

FEEDING AMERICA

1 in 6 Americans are food insecure. Feeding America helps feed America's hungry through a nationwide network of member food banks and coordinates efforts in the fight to end hunger. Of the people who are food insecure, 45% are children, 8.5% are elderly, and 20% are disabled.

You can help Feeding America by buying a ticket to the Hunger Banquet! Selling 50 tickets means we can supply 2,250 meals to needy families.

In Candler, North Carolina, an unemployed, widowed grandmother named Vicki, who is taking care of her daughter and three grandchildren, says she has little to get by but child support and the \$526 a month she receives in the Supplemental Nutrition Assistance Program (food stamps). With the recent cut in food stamps funding, she will face more difficulty in providing for her family.
