## The Labyrinth Outreach Services for Women:

Support for Women who have Interacted with the Criminal Justice System  
Monday October 12, State Farm Hall Room 102, 4:00 pm

Center for Human Rights  
and Social Justice

Labyrinth Outreach Services for Women provides long term supportive services and housing to women from McLean County who have been incarcerated or involved in the criminal justice system. Labyrinth works to assist the woman to remain free of the criminal justice system and work towards re-establishing a healthy relationship with their children, family, and others.
