

IWU HvZ

The Official Rules

AN OVERVIEW

- HvZ is a game of tag. Everyone begins as a human.
- The Original Zombie (OZ) tags humans to turn them into zombies.
- Zombies must tag and eat a human (feed) every 24 hours or they starve.
- Zombies may share a tag with one other zombie and can work together to tag humans.
- A zombie who starves to death is out of the game

OBJECTIVES

- **Zombies:** to eat all of the humans and win the game - Zombie Apocalypse
- **Humans:** to outlast the zombies. Starve them out. It may be a desolate wasteland, but at least you'll still be human.

EQUIPMENT

- 1 bandana – must be visible at all times
- 1 3x5 index card with you unique PIN
- Socks...as many as you think you'll need
- Friends. You're gonna need them.

SAFETY

- Socks are the only means you may use to stun zombies.
- **No sock weapons:** no flails, maces, or sling shots.
- Socks must be thrown and make contact with a Zombie.
- Players may not use cars or play where there is traffic
- Players may not play off campus
- Zombies and Humans may remove their bandanas during class times and work hours BUT you must put your bandana back on BEFORE leaving any designated safe zone.

HUMAN RULES

- Stay on campus: humans must sleep on campus and may not leave campus for more than 24 hrs.
- PINs: keep an index card with your identification on you at all times. This number must be relinquished if you are tagged.
- Stunning: humans may stun Zombies for 15 min if they throw a sock at them, and hit them. You may stun from inside a safe zone.
- When tagged: hand over your ID card. After 2 hrs. you must move your bandana to your leg
- Bandanas: wear yours around your upper arm unless you are tagged.

ZOMBIE RULES

- Feeding: you must feed every 24 hours by tagging a human. Log your feed on the HvZ Website by entering a human PIN number on the website within 2 hrs.
- Bandanas: you must wear your bandana around your leg at all times
- Tagging: a tag is a firm touch to any part of a human. Both feet must be outside of a safe zone when the tag is made.
- Zombies may share a tag with one other zombie.
- Stunning: if you are hit with a sock, you have been stunned. A stunned zombie cannot interfere with the game IN ANY WAY for 15 minutes. You may be stunned from inside a safe zone.

OTHER RULES

- Non-players: hitting non-players with socks is a bannable offense. Non-players may not be directly involved with the game in any way, including: acting as shields, gathering information, bringing humans food, etc.
- Tagging: a tag is a firm touch to any part of a human. Both feet of the Zombie must be outside of a safe zone when the tag is made, but if they can reach in and touch a human it is a fair tag.
- Zombies may not use shields to deflect socks.

Medicine

- Throughout the day, “Medicine” safety-pins will be hidden throughout campus in non-safe zones. If ONE zombie attacks a person with medicine, that zombie will be “stunned” for 15 minutes and dispose of the medicine safety-pin. This gives the human time to get away.

SAFE ZONES

- Academic Buildings: CNS, CLA, Stevenson, State Farm Hall, Presser, Ames, Shaw & Buck.
- Sodexo: Saga, the Dugout (including the booths and coffee shop area), Tommy's
- Residence Halls: Safe zones only during quiet hours (10pm-10am on weekdays, 11pm-11am on weekends). These times will be the same for the Gates
- Individual rooms and suites are safe zones.
- Greek Life: all Greek chapter houses are safe zones. Off campus houses are not.

SAFE ZONE CONT.

- All safe zones will be marked with an official, “Safe Zone” flyer.
- Contact the moderators to get an event declared a safe zone and receive the Safe Zone flyer.

SAFE ZONES

Academic and Administrative Buildings, Saga, Dugout, Tommy's, Greek Houses, Chapel, Bathrooms, Residence Halls (only during quiet hours)

SAFE ZONE

No Zombie Attacks Allowed

TAKE PRECAUTIONS

- Know the rules! Don't give your PIN number to anyone who has not made a valid tag. Don't ask for a PIN on a questionable tag.
- If there are any issues, contact the moderators on the HvZ website.
- Don't begin tagging other humans until your 2 hour virus incubation period has passed.
- Be responsible and respectful. We are playing to have fun.
- Go to class! RHA does not condone skipping class to avoid the Zombie hoards.

BEFORE YOU GO!

- Make sure you get a bandana, or find one to use!
- Make sure you register online at <http://hvzsource.com/>. The IWU Game will include IWU in its title.
