

Schedule for 2017 Boiler Shutdown and Power Outages

Boiler Shutdown

Each year we have a “shutdown” period during which time the main boilers are shut down for necessary preventative maintenance of the boilers and steam lines. This year we will again have a one-week shutdown. The effects of the steam shutoff in the summer include:

1. No domestic hot water in main campus buildings,
2. No steam for cooking and dish washing in the Memorial Center (i.e.: **Bertholf Commons, the Coffee Shoppe, and Dugout will be CLOSED**),

For 2017 the shutdown period begins at 3:00 p.m. on Friday, June 2 and runs until 4:30 p.m. on Friday, June 9.

Fire Alarms and Sprinklers

During the shutdown period and the following week we will do fire alarm testing, as well as sprinkler system inspections and testing. This will involve fire alarms going off as part of the tests.

Electrical Power Outages

During the shutdown period, we also do annual maintenance to the campus electrical system resulting in limited power outages in most buildings. We attempt to schedule the power outages in a manner that allows most buildings to operate as usual during normal business hours, but this is not always possible. The electrical work this year will be done **June 5-6** in accordance with the schedule below.

Power Outage Schedule (Times are approximate)

Monday, June 5:

	Power Off	Power On
CNS	7:00 am	Noon
Memorial Center	7:00 am	10:00 am
Munsell/Ferguson	7:00 am	3:30 pm
Pfeiffer Hall	7:00 am	3:30 pm
Kemp Hall	7:00 am	3:30 pm
IT Service Center (Old Bookstore)	7:00 am	3:30 pm
Ames Library	7:00 am	3:30 pm
Beadles Hall	7:00 am	3:30 pm
Gulick Hall	7:00 am	3:30 pm

Tuesday June 6:

	Power Off	Power On
Ames Library	7:00 am	3:30 pm
Beadles Hall	7:00 am	3:30 pm
Pfeiffer Hall	7:00 am	3:30 pm
Kemp Hall	7:00 am	3:30 pm
IT Service Center (Old Bookstore)	7:00 am	3:30 pm
Gulick Hall	7:00 am	3:30 pm

If you have questions regarding any of these activities, please contact Jim Blumberg at ext.3083 or jblumber@iwu.edu.

Thank you for your understanding.
