

Re-Turning Titan 2020

- Today's webinar represents our Fall status with the information we know today. Information evolves daily and we will do our best to keep you updated.
- In webinar format, participants are not visible and microphones are not on.
- Please ask questions through the Q&A feature (chat is disabled) - most responses will be in writing and some verbally.
- For decisions that are still being finalized, please check the website FAQs and/or future emails.
- We will begin shortly. This webinar is being recorded.

Re-Turning Titan 2020

A Healthy Campus Commitment

A Personal Commitment: Health Honor Code

Personal health practices

- PCR testing upon arrival to campus; isolation until test negative (est. 2 days)
- Masks required in all public areas - class, events, meetings - bring washable masks
- Physical distancings - 6 feet
- Hand-washing
- Symptom screening - bring a thermometer
- Contact tracing

A Community Commitment: Health Honor Code

Community health practices

- No large group activities - both on and off-campus
- Campus norm expectations - bystander intervention
- No non-IWU guests in residence halls
- Limit non-essential travel
- Avoid businesses or gatherings in which mask wearing and physical distancing are not required

A Campus Commitment

Cleaning Protocols

- Custodians will clean and disinfect restrooms, classrooms and high touch areas on campus each morning
- Custodial “Porters” will disinfect restrooms and high touch areas in public spaces 2 additional times
- Disinfectant wipes and hand sanitizer will be provided for classroom disinfection by students and faculty as needed
- We utilize EPA certified disinfectants and have begun employing electrostatic sprayers for more effective application of disinfectants

Academic Experience

- ▶ Early start/Early finish
- ▶ Course delivery models: in-person, virtual, hybrid, and hyflex
- ▶ Faculty development
- ▶ Space assessment - classrooms will allow for distancing
- ▶ Class periods added - evening courses
- ▶ Extended time between classes (15 minutes)
- ▶ Commitments to technology
- ▶ Illness-related flexibility

Academics: Your Next Steps

- ▶ Course adjustments: Schedule and room assignments - currently being adjusted
- ▶ Upperclass students: Course review and schedule changes: available August 1
- ▶ First year students: Course registration will occur on August 13

Housing/Dining Commitments

Singles with the choice of doubles

Hotel assignments

Dining flexibility

- Meal exchange flexibility
- Space capacity adjustments
- To-go options

Housing: Your next steps

- ▶ Housing survey “All Student Return Application (Fall 2020)” - deadline for response - July 17 (sent Monday, July 13)
- ▶ Housing assignments will be made by August 1
- ▶ Students should check their meal plan selected with the new meal exchange flexibility in mind
 - ▶ Changes can be made through MyHousing by August 10
- ▶ Move-in day for first year students
 - ▶ International students - work with Robyn; likely Aug 1-3
 - ▶ IMPACT pre-O students - tentative August 8 (TBD)
 - ▶ All other First Year - tentative August 11
 - ▶ Athletes - TBD (earliest will be August 12)
- ▶ Move-in for upperclass students - TBD based on testing

Campus Life

Campus Events

RSO leadership

Arts

Recreational fitness

Athletics

Financial commitments

Tuition deadline

Adjustments made due to schedule/housing changes

Withdrawals after classes begin and refunds - prorated up to October 13

Appeals after October 13

Financial aid adjustments

If a student gets COVID-19

- ▶ A COVID-19 positive student will be expected to go home, if reasonable to do so (travel, vulnerable people at home).
- ▶ If unable to go home, a quarantine space and appropriate support will be provided to students living in university-provided housing.
- ▶ For off-campus students (sororities and apartments/houses), students will need to quarantine at their home or chapter-provided housing.

If there's a campus “outbreak” of COVID-19

- ▶ McLean County Health Department uses a pretty small number to describe an “outbreak” - 2 closely related cases.
- ▶ Work with McLean County Health Department to determine appropriate actions which may include:
 - ▶ Restricting an activity (like a class, sport, or other experience)
 - ▶ Closing a particular campus area (like a residence hall)
 - ▶ Limiting in-person activities (like classes or other social events)
 - ▶ Closing the campus, as appropriate

If our region moves back to Phase 3/Restore Illinois

- ▶ Higher education is not permitted to provide in-person instruction in Phase 3, in accordance with guidance provided now.
- ▶ The status of housing will be determined based on the timing and other health factors.
- ▶ Campus housing will be provided to students who are unable to return home, with appropriate approvals.

What if's -- support & flexibility

If a student becomes ill and must move to an entirely virtual schedule for a short time

If a student becomes ill and must withdraw for the semester

If a family member becomes ill

Support for Students

Arnold Health Services

Partnerships with Carle BroMenn Medical Center and Reditus Labs

Counseling and Consultation Services

- Individual sessions and support group for COVID-19 students (personal, family impacted, stressors)

Virtual students: Success coaching and access to virtual resources

Questions?
