You may earn a maximum of 8 course units from a combination of credit by exam (AP) and college courses (dual credit) taken while completing high school. A maximum of four course units can qualify for general education credit. IWU is on the unit system (An IWU course unit is defined as being equal to 4 semester hours. Therefore, a 3 semester hour course equals .75 course units.)

IWU participates in the Illinois Articulation Initiative (IAI). If you attend Heartland and complete an IAI Associate Degree, IWU will accept that as a general education package. Please see the Heartland Community College transfer plans for more information.

AP courses with scores of 4 or 5 are accepted and dual credit courses must have a grade of “C” or better to be accepted.
