraged to develop a code of ethics for the recruitment process for the academic year; be it further

Resolved (1995), That each College Panhellenic adopt a code of ethics for the recruitment process for the academic year based on the principles of ethics submitted by each group. The code of ethics should be displayed in the Panhellenic office and distributed to each chapter.

The Panhellenic code of ethics supports ethical decision making by the College Panhellenic and applies to day-to-day activities as well. It is an expectation of integrity and honesty. A Panhellenic code of ethics represents Panhellenic life at its best.

Goals of a Code of Ethics
A code of ethics for NPC women’s fraternities should:

- List the values and goals of the Panhellenic community.
- Reflect the mission and motto of Panhellenic life.
- Describe the high standards of the Panhellenic community.
- Define membership opportunities for women on the campus.

Writing a Code of Ethics
The code of ethics represents every woman in the College Panhellenic, so each member should be involved in its creation.

The individual chapters should understand that a College Panhellenic works together to promote and facilitate educational programs, fundraising efforts, philanthropic endeavors and
the recruitment process. Working together promotes positive competition and builds healthy relationships within the Panhellenic community. The code of ethics is to be used year round to incorporate the Panhellenic ideals, promote whole-hearted cooperation, eliminate negative competition and support the National Panhellenic Conference Unanimous Agreements.

Steps When Writing a Code of Ethics
1. Each chapter composes a list of ideals and statements to be included in the Panhellenic code of ethics.
2. The College Panhellenic meets to compile the suggestions from each chapter to compose the code.
3. The draft of the code is presented to each chapter for a vote.
4. The Panhellenic Council then votes to approve the code of ethics.
5. The code is displayed in the Panhellenic office and is distributed to each chapter.

Code of Ethics for Potential New Members and Recruitment Counselors
A worthwhile exercise for recruitment counselors is to write a code of ethics for potential new members and share it with them. In addition, it is a good idea for the recruitment counselors to write a code of ethics for their position during the training period.
GLOSSARY

College Panhellenic delegate — The representative for each chapter on a College Panhellenic. The College Panhellenic delegate should vote on all decisions made by the College Panhellenic. Proposed changes to recruitment and other systemwide decisions should be reported back to the chapter with sufficient time for each chapter to consult with its NPC delegate before the vote is taken.

Continuous open bidding — An opportunity for chapters that do not reach quota during a recruitment process to bid to quota and/or total.

College Panhellenic — The College Panhellenic or Intorsority Council on a campus.

Continuous recruitment — An NPC-recognized recruitment style for a campus.

Fully structured recruitment — An NPC-recognized recruitment style for a campus.

Membership recruitment acceptance binding agreement — A one-year binding agreement signed by a potential new member.

Minimally structured recruitment — An NPC-recognized recruitment style for a campus.

“No frills” recruitment — An effort to eliminate high cost and time demands for decorating and entertainment. Recruitment focuses on quality communication with potential new members.

NPC — National Panhellenic Conference

NPC area advisor — The NPC volunteer with direct advising responsibility for the College Panhellens in a specific geographic region. She contacts all NPC delegates for the chapters on the campus when important issues arise. College Panhellenic presidents should keep the NPC area advisor informed on all Panhellenic issues. Minutes of each College Panhellenic meeting should be provided to the area advisor. A list of NPC area advisors is on the NPC website: www.npcwomen.org.

NPC delegate — A national officer of a specific women’s fraternity who is the liaison between NPC and her organization.

NPC resolution — A formal course of action voted on and approved by the National Panhellenic Conference. Each College Panhellenic (or equivalent organization) and Alumnae Panhellenic should incorporate all NPC resolutions into its procedures and methods of operation.

One calendar year — The period from a given date in one year to a comparable date in the next year. In determining one calendar year, it is not necessary to match exact calendar dates. Consult with your NPC area advisor for further clarification.

Parity — Being equal or equivalent.

PNM — Potential new member

Partially structured recruitment — An NPC-recognized recruitment style for a campus.

Preferential bidding — A mutual selection system for chapters and potential new members.

Quota — The number of potential new members each NPC women’s fraternity may pledge on a campus during a fully structured recruitment, partially structured recruitment or minimally structured recruitment.

Snap bidding — An option available to chapters that did not fill quota. Chapters may offer bids to potential new members whose preferences were not matched. This process takes place before bids are distributed. Snap bidding is not intended to fill spaces in the chapter total and is limited to any woman who participated in the designated recruitment.
Total — The allowable chapter size, as determined by the College Panhellenic, which includes both new members and initiated members.

Unanimous Agreements — Agreements to which the member groups of the National Panhellenic Conference have unanimously agreed and that lead to orderly and equitable conduct of their mutual functions. These Unanimous Agreements are binding on all NPC member fraternities. Each College Panhellenic (or the equivalent organization) and Alumnae Panhellenic must incorporate the NPC Unanimous Agreements into its governing documents.
EXTENSION

Adding another NPC fraternity to a college or university campus is an exciting process. The College Panhellenic, the college or university, the NPC fraternities, interest groups and local sororities interested in NPC affiliation have important roles to play to ensure successful extension occurs. This section describes those roles in detail.

The NPC office has extension packets available and will send them on request.
EXTENSION

OVERVIEW

Extension is the addition of National Panhellenic Conference chapters to the Panhellenic community on a college or university campus, or the establishment of a fraternity community on a campus where previously none had existed.

NPC Extension Committee

The Extension Committee serves as a clearinghouse for colleges and universities, Panhellenics and individual fraternities in the field of extension. The chairman of the Extension Committee is always available to advise and assist.

AGREEMENT ON EXTENSION

I. Agreement on Extension

1. National Panhellenic Conference believes that it is unethical for an NPC fraternity to contact an institution and/or its students concerning the establishment of a chapter where the institution fails to meet the NPC requirements for a host institution; i.e., the institution must be a senior college or university that is authorized to confer a bachelor’s degree and that has received a satisfactory rating by the pertinent recognized regional association of colleges and secondary schools.

2. The proper authority shall be defined as follows:
   A. Where there are two or more NPC fraternities present on campus, then a vote of those NPC fraternities as evidenced in written minutes of the College Panhellenic Council (if organized) shall constitute the proper authority, or if there is no College Panhellenic Council, then a separate vote of the NPC chapters present on campus shall constitute the proper authority.
   B. On campuses where there is one or no NPC fraternity, and where the administration is willing to recognize women’s fraternities, a letter from a senior-level student affairs administrator shall constitute the proper authority.
   C. The NPC Extension Committee is the proper authority on campuses where there is one or no NPC fraternity and the college administration does not grant recognition to women’s fraternities but does not discipline students for joining.

Unanimous Agreements
3. Contact regarding extension by NPC fraternities, volunteers, staff, collegiate and alumnæ members shall include the following:

A. NPC fraternities may contact the administration of any college or university that meets the criteria listed in Unanimous Agreement V, No. 1, and serves as the proper authority.

B. When a campus has two or more NPC fraternities and is open for extension, NPC fraternities can communicate with a student(s), an interest group or a local sorority only with prior permission of the proper authority.

C. NPC fraternities that are contacted by student(s), local sororities or interest groups from campuses with two or more NPC fraternities must refer the student(s), local sorority or interest group to the proper authority.

D. NPC fraternities should not be in contact with students of any college or university concerning membership where the administration disciplines students for joining women’s fraternities.

E. When a local sorority or interest group is in discussions with an NPC fraternity regarding affiliation after approval by the proper authority, no other group shall be in communication with that local sorority or interest group.

4. Any colony of an NPC fraternity shall become a provisional member of the College Panhellenic Association and shall conform to the association’s established rules, regulations and policies.

5. When an NPC fraternity has installed a chapter, that chapter shall become a regular member of the College Panhellenic Association.

Proper Authority

Resolved (2007), That when issuing an invitation to an NPC member group to colonize on a campus for the purpose of allowing NPC affiliation for a local sorority or interest group, the proper authority shall make the final determination as to which NPC member group is invited to colonize, giving due consideration to the preference of the local sorority or interest group.

Resolved (2003), That an NPC member group pursuing an extension opportunity on a campus where there are no NPC groups or there is only one group, shall obtain written documentation from the proper authority that the campus is open for extension.

Resolved (2003), That a copy of this approval should be sent to the NPC Extension Committee for record-keeping purposes only.

On a campus with two or more chapters of NPC fraternities, extension selection is the responsibility of the College Panhellenic.

Resolved (2003), That once the NPC Extension Committee has established that the proper authority on a campus has opened the campus for extension, the committee will verify whether NPC groups not represented on the campus may conduct exploratory visits before presentations are made.
Resolved (2003), That NPC member groups receiving an independent notice of extension directly from a campus will contact the NPC Extension Committee, which will verify whether exploratory visits are authorized.

Resolved (1991), That on campuses where the administration assumes sole authority for expansion decisions, thereby denying the College Panhellenic a vote on extension, the College Panhellenic, in consultation with the National Panhellenic Conference Extension Committee, shall initiate dialogue with the administration to promote better understanding of the need for mutual effort in the extension process.

EXTENSION PROCEDURES
When a number of female students are unable to affiliate with the existing chapters, the College Panhellenic may wish to (a) raise chapter total or (b) add another NPC group. The College Panhellenic should consult with the NPC area advisor and the NPC Extension Committee chairman regarding the options. Whether the College Panhellenic decides to raise total or add another chapter may depend on the desire of the existing chapters to remain at a manageable size and the requirements for chapter housing. An extension research/exploration committee can be formed to recommend to the Panhellenic whether extension should or should not be considered.

If the College Panhellenic makes the decision to research adding a chapter to the campus, the following steps should be taken:
1. The College Panhellenic consults the administration regarding the addition of another NPC fraternity.
2. If the administration supports the decision, the College Panhellenic votes to open the campus for expansion and appoints an Extension Committee.
3. The College Panhellenic contacts the NPC area advisor and the NPC Extension Committee chairman with the decision.
4. Consideration should be given to NPC fraternities that:
   A. Previously have had a chapter on the campus.
   B. Have letters of interest on file with the administration and/or Panhellenic.
   C. Have been suggested by a local sorority if applicable. (See Local Sororities.)
5. Panhellenic asks the chairman of the Extension Committee to notify all NPC fraternities of the extension opportunity and/or send a letter of introduction to NPC fraternities to solicit interest in extension. The letter should include:
   A. University information.
      i. Campus statistics for the past five years: undergraduate enrollment, number of female students, percentage living on campus, percentage commuting and percentage of in-state and out-of-state students
      ii. University regulations regarding recognition of student groups
   B. Panhellenic information.
      i. Reasons for desiring additional group(s)
      ii. List of chapters on campus, with dates of establishment and current size of each
iii. Membership recruitment data: total, quota, dates of membership recruitment, statistics for past five years, current membership recruitment regulations and the release figure procedure used

iv. List of chapters that have left the campus, with dates

C. Housing information.
   i. Current housing arrangement:
      a. Ownership — university, fraternity, private
      b. Capacity of existing houses
      c. Current cost estimates for comparable housing
   ii. Housing required of new group and time limit for providing it
   iii. Provision for temporary housing of new group
   iv. Copy of NPC Housing Agreement, if one exists

D. Information requested from NPC fraternity. (Refer to Interested Fraternities.)

E. An extension timeline including dates of each phase of the extension process.

6. The College Panhellenic Extension Committee should be formed with the approval of Panhellenic and should include a representative sample of the Panhellenic community including collegians, alumnae members/advisors and administrators. Each NPC group on campus should be represented on the committee, if feasible, by either a collegiate or alumna member. The College Panhellenic Extension Committee selects groups to make presentations from those NPC fraternities returning requested information and/or that have a letter of interest on file.

7. Arrangements are made with each selected group for a campus presentation. Presentations are scheduled for separate days.

8. Those groups not selected to present are notified.

9. After all presentations have been made, the College Panhellenic Extension Committee makes a recommendation to the College Panhellenic regarding which group meets the needs of the campus. The College Panhellenic votes on the recommendation and issues an invitation. The College Panhellenic notifies the other groups making presentations of the selection and thanks them for their participation.

10. The College Panhellenic immediately begins work with the selected fraternity to prepare a schedule for colonization.

Exploratory Visits
A College Panhellenic may decide to allow optional exploratory visits by member groups to its campus prior to the submission of extension materials. If the College Panhellenic decides to allow these, the optional visits by member groups are for information-gathering purposes only. Exploratory visits are not to include contact with any students, including Panhellenic officers. Participation in an exploratory visit should not be a factor or consideration in determining which member groups to invite to campus to make an extension presentation; therefore, members of the College Panhellenic Extension Committee should not be informed about which groups do and do not make an exploratory visit.

Resolved (2003), That the Extension Committee will inform the NPC member groups whether exploratory visits will be permitted and will encourage the proper authority to include that information in any correspondence announcing the extension opportunity.
Resolved (2003), That any exploratory visits conducted by NPC member groups would involve only campus administrators with no student contact.

INTERESTED FRATERNITIES

Resolved (1998), That only fraternity informational material will be presented during the extension process to the College Panhellenic Association or to the local/interest group. All gifts and favors shall be eliminated until an NPC member fraternity has been invited to colonize.

Local Sororities

Resolved (2007), That when issuing an invitation to an NPC member group to colonize on a campus for the purpose of allowing NPC affiliation for a local sorority or interest group, the proper authority shall make the final determination as to which NPC member group is invited to colonize, giving due consideration to the preference of the local sorority or interest group.

Resolved (2003), That NPC member groups must inform interest groups, local groups or individuals that formal permission to pursue extension must be obtained from the proper authority as defined in the Unanimous Agreements, Agreement on Extension, and that until such permission has been granted, members of NPC fraternities may have no further contact with the interest group, local group or individuals.

Each College Panhellenic should have established criteria to be attained in order for a local sorority to become a member of Panhellenic and have the criteria in the Panhellenic bylaws.

At such time as the local sorority has qualified for membership, the Panhellenic may consider opening the campus for extension.

Resolved (1994), That no NPC member group or individual member of an NPC member group may initiate contact with the members of a local sorority or interest group involved in the affiliation process.

PANHELLENIC ASSISTANCE TO A COLONIZING GROUP

The College Panhellenic will need to supply positive support for the colonization and furnish ongoing assistance to the colony (new chapter) until it is at, or very near, total. In addition to the following, the College Panhellenic may contact the NPC Extension chairman or the NPC area advisor for further suggestions.

Membership

Promote campus interest in the new group’s colonization through posters, fliers, distribution of promotional materials furnished by the national fraternity, newspaper announcements, discussions in residence halls and notification in the membership recruitment brochure of the pending colonization.

Give the colonizing group a list of the Panhellenic rules, a student handbook and access to campus phones.

Provide the new group with a list of names, addresses and telephone numbers of unaffiliated women, particularly those who registered for membership recruitment but did not affiliate.

Sponsor an open house for interested female students to meet the representatives of the colonizing fraternity and to register for the colony membership recruitment.
Exempt all women registering for colony membership recruitment from paying a membership recruitment fee.

Provide sign-up tables for colony membership recruitment in strategic campus locations.

Allow the colonizing group to use college members from another campus to perform membership recruitment events and activities.

Facilities
Provide the colonizing fraternity with work space on campus for use during the day and evening, with a desk, phone and Internet access.

Help secure sites for membership recruitment events and new member ceremonies, such as the student center, fraternity or sorority houses and alumnae homes.

Work with the administration to secure a meeting place for the new colony members and to arrange for members of the colony to be housed together in a residence hall or similar facility.

Help find temporary lodging for collegians from other campuses who are present to help with colony membership recruitment and new member events.

Provide a colony bulletin board in the Panhellenic office as a central location for colony news.

Special Courtesies
1. Allow the colonizing group to recruit to average chapter size.

2. To accommodate the colonization of a chapter or to allow a chapter to build its membership, the College Panhellenic Council may vote to suspend COB for a period not to exceed three weeks.

3. Furnish the colony with a complete dues and fees schedule for existing chapters, copies of recruitment rules and an official school calendar.

4. Consider delaying further extension for a specified period to allow the colony (new chapter) to stabilize.

Panhellenic Membership
Until it is officially installed as a chapter, the colony is a nonvoting member of the College Panhellenic. After it has been chartered by its national organization, the new chapter becomes a voting member of the College Panhellenic.

Resolved (2003), That the National Panhellenic Conference member groups promptly notify the Extension Committee of those instances in which a defined plan for re-establishment or recolonization is submitted to and if required, approved by the College Panhellenic or campus.

Resolved (1992), That the approval of the College Panhellenic is required for the recolonization of a chapter, regardless of the length of time a charter has been dormant.

Establishing a New College Panhellenic
The chapter first installed on a campus shall take the initiative in organizing the College Panhellenic Association with the participation and involvement of other existing NPC fraternity chapters on that campus. (Refer to Establishing a Recognized College Panhellenic in the chapter on College Panhellenic Organization.)
ALUMNAE PANHELLENIC

The Alumnae Panhellenic is a vital resource that can significantly contribute to the success of the College Panhellenic and the women’s fraternity community.

This section outlines the roles and responsibilities of Alumnae Panhellennes and the various resources and services NPC makes available to them.
ALUMNAE PANHELLENIC

PURPOSE AND NPC RELATIONSHIP

Alumnae Panhellenic Association
An Alumnae Panhellenic is a community-based organization, affiliated with the National Panhellenic Conference, whose membership is composed of representative alumnae from NPC member group fraternities.

Purpose of Alumnae Panhellenics:
- To inform fraternity women of current trends
- To promote the fraternity system
- To improve the Panhellenic image
- To stimulate a continuing interest in Panhellenic affairs

Relationship Between NPC and Alumnae Panhellenics
NPC believes that Alumnae Panhellenics have an important function to perform in keeping fraternity members and the public informed about matters of vital concern to the fraternity world.

This function can be carried out best when all alumnae of National Panhellenic Conference member fraternities are represented in Alumnae Panhellenic groups. Any alumna of an NPC member fraternity is eligible to represent her fraternity according to its rules.

Alumnae Panhellenics have developed through the years as purposeful organizations of dedicated capable alumnae. NPC recognizes their stabilizing force and appreciates the prestige of their excellent and varied contributions both to local communities and the purpose of women’s national fraternities.

1. The administrative body of an Alumnae Panhellenic Association is an Alumnae Panhellenic Council.

2. Alumnae Panhellenic Councils shall be composed of delegates selected by their organized alumnae groups; an individual may represent her fraternity where there is no alumnae group.

3. One vote shall be granted to each NPC member fraternity represented in the Alumnae Panhellenic Association, regardless of the number of alumnae associations of a particular NPC group participating in the Alumnae Panhellenic.

4. Alumnae Panhellenic Associations shall not expel a member group of any NPC fraternity from its membership in the Alumnae Panhellenic Association.

5. A re-established alumnae group shall take its place in rotation in the Alumnae Panhellenic Association according to the date of its re-establishment.

An Alumnae Panhellenic shall provide a current copy of its bylaws to the NPC area advisor annually.

An Alumnae Panhellenic shall submit the NPC Alumnae Panhellenic annual report and officer roster by the date established by the Alumnae Panhellenics Committee.

All Alumnae Panhellenics shall comply with all NPC Unanimous Agreements.
NPC AFFILIATION
Affiliation with NPC entitles a local interfraternity group of alumnae to use the name of Panhellenic and to benefit from NPC recognition and participation.

NPC affiliation provides Alumnae Panhellenics continuing contact with fraternity affairs; information on current developments of importance to all fraternity members; data on problems and ways for resolving them; suggestions for programs; guidance in fraternity education; and a means of exchanging ideas on matters of common interest to all Alumnae Panhellenics. Based on NPC policies, Alumnae Panhellenics set up their own organizations and carry out programs in line with their special interest or situations. If located in a college community, an Alumnae Panhellenic can give valuable support to a College Panhellenic and be willing to cooperate in any possible way on request.

Fostered by NPC, well-informed Alumnae Panhellenics enhance the fraternity system through scholarship awards, annual educational informational functions for prospective college freshmen, philanthropic projects, community participation and civic leadership.

NPC POLICIES
Policies Adopted by NPC Relating to Affiliated Alumnae Panhellenics
1. Membership
   A. Membership in affiliated Alumnae Panhellenics is open to alumnae representatives of all NPC member groups.
   B. If an organized NPC fraternity alumnae chapter or club exists, membership in the Alumnae Panhellenic is usually limited to a set number of representatives.
   C. An Alumnae Panhellenic may not exclude from its membership representatives of NPC member fraternities not having organized alumnae chapters or clubs. In this case an individual alumna of that fraternity may join the Alumnae Panhellenic to represent her fraternity with membership privileges as provided in the bylaws of the respective Alumnae Panhellenic. She retains membership with individual delegate status only until an alumnae organization of her fraternity is formed. The Alumnae Panhellenic should place no unreasonable financial responsibilities on any individual member.
   D. An Alumnae Panhellenic may not exclude from its membership those fraternities not represented on certain college campuses or in any prescribed area.
   E. Membership in an Alumnae Panhellenic may not be denied as a penalty for infraction of any rules of the Alumnae Panhellenic.
2. Internal operations
   A. An Alumnae Panhellenic may not infringe on the basic right of the individual fraternity to appoint its delegates according to its own regulations. Therefore:
      i. Alumnae Panhellenics may not require that official delegates of the member fraternities have previous experience in the Alumnae Panhellenic to qualify for office.
      ii. An Alumnae Panhellenic may not require that its officers represent a specified number of members in the area as qualification for holding office.
      iii. An Alumnae Panhellenic may not limit a delegate’s term of service as a delegate.
   B. An Alumnae Panhellenic is encouraged to limit fundraising for scholarship awards and philanthropic projects to one single event each year. All requests for support of
fundraising events should be related to the size of the participating membership of each fraternity’s local alumnae group.

C. An Alumnae Panhellenic will file the IRS 990-N e-file as required by the Internal Revenue Service.

D. An Alumnae Panhellenic may not use the EIN of the National Panhellenic Conference and must obtain its own EIN from the Internal Revenue Service.

E. An Alumnae Panhellenic may not use the tax-exempt status of the National Panhellenic Conference or National Panhellenic Conference Foundation. It must apply to the state in which it is located for its own tax-exempt number, if desired.

3. Relationship with the College Panhellenic
   A. Alumnae Panhellenics do not send representatives to College Panhellenic meetings, except at the invitation of the College Panhellenic.
   B. Alumnae and Alumnae Panhellenics must follow all College Panhellenic rules when engaged in joint activities or those that involve extension or Panhellenic support.
   C. An Alumnae Panhellenic may not abridge the right of a College Panhellenic to make rules concerning its membership recruitment program or to interfere with the effective implementation of these rules.
   D. An Alumnae Panhellenic does not take the initiative to set up workshops for College Panhellenics. When asked by the College Panhellenic, an Alumnae Panhellenic is encouraged to provide assistance with workshops and other College Panhellenic activities.
   E. All questions or comments concerning a College Panhellenic or a campus situation shall be directed to the NPC area advisor or the chairman of the NPC Alumnae Panhellenics Committee.

4. Programming
   A. The NPC policy of cooperative summer recruiting is supported by Alumnae Panhellenics. To this end, Alumnae Panhellenics sponsor joint fraternity education programs or informational events for prospective members that promote the fraternity membership experience.
   B. Alumnae Panhellenics may engage in service projects, philanthropic programs, fundraising for scholarship awards and other constructive public relations programs.

5. Extension
   An Alumnae Panhellenic should avoid participation in the extension process of a College Panhellenic. All questions or comments on extension should be referred to the chairman of the NPC Alumnae Panhellenics Committee.

6. Dissolution
   A. **Resolved** (B-1999), That written notice of a proposal to dissolve the association shall be mailed to all members of record;
   B. **Resolved** (B-1999), That a motion should be prepared providing for the dissolution of the association by a certain date; and
   C. **Resolved** (B-1999), That if this motion is adopted a second motion shall be prepared and adopted that states certain administrative details including the disposition of all association assets, which shall be used in a charitable or educational manner, giving
first priority to the National Panhellenic Conference or National Panhellenic Conference Foundation.

D. Copies of all records of said dissolution should be mailed to the National Panhellenic Conference headquarters, the NPC chairman of Alumnae Panhellenics Committee and its respective Alumnae Panhellenic area advisor.

NPC RESOURCES

Alumnae Panhellenics Committee
The NPC Alumnae Panhellenics Committee is a standing committee composed of NPC delegates and alternate delegates of the member groups.

It is responsible for directing the organization of Alumnae Panhellenics and for providing guidance in program and fraternity education. From the members of this committee, the NPC Executive Committee designates a chairman, the advisor for prospective Alumnae Panhellenics, area advisor coordinators and area advisors to supervise Alumnae Panhellenics in specified geographical areas. Non-area committee members also serve on the Alumnae Panhellenics Committee so that all 26 NPC fraternities are represented on this committee.

Area Advisor
The area advisor is a current or past national officer of her fraternity and is an NPC delegate or alternate delegate. In most cases, she has had years of experience working with her own group and with NPC. As a member of the NPC Alumnae Panhellenics Committee, she attends the meetings of NPC and gathers new ideas to support Alumnae Panhellenics. The area advisor corresponds with her assigned Alumnae Panhellenics and sends information of special interest regarding campus trends, College Panhellenics’ activities, changes in College Panhellenic and Alumnae Panhellenic procedures and ideas for programming.

The area advisor receives the Alumnae Panhellenic’s annual reports, officer rosters and change of officer reports and reviews their bylaws, suggesting changes when needed and any dissolution requests with supporting documentation.

NPC SERVICES

NPC Services for Affiliated Alumnae Panhellenics

SUGGESTED SERVICE PROGRAMS

Service Programs Appropriate for Alumnae Panhellenic Participation

Scholarships

Many Alumnae Panhellenics award scholarships to deserving high school graduates. Both male and female students must be considered when eligibility standards are set, and federal regulations should be studied before such programs are considered. Many Alumnae Panhellenics have fundraising activities for scholarships, but it is wise to consult an attorney to be sure that all legal stipulations are followed. Participating in formal or informal membership recruitment, pledging or initiation into an NPC member group cannot be a stipulation in the selection criteria.

Awards and Loans

Many Alumnae Panhellenics give annual scholarship grants to outstanding seniors and/or collegiate members of NPC fraternities. Some have loan funds to assist deserving students with college expenses. Others support awards for mature students returning to college.

Assistance to College Panhellenics

When a College Panhellenic requests help, an Alumnae Panhellenic may provide personnel to do bid-matching, supply a Fraternity/Sorority advisor when needed, assist with Panhellenic workshops or underwrite the costs of College Panhellenic programs. Any of these things shall be done only when requested.

Philanthropic Projects

Although each of the 26 National Panhellenic Conference fraternities has its own philanthropy, an Alumnae Panhellenic may undertake projects of its own. Perhaps the community has some special need that an Alumnae Panhellenic can support. Many Alumnae Panhellenics unite in supporting the philanthropic efforts of each of the member groups.

Participation in civic and philanthropic activities provides community service and at the same time presents a favorable fraternity image. There is no better way to garner public approval than through philanthropic projects and scholarship programs. With public
approval, two of the purposes of Alumnae Panhellenics — to promote the fraternity system and to improve the Panhellenic image — become realities.

HANDBOOK FOR ALUMNAE PANHELLENICS
Every affiliated Alumnae Panhellenic receives the handbook, which contains specific information and procedural details regarding the operation of the Alumnae Panhellenic organization. The handbook includes the following:
- Model bylaws, including officer duties
- Outline for an Alumnae Panhellenic manual for members
- A calendar of dates for NPC reports and dues
- An installation service for officers
- Guidelines for the master file and recruitment information events
- Sample membership recruitment information form and sample letter to high school graduates
- Information on dues, assessments and fundraising
- Effective fraternity education programs
- Guidelines for Alumnae Panhellenic newsletters
- College and Alumnae Panhellenics working together
- Guidelines for Alumnae Panhellenic workshops
- Guidelines for giving scholarships
- Available resources

PANHELLENIC INFORMATION EVENTS
Alumnae Panhellenics and individual alumnae are bound by all College Panhellenic membership recruitment rules. NPC procedures require that College Panhellenics engage only in cooperative Panhellenic membership recruitment events during the summer months. These events replace individual fraternity entertainment and are to emphasize information on all 26 NPC fraternities, with invitations extended to all female students planning to attend a four-year college or university.

Alumnae Panhellenics can sponsor these Panhellenic events and enlist the help of undergraduate fraternity members who are at home for the summer.

Included in the event format might be samples of fraternity magazines and displays of the badges, flowers, colors and philanthropic projects. All items must represent all 26 NPC member groups. NPC brochures on fraternity membership, information about area College Panhellenic recruitment schedules and an NPC video promoting NPC membership are all program possibilities.

If held during the school year, Alumnae Panhellenics can sponsor Panhellenic information programs as part of orientation for high school students. Information would be general in nature, promoting NPC fraternity membership and encouraging the young women to consider fraternity membership when making college plans.

Resolved (1993), That when there is an Alumnae Panhellenic in the area, the Alumnae Panhellenic is responsible for organizing membership recruitment information events. When there is no Alumnae Panhellenic in an area, membership recruitment information events may
be organized by representatives from a minimum of two NPC groups, with all efforts being made to include as many NPC groups as possible. These events must represent all 26 NPC member groups.

No fees shall be charged or gifts encouraged for potential new members to attend a membership recruitment information event or to submit information for the master file, and it shall not be necessary to attend a membership recruitment information event or to register with an Alumnae Panhellenic to participate in membership recruitment.

MASTER FILE
Another way that Alumnae Panhellenics participate in the membership recruitment process is through the maintenance of a master file of area potential members. The master file is a compilation of women who will be entering four-year colleges. The file is not a “recommendation” file and includes no personal remarks or observations. It is available as reference information to all Alumnae Panhellenic members.

(Include a more definitive method of how the alumnae are contacted to make these recommendations. There is a lot of confusion out there as to who the young women contact within the Alumnae Panhellenic as well as who writes these letters. Some Alumnae Panhellenics groups don’t understand that it is not just the number of recommendations the young woman is seeking but that it is for the groups on the campus which is at the university. — If you have any questions about this, please give me a call!)

An Alumnae Panhellenic membership recruitment information form may be used to collect and disseminate basic information about potential new members. This information comprises the Alumnae Panhellenic master file to be available to all 26 National Panhellenic Conference member groups.

Resolved (1993), That the membership recruitment information form include only the following:
- Name
- Home and school addresses
- High school and college attended
- GPA (high school and college)
- Date of birth
- Parents' names
- Interests, activities and honors
- Signed and dated permission to release the information

NPC AWARDS
Given biennially, the following awards recognize outstanding work by Alumnae Panhellenics:

1. Alumnae Panhellenic Award
   Awarded for the first time at the 1993 NPC biennial session, the Alumnae Panhellenic Award recognizes excellence in programming, college and community service, public relations and overall involvement and support of the fraternity/sorority experience in their communities. Nominations can be made by the Alumnae Panhellenics themselves or by an individual, such as the area advisor. Up to four winners are selected. The winners receive a monetary award donated to their Alumnae Panhellenic's scholarship fund. A representative will be brought to the NPC annual meeting to accept the award at the alumnae luncheon. This award is sponsored by Delta Phi Epsilon.
2. **Citation of Merit**  
The area advisor nominates for a citation of merit one or more outstanding Alumnae Panhellenics in her area that meet the criteria of high achievement and consistent cooperation with NPC. The criteria include:

- Furthering fraternity life by cooperating with NPC and the area advisor (i.e., by submitting dues and reports on time and answering correspondence from the area advisor).
- Providing outstanding support to the fraternity movement through excellent public relations, philanthropic involvement, scholarship awards and fraternity education in the community. (Each area advisor is acquainted with the size and strength of the Alumnae Panhellenic and judges achievement accordingly.)

The chairman of the Alumnae Panhellenics Committee and the NPC Executive Committee approve these awards.

3. **Programming Excellence Award**  
Each biennium, area advisors may nominate one or more Alumnae Panhellenics in their area for the Programming Excellence Award as recognition for outstanding programming in a particular area. The chairman of the Alumnae Panhellenics Committee and the area advisor coordinators approve these awards.

4. **Honorable Mention Certificate**  
In addition to the citation of merit, each area advisor may nominate one or more Alumnae Panhellenics in her area for the honorable mention recognition certificate for excellence in a particular program area.

The chairman of the Alumnae Panhellenics Committee and the NPC Executive Committee approve these awards.

RESOURCE INFORMATION

NPC COLLEGE PANHELLENICS COMMITTEE
The NPC College Panhellenics Committee was created to advise and assist College Panhellenic Associations. The committee is composed of delegates from the member groups of NPC.

College Panhellenic Associations throughout the country are grouped geographically, with one member of the College Panhellenics Committee appointed as advisor to each area. The area advisor offers information and assistance to College Panhellenic Association officers and advisors. She is responsible to the chairman of the committee and serves as a liaison between the National Panhellenic Conference, the College Panhellenic Association and the inter/national officers and NPC delegates of the women’s fraternities represented on that campus.

A College Panhellenic Association may invite an area advisor to visit a campus for consultation or a workshop. It is helpful if the College Panhellenic Association can offer a choice of dates with as much advance notice as possible, and the area advisor will try to accommodate the request. Because NPC does not have funds for such visits, the College Panhellenic is responsible for paying for the area advisor’s travel, food and lodging expenses. If there are no funds available and the need for the area advisor’s “on the spot” counsel is great, sometimes the inter/national organizations represented on a campus will agree to share expenses of her visit.

The area advisor should be consulted when revisions to the College Panhellenic constitution and bylaws, changes in the recruitment style and evaluation of campus total are being considered.

I. Jurisdiction of Panhellenic Associations

| Panhellenic associations are based on democratic principles and organized to afford cooperation among the women’s fraternities. | Unanimous Agreements |
| Panhellenic members shall respect and obey the letter and spirit of all National Panhellenic Conference Unanimous Agreements. Panhellenic associations’ constitutions and bylaws shall conform to all NPC Unanimous Agreements. |
| A College Panhellenic Council shall take no action that infringes on the sovereignty, rights or privileges of the individual NPC fraternities. |

An important responsibility of the College Panhellenics Committee is to clarify NPC procedures and interpret policies. These policies and procedures are included in this publication. As interpretations are clarified, they will be sent by the area advisor to all Fraternity/Sorority advisors and College Panhellenic presidents. College Panhellenic Associations are urged to make maximum use of the assistance offered by the College Panhellenics Committee through the area advisors.
COLLEGE PANHELLENIC MEMBERSHIP STATUSES

The National Panhellenic Conference adopted the College Panhellenic membership statuses in 2003. The resolution outlines the three classes of membership within College Panhellenics: regular, provisional and associate, each defined as follows:

The **regular** membership of the [name of institution] Panhellenic Association shall be composed of all chapter members in good standing of National Panhellenic Conference fraternities at [name of institution].

The **provisional** membership of the [name of institution] Panhellenic Association shall be composed of all chapter members in good standing of National Panhellenic Conference colonies and pledged chapters at [name of institution].

The **associate** membership of the [name of institution] Panhellenic Association shall be composed of all members in good standing of local sororities or interest groups, or national or regional non-National Panhellenic Conference member groups that have met the requirements for membership in the [name of institution] Panhellenic Association.

Each College Panhellenic shall determine the criteria required to be met in determining associate member status at its campus and shall incorporate those criteria into its College Panhellenic Association bylaws, taking into account each of the following:

- The minimum membership size requirements of the prospective associate member group, with a stated requirement that women in the prospective associate member group must not be members of any other group currently in the Panhellenic Association
- The requirements as to how long a group must be in existence before applying for associate member status
- The internal governance policies the applying group must have before being granted associate member status, with a stated requirement that the applying group’s policies and practices with respect to risk management (including policies on alcohol, social functions and hazing) comply with the requirements of the College Panhellenic Association’s and host institution’s policies and with applicable laws
- The vote necessary for the College Panhellenic to approve applications for associate member status (i.e., simple majority, two-thirds vote, etc.)
- The process by which applications for associate membership will be received and considered
- Any other matter deemed pertinent to associate member status by the College Panhellenic

Each College Panhellenic shall also determine what privileges and responsibilities associate members will have once admitted to the College Panhellenic Association, taking into account each of the following:

1. The level and type of participation required and/or permitted in College Panhellenic Association affairs, with a stated requirement that all associate members must abide by all NPC Unanimous Agreements and be subject to the [name of institution] Panhellenic Association constitution and bylaws, recruitment rules and risk-management policies
2. Whether associate members will:
   - A. Have voice and/or vote in Panhellenic meetings, with no vote allowed on extension matters.
   - B. Be allowed to serve on committees and/or serve as officers of the College Panhellenic.
C. Pay full or partial dues.
D. Be allowed or required to participate in any or all Panhellenic and fraternity/sorority programming such as Greek Week, honoraries, awards programs, etc.
E. Be subject to judiciary proceedings.
F. Be allowed or required to participate in organized recruitment and, if not, any restrictions on the timing and/or manner of associate member recruitment.

3. That associate membership in a College Panhellenic Association cannot and does not confer or imply any guarantee that an associate member will be permitted to affiliate with an NPC group, such authorization being conveyed only on a separate extension vote of the regular members of the College Panhellenic when campus numbers warrant a vote to open for extension.

4. How the College Panhellenic will monitor associate members’ adherence to the requirements for their continued status

5. Any other matter deemed pertinent to associate-member status by the College Panhellenic

MEMBERSHIP GROWTH PLAN
The National Panhellenic Conference adopted the membership growth plan in 1998. Three different approaches are available. For a complete description of the programs, consult the Membership Growth Manual available from the NPC office.

Reorganization is an inter/national membership management technique by which the inter/national organization develops a recruitment plan for a chapter and:
- Provides special assistance for the chapter recruitment process.
- May solicit Panhellenic support, cooperation and possible involvement.

A vote of the College Panhellenic is not required.

Re-establishment is a procedure by which an inter/national organization rebuilds a chapter within a specific time frame and:
- Provides a development strategy for a chapter.
- Shares the development strategy with the College Panhellenic.
- May solicit Panhellenic support, cooperation and possible involvement.
- Establishes a definite timeline for implementing the strategy of the plan.
- Reviews progress of the plan, which, if not met, allows the College Panhellenic to consider extension.
- Completes the plan within 12 months.
- Meets the institution’s membership requirements for a recognized student organization.
- Determines the status of chapter members.

A vote of the College Panhellenic is not required.

Recolonization is a clearly defined plan developed between the inter/national organization and College Panhellenic prior to closing the chapter, and:
- The chapter should be closed at least 12 months before recolonization is implemented.
- Approval of the plan requires a vote of the College Panhellenic.
- The inter/national organization may solicit Panhellenic support, cooperation and possible involvement.
At the time of the annual discussion, both parties shall decide whether the recolonization plan is renewed, revised or no longer valid.

College Panhellenic will allow for a reasonable period of time, not to exceed two years, to establish stability for an inter/national organization that has reorganized, re-established or recolonized its chapter before extension is considered.

**INSTALLATION OF NEW COLLEGE PANHELLENIC**

*Installing officer:*

We are gathered here today for the purpose of officially recognizing and installing the Panhellenic Association of [college/university]. The National Panhellenic Conference fraternities chartered at [college/university], having met all the requirements established by the National Panhellenic Conference, have fully qualified to become a recognized College Panhellenic Association. They have written and approved a constitution and bylaws, a membership recruitment program and rules governing membership recruitment, all of which are in accordance with the NPC Unanimous Agreements.

The operations of the National Panhellenic Conference and its College Panhellenic Associations are based on a spirit of unity and friendship. National Panhellenic Conference fraternities were founded on ideals that dedicate their members to learning, service, honor and uprightness in all relationships, and a belief that deep friendships and high endeavors are fostered most effectively through the cooperation of all member groups.

In this installation service, it is fitting that we read the Panhellenic Creed and that each fraternity woman present silently dedicate herself to the fulfillment of this creed. In unison, please repeat the Panhellenic Creed after me:

```
We, as Undergraduate Members of women's fraternities, stand for good scholarship, for the guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community. Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

We, as Fraternity Women, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.
```

*Installing officer:*

It is now my privilege and pleasure as the installing officer to present to [president's name], the first president of the College Panhellenic Association of [college/university], this letter from the chairman of the National Panhellenic Conference [NPC chairman's name], officially chartering the College Panhellenic Association of [college/university] as a recognized College Panhellenic Association. [Present letter.] Next, I would like to present you with the National Panhellenic Conference certificate of recognition. [Present certificate.]

I now declare the College Panhellenic Association of [college/university] duly recognized and installed with all the accompanying rights, privileges and responsibilities.

[Installing officer congratulates the chartering fraternity and their members and wishes them success and prosperity in the years ahead.]
INSTALLATION CEREMONY FOR COLLEGE PANHELLENIC OFFICERS
[The installing officer is usually the retiring president.]

Installing officer:
Will the retiring officers please stand? To you, we say thank you for the many contributions that you have made during your term of office. You can enjoy the satisfaction of knowing you fulfilled your responsibilities well and, by doing so, won the respect and esteem of all. We bid you Godspeed and ask your continued interest and support of the [college/university] College Panhellenic Association and its activities.

Will the newly elected and appointed officers please come forward and stand to my left and right? [Call the names of president, vice president(s), secretary, treasurer and recruitment chairman and indicate they should stand to the right. Call the names of the other officers and indicate they should stand to the left.] [May insert officer titles adopted by the College Panhellenic Association in its constitution and bylaws.]

Installing officer to all:
You have been chosen by the College Panhellenic Association of [college/university] to lead the Panhellenic on your campus during the next year. This is an honor and a privilege granted to you because of your outstanding qualifications and your loyalty to your fraternity and the concept of Panhellenic. During the coming year, it will be yours to serve willingly, to lead with sensitivity, to judge fairly and to work in harmony with your fellow officers and with the elected chapter delegates in a spirit of cooperation and friendship. Be sensitive to the wishes and needs of the Panhellenic members. Set goals and priorities by which you can achieve your objectives.

Installing officer to president:
Do you, [name of new president], promise, on your honor, to carry out to the best of your ability the duties of the president, to hold the welfare of the [college/university] College Panhellenic Association as your goal at all times and to work in harmony with your fellow officers? [Pause for her response.] As president of a recognized NPC College Panhellenic Association, you are charged with knowing and abiding by the Unanimous Agreements of the National Panhellenic Conference. Do you accept this charge? [President responds.]

Installing officer to vice president(s) or appropriate title:
Do you, [name of new vice president], accept willingly the office of vice president of [title], to serve as an assistant to the president and in her absence assume her duties, and do you agree to fulfill other duties that may be assigned to you during your term of office? [Vice president(s) responds.]

Installing officer to secretary or appropriate title:
The secretary [or appropriate title] is the link between the Panhellenic Association and its friends — the chapters on your campus, the Fraternity/Sorority advisor and the National Panhellenic Conference area advisor. It is the duty of the secretary [or appropriate title] to keep minutes in an orderly and concise manner and to distribute them as required. Do you pledge yourself to perform these duties to the best of your ability? [Secretary responds.]

Installing officer to treasurer or appropriate title:
Timely and accurate performance of duty is the responsibility of the treasurer [or appropriate title]. The reputation of your Panhellenic in the community depends on responsible financial management. Do you promise to fulfill the duties of treasurer [or appropriate title] to the best of your ability? [Treasurer responds.]
Installing officer to membership recruitment chairman:
The position of membership recruitment chairman is one of the most important in the Panhellenic officer complement. Your management of the membership recruitment program will in large part determine the growth and development of your College Panhellenic Association. It is your responsibility to act with fairness toward all member groups at all times to ensure confidentiality within the membership recruitment process. Do you promise to discharge the duties of this office to the best of your ability? [Membership recruitment chairman responds.]

Installing officer turns to the left and addresses the remaining officers [name all officers by title]:
By selecting you for positions of leadership, your College Panhellenic sisters have shown their confidence in you. To ensure the continuing progress of your Panhellenic Association, you are expected to develop and coordinate all Panhellenic programs for the coming year. Are you willing to accept these responsibilities? [Remaining officers respond.]

Installing officer to entire group:
Those of you who are the elected delegates and alternate delegates of the member groups of this College Panhellenic Association bear an important responsibility: that of fulfilling your own obligations as representatives of your chapters. You are expected to participate in and support Panhellenic activities, communicate needed information to your chapter sisters and serve on committees and in appointed offices as required. Keep uppermost in your minds the tenets of the Panhellenic Creed as you strive together to further the interests of the College Panhellenic Association on your campus and in the college community. To pledge our support of these newly elected officers, let us together recite the Panhellenic Creed. [Lead the group in the creed, reading phrases and allowing the group to repeat them until the Creed is completed.]
I now declare the College Panhellenic Association officers duly installed. With mutual respect and cooperation among all delegates, may this College Panhellenic Association continue to give loyal service to the chapters, [name of college/university] and community.

Winning notebook entries are bound and displayed at the NPC annual meeting.

IMPLEMENTING THE 1991 NPC RECRUITMENT RESOLUTION*
The aim of the nine-point “rush resolution” passed by the National Panhellenic Conference in 1991 was to re-focus recruitment on its purpose as a process “for potential new members and members to get to know one another.”
The resolution was adopted unanimously and was accompanied by the signatures of the 26 inter/national presidents and NPC delegates as a means of reinforcing its importance. The de-escalation of recruitment costs, and elaborate event plans where applicable, were deemed important to the re-focusing of the recruitment process. No timeframe was specified, but it was expected that College Panhellenics would begin implementing the resolution as soon as possible.

The following guidelines are offered to help College Panhellenics as they continue to implement the 1991 recruitment resolution.

**General Considerations**
Discuss your recruitment in terms of these four topics before examining the specific points of the resolution.

- **Purpose.** The purpose of recruitment is for the potential new member and chapter to get to know each other well enough for both to make an important lifetime choice. Does your recruitment focus on this purpose?
- **Image.** The negative stereotypes of women’s fraternity life can be reinforced by a process that appears to center on superficialities and be directed to a narrow spectrum of the student population. Does your recruitment accurately portray the values and benefits of fraternity life? Does it have a broad appeal?
- **Cost.** The cost of recruitment to all parties involved is a major concern — one that is heightened by the decline in recruitment numbers and the current economic climate. What can your Panhellenic do to make recruitment more cost-effective for Panhellenic, the chapters and the potential new members?
- **Addressing change.** The nine points in the resolution were included because they were found to be the most frequent considerations in recruitment situations throughout the country. The members of your Panhellenic association must evaluate your recruitment, understand the reason for change and support any needed change if it is to succeed.

**Procedural Considerations**
Follow the proper process for adopting changes in your recruitment program.

- **Timeline.** Plans for implementation should now be in effect, or a timeline should be in place for full implementation.
- **Chapter input.** Recommendations for implementing the resolution, made by the Panhellenic Council, executive board, Recruitment Committee or others, must not only be discussed by the Panhellenic Council but also by each chapter. As part of the process, chapters should be encouraged to contact their NPC delegates or other national representatives for their input. It is also recommended that the Panhellenic Council consult with the NPC area advisor.
- **Vote.** The vote on the implementation process shall be taken only after each Panhellenic Council delegate has been properly instructed by her chapter. Implementation is never mandated by the Fraternity/Sorority advisor, Panhellenic Council, Panhellenic executive board or Recruitment Committee.

**Point-by-Point Guidelines**
Use these suggestions as you discuss ways to implement the specific points of the resolution that apply to your recruitment situation.
1. “Follow NPC recommendations for release figures.” Intent: To reinforce the proper use of release figures as being vital to the success of recruitment, pledging the maximum number of women.

The concept of proper release figures has been accepted by all NPC groups. It depends on “Chapters that regularly have higher rates of retention throughout the entire recruitment period, releasing potential new members at the earliest stages of recruitment so that all potential new members have the opportunity to explore the many options of sorority membership.”

2. “Eliminate all inside and outside decorations.” Intent: To control the expense and time involved in putting up elaborate theme decorations on the inside and outside of the chapter house or other recruitment facility.
   A. If needed, simple banners may be used to identify the recruitment facility.
   B. Permanent landscaping and permanent exterior home accessories are permitted.

3. “Confine all recruitment entertainment within the chapter house or other recruitment facility.” Intent: To create a positive image of the fraternity/sorority system; to eliminate any activity that has the potential for creating a public spectacle; to provide more time for interaction with potential new members.
   A. Outside entertainment (e.g., singing, dancing and skits) should not be in full view of the public.
   B. Special consideration should be given to chapters whose houses cannot accommodate a recruitment event.

4. “Evaluate all recruitment skits as to length and content.” Intent: To provide sufficient conversation time during recruitment events; to promote skits and entertainment that exhibit good taste at all levels.
   A. Skit evaluation is an internal chapter matter and should not involve Panhellenic. It should be done by the individual groups, with local and national advisors approving content.
   B. The College Panhellenic may:
      - Define “skit.”
      - Suggest the length of a skit relative to the length of the event.
      - Decide during which event rounds skits should be presented.

5. “Discourage the use of recruitment skits at the first round of parties.” Intent: To provide maximum time for potential new members and chapter members to meet and converse during the first round of recruitment.
   A. The first round is interpreted as being the first day of formal recruitment. These events are often non-invitational open houses.
   B. The definition of “skit” must be understood. Webster’s dictionary says it is a “brief sketch” that includes a plot and dialogue.

6. “Discourage elaborate costuming and purchase of special recruitment outfits.” Intent: To control recruitment costs and superficial event image.
   A. Define special recruitment outfits and costumes as used by your Panhellenic.
   B. If costumes and uniform recruitment outfits are traditional on your campus, discuss the following points:
i. The financial impact on individual members or chapters that must purchase or make special recruitment outfits that are not used for anything else.

ii. The impressions made by a group of college women who all dress alike. (Does this promote the concept of unity and group identity? Does it detract from the concept of individuality and diversity in chapter membership?)

iii. The negative impression that elaborate (costly appearing) decorations and costuming sometimes has on potential new members.

C. Agree on general guidelines appropriate to your recruitment situation, such as:

i. Limiting special costumes to skit participants.

ii. Using certain colors or types of outfits (i.e., blue shorts and white blouses or pastel dresses) to create an impression of uniformity rather than using specially made or purchased outfits.

7. “Eliminate all gifts, favors, preference letters or notes for potential new members until they have accepted bids.” Intent: To reduce recruitment costs and avoid inappropriate actions that could be misinterpreted by potential new members. Note: The importance of this point is reinforced by a separate resolution that addresses the inappropriateness of preference gifts and letters.

A. Giving anything to a potential new member or doing anything that could be construed as promising a bid violates recommended NPC recruitment procedures.

B. Poems or letters given to potential new members during preference can easily be interpreted as promises of a bid; therefore, they shall not be used.

C. Symbolic items used as part of a preference ceremony (i.e., a pearl or flower) are not considered gifts and are not to be taken from the recruitment event.

D. The distribution of chapter financial information is permissible.

8. “Develop conversation skills.” Intent: To emphasize that conversation between members and potential new members is a basic function of recruitment.

A. Responsibility for developing these skills rests primarily with the individual groups in their recruitment preparation and social development programs.

B. Panhellenic may conduct communications skills workshops by using campus speakers and resources. The workshops would focus on conversation and help members learn how to become acquainted with potential new members.

9. “Establish guidelines for recruitment budgets and set a cap on recruitment expenses, including the value of all donated goods and services in the cap figure.” Intent: To control the overall cost of recruitment.

A. Each chapter should review for its own information and consideration:

i. The total cost of its most recent recruitment, including:
   a. Food, flowers, decorations, costumes, special equipment, rentals and any other event expenses.
   b. Items funded out of chapter funds and those funded or donated by individual chapter members, alumnae, parents or others.

ii. The cost of recruitment by asking chapters to figure:
   a. The percentage of the chapter budget spent on recruitment.
b. The amount spent on each potential new member (divide the total recruitment expense by the number of women pledged).

c. The amount chapter members spent to purchase special recruitment outfits or furnishings and/or decorations for their rooms.

iii. The recruitment budget, which should reflect savings through proposed cuts in decorations, entertainment and costumes, as well as other changes made by the chapter.

B. The chapter should submit these adjusted budgets to Panhellenic. (Budgets may be submitted anonymously.)

C. Panhellenic should appoint a committee to review these budgets and recommend an amount for Panhellenic to consider as an appropriate cap on recruitment expenses.

D. Once a cap has been adopted by the vote of Panhellenic, each chapter should have the freedom to allocate its own funds within the parameters of the Panhellenic recruitment rules. If a chapter wants to spend the entire amount on flowers or the costumes for one skit, that should be its prerogative. The important thing is to stay at or below the adopted cap.

Consult your NPC area advisor for assistance.

**SUGGESTED INTERFRATERNAL PROGRAMS**

**Fraternity/Sorority Council**

A fraternity/sorority council should be a forum for discussion and communication among all Greek-letter groups. Such a council may be practical, especially on a large campus with many sororities and fraternities. It could be used to coordinate joint activities such as Greek Weekend, a philanthropic or service project or publication of a fraternity/sorority newspaper or newsletter.

A fraternity/sorority council should be a separate organization. Separate College Panhellenic Associations and Interfraternity Councils are recommended by both the National Panhellenic Conference and the North-American Interfraternity Conference. The organization and procedures differ enough to make a College Panhellenic and an Interfraternity Council function more efficiently when operated independently.

- **Purpose:** A fraternity/sorority council should foster cooperation of fraternity women and men in carrying out a specific project or reaching a particular goal. Any activity selected should reflect the ideals, values and standards of all Greek-letter organizations.

- **Organization:** It should include representatives from the College Panhellenic, the National Pan-Hellenic Council, National Association of Latino Fraternal Organizations and the Interfraternity Council. Selection and size of the representation depends on the size of the campus’ fraternity/sorority system. However, each organization represented should have one vote.

- **Authority:** Responsibilities should be restricted to those necessary to accomplish the fraternity/sorority council’s function. Membership recruitment programming and judicial committees are not proper functions of a fraternity/sorority council; however, working with the university administration to give fraternities and sororities a place in summer orientation of new students is a proper function.
Meetings: They should be held when needed to achieve the purpose of the council. Rotation of meeting places among chapters is suggested if there is no convenient central meeting place.

Fraternity/Sorority Websites
Many College Panhellenic Associations have created fraternity/sorority websites to share information about Panhellenic programs and activities. It is an effective vehicle for providing promotional information about Panhellenic efforts as well as membership recruitment information for prospective members.
Like a newspaper, the website needs to have relevant content provided in a clear and attractive format. Regular updating of the information is one of the most critical components of an effective website.
In addition, the site should contain links to chapter home pages and websites for NPC member organizations represented on the campus, as well as NPC itself. The Panhellenic or fraternity/sorority site should be listed as a link on the university website to encourage students to browse its information.
All content on the website needs to be tasteful and appropriate for the intended audience (students, parents, university family and the community).

HOUSING POLICIES AND PROCEDURES
- NPC seeks to cooperate with college and university administrators in developing a housing plan for fraternity chapters. The NPC is interested in the establishment of:
  - A specific housing plan.
  - Housing that will contribute to a useful, healthy and happy living experience for the fraternity chapters.
  - Some degree of similarity and equality to eliminate competition on a material basis.

Housing Policies
1. NPC member fraternities are to confer with the NPC Office in these instances:
   A. Campuses that are opening for the first time to NPC member groups.
   B. Campuses that have no established housing program but which contemplate adopting one.
   C. Campuses that have a simple program which should be retained.
   D. Campuses that have a program which is deemed advisable to change.
2. Any NPC member group contemplating action in regard to housing on any campus falling in one of the above categories is to notify the other groups involved and the NPC Office. The NPC Office will then act as a clearing agency to formulate a satisfactory plan.

Housing Procedures on Campuses Newly Opened to NPC Fraternities
The first NPC fraternity planning to charter a chapter on a campus should consult with college administrators regarding existing and/or planned housing policies. The NPC delegate of the first group will then notify the NPC Office, who acknowledges the information and publishes it in the next general housing bulletin.
As soon as a second NPC fraternity has chartered a chapter, the NPC delegate of the first installing fraternity becomes responsible for contacting the NPC delegate of the second fraternity. Together, with the cooperation of the NPC Office, by correspondence or at a meeting, they develop a housing agreement pertinent to the campus situation.

When a new campus is opened to NPC fraternities and several chapters are installed on the same date, the first fraternity chapter in alphabetical sequence is responsible for initiating a housing agreement pertinent to the campus, in consultation with the NPC Office.

**General Procedures for Housing Agreements**

A housing agreement is passed and amended by a majority affirmative vote of all the NPC fraternities with chapters on that campus, and all of the NPC fraternities on campus are ethically bound by this agreement. However, should a housing agreement be passed by less than a unanimous vote, the agreement is limited to two consecutive bienniums.

A housing agreement is drawn for the current or ensuing NPC biennium, with action to be taken at the close of the biennium to amend or terminate the agreement.

Housing agreements are signed either by the NPC delegate or inter/national president or both, and they are witnessed by the NPC Office staff.

The NPC Office sends copies of the agreement to the NPC delegates of the fraternities involved and to the proper college authority on housing. Copies of housing agreements are also sent to the NPC Executive Committee members.

Where an agreement already exists, any additional fraternity chartering a chapter on the campus shall abide by the agreement for the current NPC biennium.

Housing agreements may be opened for review during the biennium at the request of any NPC fraternity on that campus.

Implementation of all housing agreements is carried out under the direction of the NPC Office. Any action by the fraternities concerned is official only when cleared through the NPC Office.

Unless the NPC Office is notified that a signatory desires a review of a specific housing agreement at least three months preceding the opening date of an NPC annual meeting, such housing agreement will be renewed automatically and be in force at the conclusion of such NPC meeting.
COLLEGE PANHELLENIC JUDICIAL PROCEDURES

College Panhellenic Associations are based on democratic principles and organized to afford cooperation among the women’s fraternities on college campuses. College Panhellenic Associations embody self-governance to maintain fine standards and ethical conduct.

College Panhellenic Associations are expected to effectively and efficiently adjudicate matters over which they have jurisdiction, which includes all provisions of the NPC unanimous agreements and their campus Panhellenic governing documents.
COLLEGE PANHELLENIC JUDICIAL PROCEDURES

PROLOGUE
On April 16, 1891, in Boston, representatives of the then seven existing fraternities for women met “to discuss methods for the betterment of fraternity conditions in the different colleges.” The committee on Interchapter Courtesy recommended “greater moderation in rushing, that chapters be more watchful that they may pursue no method that could be considered questionable or underhanded,” that a committee be selected at each college to “decide upon regulations for the control of pledging” and for the exchange of information as to officers, etc. When the “meetings” became official, the National Panhellenic Conference was formed in 1902, and the guidelines adopted earlier were continued.

As fraternity women, we continue them today. We reaffirm principles of yesterday that remain current in recruitment, being watchful to see that we “pursue no method that could be considered questionable or underhanded.” We have a committee in each College Panhellenic “to decide upon regulations for the control of pledging.” However, our world has changed. There are thousands of chapters and hundreds of Panhellenics. Some campuses have few chapters; many have a large number. But we still adhere to the admonition of our early leaders to pursue “interchapter courtesy” — by advocating “greater moderation” in recruitment.

Sometimes mistakes are made. Sometimes a chapter fails to educate its new members in the Panhellenic policies and recruitment rules. Sometimes older members do not pay attention to the concept of “interchapter courtesy,” and a violation of rules occurs. It is therefore necessary to provide a method for a Panhellenic to ensure the adherence of all chapters and all members to the NPC Unanimous Agreements and the College Panhellenic’s governing documents, membership recruitment rules, Panhellenic code of ethics and standing rules.

The College Panhellenic will be able to address issues in a respectful and timely manner through establishment and training of the Panhellenic judicial board; use of the report forms, which ensures that each member group has adequate notice and documentation; and use of the mediation process whenever possible.

If you have any questions, contact your NPC area advisor.
VII. College Panhellenic Association Judicial Procedure

1. JUDICIAL BOARD

Each College Panhellenic Association shall establish a judicial board for the limited purpose of handling member group infractions of NPC Unanimous Agreements, College Panhellenic constitution and/or bylaws, membership recruitment rules/guidelines, Panhellenic code of ethics and College Panhellenic standing rules.

A. The composition and duties of the judicial board must be defined in the College Panhellenic constitution and/or bylaws.

B. A College Panhellenic shall develop a workable judicial board based on the needs of the campus.

C. The duties and responsibilities of the judicial board must be consistent with all NPC Unanimous Agreements.

D. The NPC judicial forms shall be used to ensure proper documentation and adherence to the NPC Unanimous Agreements. The forms are:
   
i. College Panhellenic Violation Report
   
ii. College Panhellenic Notice of Infraction
   
iii. College Panhellenic Record of Judicial Board Hearing
   
iv. College Panhellenic Record of Mediation
   
v. College Panhellenic Judicial Board Hearing Minutes
   
vi. College Panhellenic Notice of Appeal

E. Documentation of all judicial proceedings shall be retained by the College Panhellenic for a period of three years.

2. JUDICIAL PROCESS OVERVIEW

A. Fraternities are encouraged to resolve alleged infractions through informal discussion with the involved parties. Should the informal discussions be unsuccessful, the judicial process will be set in motion by the filing of a report of an alleged violation. Violations must be reported in the following manner on the College Panhellenic Violation Report, available from the College Panhellenic and the NPC website.
B. Timing
   i. The College Panhellenic Violation Report shall be completed and presented to the president of the College Panhellenic Association in a timely manner, but not more than 30 calendar days from the date of the alleged infraction (including university/college breaks). If the College Panhellenic president is unavailable or the violation is against her fraternity, the report shall be presented to the College Panhellenic vice president or Fraternity/Sorority advisor.

   ii. The College Panhellenic president and Fraternity/Sorority advisor shall review the College Panhellenic Violation Report to ensure that it has been filled out completely, including proper signatures and indication of rule/policy violated. An incomplete report shall be returned to the reporting party for completion prior to proceeding.

C. Proper Reporting Authority
   Infractions, excluding recruitment infractions, must be reported and signed by the president of a member group on behalf of her chapter.

D. Notice
   i. When a report of an infraction is properly received by the College Panhellenic, the accused fraternity shall be given formal notification in writing. The College Panhellenic president shall notify the member group using the College Panhellenic Notice of Infraction. The College Panhellenic Violation Report is retained by the College Panhellenic president or Fraternity/Sorority advisor and is available on request from the accused fraternity. A copy of the College Panhellenic Violation Report shall be given to the NPC area advisor.

   ii. The College Panhellenic Notice of Infraction shall be delivered to the president of the accused fraternity within one week of the College Panhellenic president’s receipt of the College Panhellenic Violation Report. If the president of the accused fraternity is unavailable, delivery may be made to another appropriate fraternity officer or advisor. The record of delivery shall be documented on the report. A copy of the College Panhellenic Notice of Infraction shall be given to the Fraternity/Sorority advisor and the NPC area advisor within the same time period.
iii. Upon receipt of the College Panhellenic Notice of Infraction, the accused fraternity shall contact the College Panhellenic president within one week to schedule mediation or choose to proceed directly to a judicial board hearing.

   a. If the College Panhellenic Notice of Infraction is delivered during a college/university break, the mediation or the judicial hearing may be scheduled after classes resume or held during the break if all parties are available.

   b. On those campuses where the small size of the College Panhellenic makes a judicial board hearing ineffective because of conflicts of interest, and mediation has proved ineffective, an appeal may be made directly to the NPC College Panhellenics Judicial Appeals Committee who will serve as a hearing board.

E. Mediation shall be closed to the public. All participants in the mediation shall keep strict confidentiality. The participants shall be representatives from each fraternity involved, including a chapter advisor or the complaining party if other than a fraternity. In cases of recruitment infractions, the College Panhellenic recruitment chairman shall attend only if she has information that explains the violation. After she presents her information, she shall be excused from the mediation.

F. See the Panhellenic Mediation Process in this chapter for a detailed explanation of mediation.

G. Judicial Board Hearing
   If mediation is not successful, a judicial board hearing shall be held.

H. The College Panhellenic shall establish procedures to be followed during a judicial board hearing. The procedures shall be adopted in accordance with the College Panhellenic Association bylaws.

I. Judicial board hearings shall be closed to the public. The participants in the judicial board hearing shall be representatives from each fraternity involved, including a chapter advisor or the complaining party if other than a fraternity, the College Panhellenic president, the Fraternity/Sorority advisor and in cases of recruitment infractions, the College Panhellenic recruitment chairman.
3. PENALTIES

Each College Panhellenic shall strive to achieve a fair and reasonable resolution for infractions. Penalties should be assessed to fit the nature and degree of the offense.

A. Inappropriate Penalties

Monetary fines shall be acceptable only for measurable recruitment infractions (i.e., late invitation lists, late events, etc). The amounts shall be predetermined by a vote of the College Panhellenic Council and stated in the membership recruitment rules.

i. Penalties shall not forbid formal or informal entertainment that is part of membership recruitment or the observance of an inter/national fraternity celebration.

ii. Penalties shall not affect a fraternity chapter’s quota or total.

iii. Penalties shall not affect the time of new member acceptance and/or initiation.

iv. Penalties shall not forbid the right of an NPC fraternity to vote in College Panhellenic meetings.

B. Duration of Penalties

The duration of any penalty imposed shall not exceed one calendar year from the time the decision is final.

C. NPC Notification of Penalties

Within 24 hours of the successful completion of mediation or the judicial board hearing, the College Panhellenic president shall send a copy of the College Panhellenic Judicial Board Hearing Minutes to the NPC area advisor, the NPC delegate and the inter/national president.

4. APPEALS

A. Judicial board decision. A decision of the College Panhellenic Association judicial board may be appealed by any involved party to the NPC College Panhellenics Judicial Appeals chairman. An appeal shall be filed with the College Panhellenic president using the College Panhellenic Notice of Appeal within one week of the decision. A penalty shall begin only after all properly filed appeals have been decided; however, should a sanctioned fraternity choose to begin fulfilling all or part of the stipulations of the sanction pending the outcome of filed appeals, the fraternity shall have that option.
B. NPC College Panhellenics Judicial Appeals Committee. If the NPC College Panhellenics Judicial Appeals Committee is unable to resolve the appeal, the committee chairman shall be responsible for the further conduct of the case. She shall submit by certified mail, return receipt requested, all data regarding the appeal to the inter/national president(s) of the fraternity(s) involved.

C. Inter/national presidents. If the inter/national presidents cannot resolve the case by discussions among themselves, the case may be referred by any inter/national president involved to the NPC Executive Committee.

D. NPC Executive Committee. If the NPC Executive Committee cannot resolve the case, it may be appealed either by the inter/national president or by the NPC Executive Committee to the National Panhellenic Conference.

National Panhellenic Conference. The decision of the National Panhellenic Conference shall be final.

PANHELLENIC MEDIATION PROCESS

Mediation should be used as a beginning procedure to settle disputes among chapters within a college Panhellenic. Mediation is an off-the-record attempt to settle a dispute. In essence, it is a facilitated negotiation. **An important component of mediation is confidentiality that also extends to the results.** Normally all that is written at the conclusion of mediation is either an agreement that the parties (accused and accuser) sign or a list of the issues, which need to be resolved in another forum.

**Mediator**

The mediator is a **neutral** person with a clear understanding of the process of mediation. The mediator is **not** a decision maker but must be in control of the process. This is a matter that the parties need to agree to **prior** to the onset of mediation. The mediator sets the tone of the mediation: somewhat informal but structured. The mediator can assist the parties in understanding the issues and assisting them in reaching a satisfactory resolution — or making a decision that the matter cannot be resolved without further action. **The mediator must be one with no vested interest in the outcome of the case.**

**Parties Involved**

Each party, both the accused (defendant) and the accuser (complainant), must be willing to be open and candid. **All records** pertaining to the action should be available for both parties to review. **The parties must be willing to work toward an agreement.**

**Who May Attend**

The person attending (representing each chapter) **must** be the decision maker for the groups involved. The likely person would be the chapter president and in the case of a recruitment infraction, the recruitment chairman. Depending on who filed the infraction, the complainant or
her group should send an **equal** number of participants. It is important that each chapter limit the number of people attending. There may be some instances when more than one group files an infraction on another group. When this occurs, the groups filing the infraction must select one or two people to represent them in the mediation.

In rare cases the vice president of recruitment and/or the Panhellenic president may attend because of information that they need to bring to the table. There will be no observers in attendance. Each party may have a chapter advisor present. It is very important to limit the number of attendees at a mediation; the mediator ensures that the representation is both small and equal.

**Counsel (Chapter Advisor)**
Each party is entitled to have a chapter advisor come with her as an advisor in the mediation. The chapter advisor has the benefit of knowledge and experience beyond the college students and would be a benefit to both parties.

Mediation is most effective if the parties involved do the telling of their version of the event, and the chapter advisor acts as an advisor. In other words, the college women representing their respective groups need to do the talking but should have the benefit of conferring with their chapter advisor when they feel it is necessary.

**Setting**
It is most important that both parties feel that the mediation is held in a neutral place. An oval or rectangular table with the parties facing one another and the mediator at the head of the table gives reassurance that this is a serious forum.

**Process**
The mediator begins by setting the ground rules regarding the behavior of all involved in the mediation. Each side should be allowed to tell her version of the events in an uninterrupted, civil manner. Each party is encouraged to take notes so that if questions arise that need answers, they can ask those questions later after each side has had the opportunity to give information. The parties should be advised that it might be necessary for the mediator to meet with the parties individually to reach an agreement. In the caucuses (individual meetings), the parties may give the mediator information that she/he cannot divulge to the other party without specific clearance. The mediator **may need to meet with the parties separately more than once and may spend different amounts of time with each side.**

**Conclusion of Mediation**
At the conclusion of the mediation, the mediator meets with the parties and their chapter advisor to complete the College Panhellenic Record of Mediation. They will write an agreement, or in case no agreement was reached, they will identify a list of issues. Both parties will sign the agreement or the list of issues. The list of issues will be used in a judicial hearing that will follow at a later date. The proper procedure for a judicial hearing is found on page 168.

Minutes will not be taken at the mediation. The College Panhellenic Record of Mediation will be completed by the mediator with one copy given to the Fraternity/Sorority advisor and one copy to the accused group.

COLLEGE PANHELLENIC JUDICIAL BOARD
ORGANIZATION AND FUNCTION

Any judicial board organization and plan for operation selected or developed by the College Panhellenic must be used in conjunction with the NPC Unanimous Agreement VII, the College Panhellenic constitution and/or bylaws, the Panhellenic code of ethics, membership recruitment rules/guidelines and the College Panhellenic standing rules.

The goal is to create a document that fits the needs of your College Panhellenic Association and your campus.

Below is a sample that includes several suggestions and options. Choose those that are appropriate for your College Panhellenic and add other items, if needed.

However, there are certain items that are required by the NPC Unanimous Agreements that must be included. Those items are noted.

Sample Document for Establishing a College Panhellenic Judicial Board

College Panhellenic Judicial Board Membership

In accordance with the College Panhellenic Association bylaws, the judicial board is composed of __________* collegiate members and the Fraternity/Sorority advisor (non-voting ex-officio member).

*Select the number that is appropriate for the size of your College Panhellenic.

Members include:
• Chairman (may be elected or appointed); votes.
• Vice chairman (may be elected or appointed); votes.
• __________ members representing fraternities holding regular or associate (if provided for in the College Panhellenic constitution, Article III) membership in the College Panhellenic Association; votes
• The Fraternity/Sorority advisor (ex-officio member); does not vote.
• Methods for choosing judicial board members could include, but are not limited to:
  • A member from each of the fraternities for smaller Panhellenics.
  • A number (one-half or one-third) selected each year for larger Panhellenics, rotating the chapter selection for the following year.
  • A member selected from each fraternity, rotating the seating for judicial board hearings.
• The Panhellenic executive board appoints, through application and interview process, all collegiate members.
A Panhellenic judicial board member must be an initiated, undergraduate member in good standing (according to the definition of her respective chapter) at the time of appointment and throughout her term.

The Fraternity/Sorority advisor shall serve as a non-voting ex-officio member of the judicial board. If the Fraternity/Sorority advisor is unable to attend a meeting, a noncollegiate representative will be chosen by a majority vote of the judicial board.

The vice chairman will assume the duties and responsibilities of the chairman in cases where the chairman must be recused because of a conflict of interest.

In cases where both the chairman and vice chairman must be recused, the remaining members of the judicial board will select a member to serve as chairman.

A member of the judicial board will serve as secretary and take minutes of hearings. This responsibility may rotate among the members of the judicial board.

**Duties of the College Panhellenic Judicial Board**

The College Panhellenic judicial board shall:

- Handle all alleged violations of NPC Unanimous Agreements and the College Panhellenic constitution, bylaws, code of ethics, membership recruitment rules/guidelines and standing rules (required by the NPC Unanimous Agreements) that are not settled in the mediation process.
- Educate member fraternities about the Panhellenic judicial procedure.
- Participate in training designed to educate judicial board members about the purpose of the board, the rules and regulations the judicial board will monitor, the procedures to be followed, proper questioning techniques, the rights of the charged organizations, evaluating evidence, and deliberations and sanctioning.
- Conduct a fair hearing with impartial judicial board members following the NPC Unanimous Agreement VII, College Panhellenic Judicial Procedure.
- Maintain confidentiality throughout and upon completion of the judicial process. (UA VII)
- Create and maintain proper documentation. Documentation should be retained by the vice president of judicial affairs or chairman and the Fraternity/Sorority advisor for a period of three years. (UA VII).

**Duties of the Judicial Board Chairman**

The College Panhellenic judicial board chairman shall:

- Coordinate the training of the judicial board members with the Fraternity/Sorority advisor.
- Implement the NPC Unanimous Agreement VII, the College Panhellenic Judicial Procedure.
- Determine if any collegiate judicial board members need to be excused (recused) from serving because of a conflict of interest.
- Provide involved chapter(s) with a copy of the “College Panhellenic Judicial Board Guidelines and Procedure” (this document).
- Preside at judicial hearings.
JUDICIAL BOARD HEARING

The purpose of a judicial board hearing is to resolve an alleged violation of the rules of (1) the "parent organization," in this case, the National Panhellenic Conference. The rules, specifically, are the NPC Unanimous Agreements and NPC resolutions, and (2) the College Panhellenic constitution and bylaws, code of ethics, membership recruitment rules/guidelines and standing rules. In all cases, the primary goal is to reach a fair and equitable decision based on the review by peers.

The judicial board hearing should be conducted in a manner that adheres to certain guidelines and achieves the goal of reaching a fair and equitable decision.

Guidelines established in the NPC Unanimous Agreements that shall be followed include:

- Judicial board hearings shall be closed to the public. (UA VII)
- The participants in the judicial board hearing shall be representatives from each fraternity involved, including a chapter advisor or the complaining party if other than a fraternity, the College Panhellenic president, the Fraternity/Sorority advisor and in cases of recruitment infractions, the College Panhellenic recruitment chairman. (UA VII)
- Written minutes must be taken at the time of the judicial board hearing. (UA VII)
- Penalties should be assessed to fit the nature and degree of the offense. (UA VII)
- Information on the appeals process shall be presented at the close of the judicial board hearing. (UA VII)
- The proper notification and reporting forms must be used. (UA VII)
- All documents associated with an investigation or judicial board hearing shall be kept by the vice president of judicial affairs (or chairman in charge of judicial procedure) in a locked file cabinet in the Panhellenic office for a period of three years. The Fraternity/Sorority advisor will also keep a copy of the hearing minutes and the decision in the Panhellenic files in his or her office. (UA VII)

Suggested guidelines may include:

- The chairman of the judicial board will serve as the hearing officer unless she has been recused. In such an event, the vice chairman will serve as the hearing officer.
- The chapter president or her designee and one alumna chapter advisor shall represent each chapter involved.
- Chapters involved in a hearing have the right to consult with a representative from their inter/national organization.
- Witnesses will be called one at a time and may remain in the hearing room only during their testimony.
- Following the completion of the hearing, the judicial board members hearing the case and the Fraternity/Sorority advisor will go into executive session for deliberations.
- Deliberations are confidential and comments are not to be reported outside of the room, with the exception of the official written decision recorded on the College Panhellenic Record of Mediation or Judicial Board Hearing and the official oral statement given by the chairman to the parties.
JUDICIAL BOARD HEARING — ORDER OF EVENTS
1. Call to order by the chairman
2. Introductions

The chairman puts the motion before the members of the board as follows: “The motion before the members is: Is (name of the organization) guilty of the charge of violating (state the rule that was violated)?” If there is more than one rule alleged to be violated, each violation is handled in a separate motion. Each motion is processed separately. Each of the specifications and then the charge, is read, opened to debate, and voted on separately.
14. Chairman requests motion(s) from members of the judicial board (12, 13 and 14 are to be handled one motion at a time if there is more than one incident being presented).
15. Discussion of motion(s)
16. Vote on motion(s). The members of the judicial board vote “yes” or “no”
17. A verdict of guilt requires a majority of the judicial board members.
18. If a chapter is found guilty of the charges, the judicial board must then determine the appropriate sanctions following the guidelines established in the College Panhellenic judicial procedure. If the documents or policies do not provide guidance as to sanctions, the judicial board may determine sanctions appropriate to the severity of the violation. A member of the judicial board makes a motion for a sanction(s) that the member feels is appropriate. This motion is debatable and amendable. A majority vote is required to adopt the motion concerning sanctions.
19. The hearing is reconvened, and the decision of the judicial board is then read to the complaining and accused parties. Witnesses are not in attendance at this time.
20. The verdict and/or sanctions must be put in writing on the College Panhellenic Judicial Board Hearing Minutes and signed by the parties listed on the report.
21. Information regarding the appeals process must be provided using the College Panhellenic Notice of Appeal at the time the decision is read.
APPEALS PROCESS
An appeal of the judicial board decision may be made by following the appeals procedure as outlined in the NPC Unanimous Agreements VII, College Panhellenic Judicial Procedure.

ETHICAL DECISION MAKING
1. Collect accurate information.
2. Ask questions.
3. Identify the issues.
4. Identify the content of the problem to be resolved (approach a complex problem by dividing it into sections and addressing each section).
5. Prepare and implement a solution, with consideration for:
   A. Maintaining an impartial view.
   B. Being consistent in considerations; do not change the rules arbitrarily.
   C. Use concern for the methods, attitudes and processes as well as the short- and long-term consequences of the decision.
   D. Respect the viewpoints of others; seek to educate by providing people the means they need to make reasoned decisions.
   E. Consult your conscience; thoughtful reflection on the solution you are considering will generally reveal right from wrong.
6. Evaluate the solution implemented.
   A. Did the solution achieve the desired result?
   B. How could the situation have been avoided?
