You may earn course units from a combination of credit by exam (AP) and college courses (dual credit) taken while completing high school. IWU is on the unit system (An IWU course unit is defined as being equal to 4 semester hours. Therefore, a 3 semester hour course equals .75 course units.)

AP courses with scores of 3, 4, or 5 are accepted and dual credit courses must have a grade of “C” or better to be accepted.

Degree requirements and general education information can be found at www.iwu.edu/academics/catalog

Career and technical education courses will not transfer. Transfer electives such as Life Success will not transfer for credit to Illinois Wesleyan. IWU does not offer similar courses for credit, but does offer workshops on similar topics and recognizes the value of such courses. AGRI 170 is not transferable.
