Nominating Committee Report to the Faculty
10/16 Faculty Meeting

The Nominating Committee has met once to draft language for the Focus Groups it hopes to conduct with committees, on the issue of faculty service. Since then it has continued to work electronically on setting dates for representatives to attend meetings of all appointive committees and on two additional issues: a) identifying nominees to run a special election for a 2-year replacement on PAT (at the time the report was written, no nominations had been received) and b) exploring the feasibility of making the process of appointment to non-elected committees automatic.
