### Reading a schedule

- Find the proper schedule for the day of week and direction of travel.
- Find the locations nearest your starting point and destination.
- Read down the columns to see times the buses serve those locations.
- Read across to the right to see when a bus trip will reach your destination. Each row across represents one bus trip.

All time points except for the last one indicate the earliest time the bus will depart. The last time point indicates the latest time the bus will arrive at that location.

Mon-Fri: 15 minute frequency  
Saturday: 30 minute frequency  
Sunday: 30 minute frequency

## CONNECT TRANSIT RIDING TIPS

Get to your bus stop a few minutes early. As the bus approaches, look for the route or destination on the front of the bus to see if it is the one you need.  
Not sure? Ask the driver.

### Face Coverings Required

"Hands-free" face coverings that cover the mouth and nose are required to board and ride Connect Transit buses. Masks must be worn for the entire duration of the trip.

### Take a Seat

We ask that you keep the seats at the front of the bus open for seniors and disabled individuals. Also, we recommend that for your safety, you take a seat instead of standing.

### While Riding

There is no smoking, eating or drinking. Listening to audio/video devices without headphones is not permitted.

### Getting off the Bus

About a block from your stop, pull the cord on the wall above your seat to signal the driver. Wait until the bus comes to a complete stop and depart from the rear door.

### Bike Racks

All Connect Transit fixed route buses are equipped with bike racks. The racks allow a bike rider to mount their bike on the front of the bus when riding. There is no extra charge for your bike. Bikes are not allowed on the inside of the bus.
