

Tessa's Bio:

Hello! My name is Tessa Kruczek and I am a rising Sophomore! I am a BFA Acting student and

I am pursuing a double minor in film and dance. I am also involved in multiple RSOs on campus and I am a member of the Alpha Gamma Delta sorority on campus! I am from Vernon Hills, IL and went to Vernon Hills High School where I had the privilege of starting a writing center and tutored there for three years. I have also been the one that my friends come to whenever they need a second opinion on the paper.

I enjoy working on all kinds of writing and my expertise mostly lies in MLA and Chicago style but I do have some familiarity with APA as well. I value reading work out loud as if it were a speech. I find that in doing this, you may uncover errors you may have not otherwise found! I think writing should be enjoyable, no matter how hard the assignment may be. I will work with you to find the fun and passion in what you're writing!
